in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), with such option to be exercised on or prior to the date of execution of the definitive agreements, submission of notice or the making of a definitive declaration, as applicable, with respect to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be (a) the date the definitive agreements, notice or declaration with respect to such Limited Condition Transaction are entered into, provided or made, as applicable or (b) with respect to sales in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies (or similar law or practice in other jurisdictions), the date on which a "Rule 2.7 announcement" of a firm intent to make an offer or similar announcement or determination in another jurisdiction subject to laws similar to the United Kingdom City Code on Takeovers and Mergers (the "LCT Test Date"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated Adjusted EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; provided however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Borrower has made an LCT Election for any Limited Condition Transaction, then, in connection with any subsequent calculation of the ratios or baskets on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement, notice or declaration for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

Section 1.12 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Capital Stock at such time.

Section 1.13 Interest Rates; Benchmark Notification. The interest rate on a Revolving Loan may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event with respect to Initial Revolving Loans, Section 2.14(c) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Revolving Facility Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 2.01 Commitments.

(a) Subject to the terms and conditions set forth herein, (i) each Initial Term Lender severally, and not jointly, agrees to make Initial Term Loans to the Borrower on the Closing Date, in the case of the First Amendment Incremental Term Loans, on the First Amendment Closing Date, or in the case of the 2021 Replacement Term Loans, on the Third Amendment Closing Date, or in the case of the Fourth Amendment Incremental Term Loans, on the Fourth Amendment Closing Date, in each case in Dollars in a principal amount not to exceed its Initial Term Loan Commitment, (ii) each Second Incremental Term Loan Lender severally, and not jointly, agrees to make Second Amendment Incremental Term Loans to the Borrower on the Second Amendment Closing Date and (iii) each Revolving Lender severally, and not jointly, agrees to make Revolving Loans to the Borrower in Dollars at any time and from time to time on and after the Closing Date, and until the earlier of the Initial Revolving Credit Maturity Date and the termination of the Initial Revolving Credit Commitment of such Initial Revolving Lender in accordance with the terms hereof; provided that, after giving effect to any Borrowing of Initial Revolving Loans, the Outstanding Amount of such Initial Revolving Lender's Initial Revolving Credit Exposure shall not exceed such Initial Revolving Lender's Initial Revolving Credit Commitment. Within the foregoing limits and subject to the terms, conditions and limitations set forth herein, the Borrower may borrow, pay or prepay and reborrow Revolving Loans. Amounts paid or prepaid in respect of the Initial Term Loans and the Second Amendment Incremental Term Loans may not be reborrowed.

79

(b) Subject to the terms and conditions of this Agreement and any applicable Refinancing Amendment, Extension Amendment or Incremental Facility Agreement, each Lender with an Additional Commitment of a given Class, severally and not jointly, agrees to make Additional Loans of such Class to the Borrower, which Loans shall not exceed for any such Lender at the time of any incurrence thereof the Additional Commitment of such Class of such Lender as set forth in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Agreement.

Section 2.02 Loans and Borrowings.

(a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Applicable Percentages of the applicable Class.

(b) Subject to Section 2.01 and Section 2.14, each Borrowing shall be comprised entirely of ABR Loans, Adjusted Term SOFR Loans, or Adjusted Eurocurrency Rate Loans. Each Lender at its option may make any Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement, (ii) such Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan shall be deemed to have been made and held by such Lender, and the obligation of the Borrower to repay such Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch or Affiliate of such Lender and (iii) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the Borrower resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.15 shall apply); provided, further, that no such domestic or foreign branch or Affiliate of such Lender shall be entitled to any greater indemnification under Section 2.17 in respect of any withholding tax with respect to such Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan than that to which the applicable Lender was entitled on the date on which such Loan was made (except in connection with any indemnification entitlement arising as a result of any Change in Law after the date on which such Loan was made).

(c) At the commencement of each Interest Period for any Adjusted Eurocurrency Rate Borrowing ~~or Adjusted Term SOFR Borrowing~~, in each case such Adjusted Eurocurrency Rate Borrowing or Adjusted Term SOFR Borrowing shall comprise an aggregate principal amount that is an integral multiple of \$100,000 and not less than \$1,000,000. Each ABR Borrowing when made shall comprise an aggregate principal amount that is an integral multiple of \$100,000 and not less than \$500,000; provided that an ABR Revolving Loan Borrowing may be made in a lesser aggregate principal amount that is (i) equal to the entire aggregate unused Revolving Credit Commitments or (ii) required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e). Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) different Interest Periods in effect for Adjusted Eurocurrency Rate Borrowings or Adjusted Term SOFR Borrowings at any time outstanding (or such greater number of different Interest Periods as the Administrative Agent may agree from time to time). Each Swingline Loans shall be an ABR Loan.

80

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not, nor shall it be entitled to, request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date applicable to the relevant Loans.

Section 2.03 Requests for Borrowings.

(a) Each Term Borrowing, each Revolving Loan Borrowing, each conversion of Term Loans or Revolving Loans from one Type to the other and each continuation of Adjusted Eurocurrency Rate Loans or Adjusted Term SOFR Loans shall be made upon notice by the Borrower to the Administrative Agent. Each such notice is irrevocable and must be in the form of a written Borrowing Request or Interest Election Request, as the case may be, appropriately completed and signed by a Responsible Officer of the Borrower or by telephone (and promptly confirmed by delivery of a written Borrowing Request or Interest Election Request, appropriately completed and signed by a Responsible Officer of the Borrower) and must be received by the Administrative Agent (by hand delivery, fax or other electronic transmission (including ".pdf" or ".tif")) not later than (i) 1:00 p.m. three Business Days prior to the requested day of any Borrowing or continuation of Adjusted Eurocurrency Rate Loans (or one Business Day in the case of any Term Borrowing that is an Adjusted Eurocurrency Rate Borrowing to be made on the Closing Date) or any conversion of ABR Loans to Adjusted Eurocurrency Rate Loans ~~and~~, (ii) 1:00 p.m. three U.S. Government Securities Business Days prior to the requested day of any Borrowing or continuation of Adjusted Term SOFR Loans or any conversion of ABR Loans to Adjusted Term SOFR Loans and (iii) 2:00 p.m. one Business Day prior to the requested date of any Borrowing of or conversion to ABR Loans (or, in each case, such later time as is acceptable to the Administrative Agent); provided, however, that if the Borrower wishes to request Adjusted Eurocurrency Rate Loans or Adjusted Term SOFR Loans having an Interest Period of other than one (1), ~~two (2)~~, three (3) or six (6) months in duration as provided in the definition of "Interest Period," (A) the applicable notice from the Borrower must be received by the Administrative Agent not later than 1:00 p.m. four (4) Business Days prior to the requested date of the relevant Borrowing, conversion or continuation (or such later time as is acceptable to the Administrative Agent), whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is available to them and (B) not later than 12:00 p.m. three Business Days before the requested date of the relevant Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower whether or not the requested Interest Period is available to the appropriate Lenders.

(b) If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Adjusted Eurocurrency Rate Borrowing or Adjusted Term SOFR Borrowing then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall advise each Lender of the details and amount of any Loan to be made as part of the requested Borrowing (i) in the case of any ABR Borrowing, on the same Business Day of receipt of a Borrowing Request in accordance with this Section or (ii) in the case of any Adjusted Eurocurrency Rate Borrowing or Adjusted Term SOFR Borrowing, no later than one (1) Business Day following receipt of a Borrowing Request in accordance with this Section. Notwithstanding any other provision of this Agreement, from and after the Fifth Amendment Closing Date, any Borrowing Request with respect to the Revolving Facility that elects the Adjusted Eurocurrency Rate shall be deemed instead to elect Adjusted Term SOFR.

Section 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time on and after the Closing Date, and until the earlier of the Initial Revolving Credit Maturity Date and the termination of the Initial Revolving Credit Commitment in accordance with the terms hereof, denominated in dollars, in an aggregate principal amount at any time outstanding that will not result in (i) the outstanding Swingline Loans of the Swingline Lender exceeding its Swingline Commitment or (ii) the aggregate Revolving Exposures exceeding the aggregate Revolving Credit Commitments, provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within

the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request by telephone (confirmed in writing) or by facsimile or electronic communication, if arrangements for doing so have been approved by the Swingline Lender (confirmed by telephone), not later than 1:00 p.m., New York time, on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and (x) if the funds are not to be credited to a general deposit account of the Borrower maintained with the Swingline Lender because the Borrower is unable to maintain a general deposit account with the Swingline Lender under applicable Requirements of Law, the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with Section 2.07, or (y) in the case of any Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(e), the identity of the Issuing Bank that made such LC Disbursement. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit accounts of the Borrower maintained with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(e), by remittance to the applicable Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 1:00 p.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (with references to 1:00 p.m. and 2:00 p.m., New York City time, in such Section being deemed to be references to 3:00 p.m., New York City time) (and Section 2.07 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear, provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

82

(d) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth (5th) Business Day following the date of the delivery thereof, provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

Section 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in each case in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.05, (A) from time to time on any Business Day during the period from the Closing Date to the earlier of (x) the third Business Day prior to the Latest Revolving Credit Maturity Date and (y) the termination of 100% of the Revolving Credit Commitments in accordance with this Agreement, upon the request of the Borrower, to issue Letters of Credit denominated in Dollars issued on sight basis only for the account of the Borrower and/or any Restricted Subsidiary (provided that the Borrower will be the applicant) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.05(b), and (B) to honor drafts under the Letters of Credit, and (ii) the Revolving Lenders severally agree to participate in the Letters of Credit issued under this Section 2.05(a) in accordance with the terms of Section 2.05(d).

83

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of any Letter of Credit, the Borrower shall deliver to the applicable Issuing Bank and the Administrative Agent, at least three (3) Business Days in advance of the requested date of issuance (or such shorter period as is acceptable to the applicable Issuing Bank or, in the case of any issuance to be made on the Closing Date, one Business Day prior to the Closing Date), a Letter of Credit Request. To request an amendment, extension or renewal of an outstanding Letter of Credit, (other than any automatic extension of a Letter of Credit permitted under Section 2.05(c)) the Borrower shall submit a Letter of Credit Request to the applicable Issuing Bank (with a copy to the Administrative Agent) at least three (3) Business Days in advance of the requested date of amendment, extension or renewal (or such shorter period as is acceptable to the applicable Issuing Bank). If requested by the applicable Issuing Bank in connection with any request for any Letter of Credit, the Borrower shall also submit a letter of credit application on such Issuing Bank's standard form. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. No Letter of Credit, letter of credit application or other document entered into by the Borrower with any Issuing Bank relating to any Letter of Credit shall contain any representation or warranty, covenant or event of default that is in direct conflict with this Agreement, and all representations and warranties, covenants and events of default set forth therein shall contain standards, qualifications, thresholds and exceptions for materiality or otherwise consistent with those set forth in this Agreement. No Letter of Credit may be issued, amended, extended or renewed unless (and on the issuance, amendment, extension or renewal of each Letter of Credit, the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, extension, or renewal (i) the LC Exposure does not exceed the Letter of Credit Sublimit, (ii) the portion of the LC Exposure attributable to Letters of Credit issued by any Issuing Bank does not exceed the LC Commitment of such Issuing Bank (unless otherwise agreed by such Issuing Bank) and (iii) (A) the Revolving Credit Exposure of any Lender does not exceed such Lender's Revolving Credit Commitment, (B) the aggregate amount of the Revolving Credit Exposure does not exceed the aggregate amount of the Revolving Credit Commitments then in effect and (C) if such Letter of Credit has a term that extends beyond the Maturity Date applicable to the Revolving Credit Commitments of any Class, the aggregate amount of the LC Exposure attributable to Letters of Credit expiring after such Maturity Date does not exceed the aggregate amount of the Revolving Credit Commitments then in effect that are scheduled to remain in effect after such Maturity Date.

(c) Expiration Date. No Letter of Credit shall expire later than the earlier of (i) the date that is one (1) year after the date of the issuance of such Letter of Credit and (ii) the date that is three (3) Business Days prior to the Latest Revolving Credit Maturity Date; provided that, any Letter of Credit may provide for the automatic extension thereof for any number of additional periods of up to one (1) year in duration (which additional periods shall not extend beyond the date referred to in the preceding clause (ii)) unless 100% of the then-available face amount thereof is Cash collateralized or backstopped on or before the date on which such Letter of Credit is extended beyond the date referred to in clause (ii) above pursuant to arrangements reasonably satisfactory to the relevant Issuing Bank).

(d) Participations. By the issuance of any Letter of Credit (or an amendment to any Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Revolving Lenders, the applicable Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Revolving Credit Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Revolving Credit Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section 2.05, or of any reimbursement payment that is required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of any Default or Event of Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any

(e) Reimbursement.

(i) If the applicable Issuing Bank makes any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to such Issuing Bank an amount equal to the amount of such LC Disbursement not later than 1:00 p.m. two (2) Business Days immediately following the date on which the Borrower receives notice of such LC Disbursement under paragraph (g) of this Section 2.05; provided, that the Borrower may, without satisfying the conditions to Borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Loan or a Swingline Loan (a "Letter of Credit Reimbursement Loan") in an equivalent amount and, to the extent so financed, the obligation of the Borrower to make such payment shall be discharged and replaced by the resulting Revolving Loan. The relevant Issuing Bank shall immediately notify the Administrative Agent of any payment made by the Borrower in accordance with the terms of the preceding sentence (without giving effect to the proviso therein). If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Revolving Credit Percentage thereof. No later than the date set forth in such notice, each Revolving Lender or Swingline Lender, as the case may be, shall pay to the Administrative Agent its Applicable Revolving Credit Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Revolving Lender or Swingline Lender, as the case may be, (and Section 2.07 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders and Swingline Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders or Swingline Lender, as the case may be. In the event that the Revolving Lenders or Swingline Lenders have made payments to the Administrative Agent pursuant to this paragraph to reimburse any Issuing Bank for the amount of any LC Disbursement, if the Administrative Agent receives any payment in respect of any LC Disbursement (or interest thereon) (whether directly from the Borrower or otherwise (including proceeds of cash collateral applied thereto)), the Administrative Agent shall promptly distribute such payment to the Revolving Lenders or the Swingline Lenders, as applicable, as their interests may appear.

(ii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the applicable Issuing Bank any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.05(e) by the time specified therein, such Issuing Bank shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of Federal Funds Effective Rate from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the applicable Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (ii) shall be conclusive absent manifest error.

(f) Obligations Absolute. The obligation of the Borrower to reimburse LC Disbursements as provided in paragraph of this Section 2.05 shall be absolute and unconditional and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision herein or therein, (ii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under any Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the obligations of the Borrower hereunder. Neither the Administrative Agent, the Revolving Lenders nor any Issuing Bank, nor any of their respective Related Parties shall have any liability or responsibility by reason of or in connection with the issuance, amendment or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank; provided that the foregoing shall not be construed to excuse such Issuing Bank from liability to the Borrower to the extent of any direct damages suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of applicable Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of any Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by electronic means) upon any LC Disbursement thereunder; provided that no delay in giving such notice shall relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement within the time period prescribed in Section 2.05(e).

(h) Interim Interest. If any Issuing Bank makes any LC Disbursement, unless the Borrower reimburses such LC Disbursement in full on the date such LC Disbursement has been made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement (or the date on which such LC Disbursement is reimbursed with the proceeds of Loans, as applicable), at the rate per annum then applicable to Initial Revolving Loans that are ABR Loans (or, to the extent of the participation in such LC Disbursement by any Revolving Lender of another Class, the rate per annum then applicable to the Revolving Loans of such other Class); provided that if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section 2.05, Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment and shall be payable on the date on which the Borrower is required to reimburse the applicable LC Disbursement in full (and, thereafter, on demand).

(i) Replacement or Resignation of an Issuing Bank or Designation of New Issuing Banks.

(i) Any Issuing Bank may be replaced with the consent of the Administrative Agent (not to be unreasonably withheld or delayed) and the Borrower at any time by written agreement among the Borrower, the Administrative Agent and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an Issuing Bank. At the time any such replacement becomes effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b)(ii). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of any Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(ii) The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and the relevant Revolving Lender, designate one or more additional Revolving Lenders to act as an issuing bank under the terms of this Agreement. Any Revolving Lender designated as an issuing bank pursuant to this paragraph (ii) who agrees in writing to such designation shall be deemed to be an "Issuing Bank" (in addition to being a Revolving Lender) in respect of Letters of Credit issued or to be issued by such Revolving Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other Issuing Bank and such Revolving Lender.

(iii) Notwithstanding anything to the contrary contained herein, any Issuing Bank may, upon 15 days' prior written notice to the Borrower, each other Issuing Bank and the Lenders, resign as Issuing Bank, which resignation shall be effective as of the date referenced in such notice (but in no event less than 15 days after the delivery of such written notice); it being understood that in the event of any such resignation, any Letter of Credit then outstanding shall remain outstanding (irrespective of whether any amount has been drawn at such time). In the event of any such resignation as an Issuing Bank, the Borrower shall be entitled to appoint any

Revolving Lender that accepts such appointment in writing as successor Issuing Bank. Upon the acceptance of any appointment as Issuing Bank hereunder, the successor Issuing Bank shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Issuing Bank, and the retiring Issuing Bank shall be discharged from its duties and obligations in such capacity hereunder. After the resignation of any Issuing Bank hereunder, the resigning Issuing Bank shall remain a party hereto and shall continue to have all rights (including all rights to payments pursuant to [Section 2.12\(b\)](#)) and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization.

(i) If any Event of Default exists and the Loans have been declared due and payable in accordance with [Article VII](#), then on the Business Day on which the Borrower receives notice from the Administrative Agent at the direction of the Required Revolving Lenders demanding the deposit of Cash collateral pursuant to this [paragraph \(i\)](#), the Borrower shall deposit, in an interest-bearing account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "LC Collateral Account"), an amount in Cash equal to 100% of the LC Exposure as of such date (minus the amount then on deposit in the LC Collateral Account); provided that the obligation to deposit such Cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in [Section 7.01\(f\)](#) or [\(g\)](#).

87

(ii) Any such deposit under [clause \(i\)](#) above shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations in accordance with the provisions of this [paragraph \(i\)](#). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the LC Collateral Account, and the Borrower hereby grants the Administrative Agent, for the benefit of the Secured Parties, a First Priority security interest in the LC Collateral Account. Interest or profits, if any, on such investments shall accumulate in the LC Collateral Account. Moneys in the LC Collateral Account shall be applied by the Administrative Agent to reimburse the applicable Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, subject to the consent of the Required Revolving Lenders, applied to satisfy other Secured Obligations. The amount of any Cash Collateral posted in accordance with the terms of this [Section 2.05\(i\)](#) (together with all interest and other earnings with respect thereto, to the extent not applied as aforesaid) shall be returned to the Borrower promptly but in no event later than three (3) Business Days after the Event of Default giving rise to the obligation to do so has been cured or waived (so long as no other Event of Default has occurred and is continuing).

Section 2.06 [Reserved].

Section 2.07 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder not later than (i) 1:00 p.m., in the case of Adjusted Eurocurrency Rate [Loans and Adjusted Term SOFR](#) Loans and (ii) 2:00 p.m., in the case of ABR Loans, in each case on the Business Day specified in the applicable Borrowing Request by wire transfer of immediately available funds to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's respective Applicable Percentage; provided that Swingline Loans shall be made as provided in [Section 2.04](#). The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to the account designated in the relevant Borrowing Request or as otherwise directed by the Borrower; provided that Revolving Loans made to finance the reimbursement of any LC Disbursement as provided in [Section 2.05\(e\)](#) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent has received notice from any Lender that such Lender will not make available to the Administrative Agent such Lender's share of any Borrowing prior to the proposed date of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with [paragraph \(a\)](#) of this Section and may, in reliance upon such assumption, make a corresponding amount available to the Borrower. In such event, if any Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent (without duplication) such corresponding amount with interest thereon forthwith on demand for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to the Loans comprising such Borrowing at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing, and the obligation of the Borrower to repay the Administrative Agent the corresponding amount pursuant to this [Section 2.07\(b\)](#) shall cease. If the Borrower pays such amount to the Administrative Agent, the amount so paid shall constitute a repayment of such Borrowing by such amount. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower or any other Loan Party may have against any Lender as a result of any default by such Lender hereunder.

88

Section 2.08 Type: Interest Elections.

(a) Each Borrowing shall initially be of the Type specified in the applicable Borrowing Request and, in the case of any Adjusted Eurocurrency Rate Borrowing [or Adjusted Term SOFR Borrowing](#), shall have the initial Interest Period specified in such Borrowing Request. Thereafter, the Borrower may elect to convert any Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of an Adjusted Eurocurrency Rate Borrowing [or Adjusted Term SOFR Borrowing](#), may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders based upon their respective Applicable Percentages, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this [Section 2.08](#), the Borrower shall deliver an Interest Election Request, in accordance with the terms of [Section 2.03\(a\)](#).

(c) Promptly following receipt of each Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(d) If the Borrower fails to deliver a timely Interest Election Request with respect to any Adjusted Eurocurrency Rate Borrowing [or Adjusted Term SOFR Borrowing](#) prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, such Borrowing shall be continued at the end of such Interest Period to an Adjusted Eurocurrency Rate Borrowing [or Adjusted Term SOFR Borrowing, as applicable](#), with an Interest Period of one month. Notwithstanding anything to the contrary herein, if an Event of Default exists and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as such Event of Default exists (i) no outstanding Borrowing may be converted to or continued as an Adjusted Eurocurrency Rate Borrowing and (ii) unless repaid, each Adjusted Eurocurrency Rate Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period applicable thereto.

Section 2.09 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Loan Commitments shall automatically terminate upon the making of the Initial Term Loans on the Closing Date, in the case of the First Amendment Incremental Term Loans, on the First Amendment Closing Date, or in the case of the 2021 Replacement Term Loans, on the Third Amendment Closing Date, or in the case of the Fourth Amendment Incremental Term Loans, on the Fourth Amendment Closing Date (ii) the Second Amendment Incremental Term Loan Commitments shall automatically terminate upon the making of the Second Amendment Incremental Term Loans on the Second Amendment Closing Date, (iii) the Initial Revolving Credit Commitments shall automatically terminate on the Initial Revolving Credit Maturity Date, (iv) the Additional Term Loan Commitments of any Class shall automatically terminate upon the making of the Additional Term Loans of such Class and, if any such Additional Term Loan Commitment is not drawn on the date that such Additional Term Loan Commitment is required to be drawn pursuant to the applicable Incremental Facility Agreement, Extension Amendment or Refinancing Amendment, as applicable, the undrawn amount thereof shall automatically terminate, and (v) the Additional Revolving Credit Commitments of any Class shall automatically terminate on the Maturity Date specified therefor in the applicable Incremental Facility Agreement, Extension Amendment or Refinancing Amendment, as applicable.

89

(b) Upon delivery of the notice required by Section 2.09(c), the Borrower may at any time terminate or from time to time reduce the Revolving Credit Commitments of any Class; provided that (i) each reduction of the Revolving Credit Commitments of any Class shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Credit Commitments of any Class if, after giving effect to any concurrent prepayment of Revolving Loans, the aggregate amount of the Revolving Credit Exposure attributable to the Revolving Credit Commitments of such Class would exceed the aggregate amount Revolving Credit Commitments of such Class; provided that, after the establishment of any Additional Revolving Credit Commitment, any such termination or reduction of the Revolving Credit Commitments of any Class shall be subject to the provisions set forth in Section 2.22, 2.23 and/or 9.02(c), as applicable.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce any Revolving Credit Commitment under paragraph (b) of this Section 2.09 in writing on or prior to the effective date of such termination or reduction (or such later date to which the Administrative Agent may agree), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Revolving Lenders of each applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that any such notice may state that it is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of any Revolving Credit Commitment pursuant to this Section 2.09 shall be permanent. Upon any reduction of any Revolving Credit Commitment, the Revolving Credit Commitment of each Revolving Lender of the relevant Class shall be reduced by such Revolving Lender's Applicable Percentage of the amount of such reduction.

(f) The entries made in the accounts maintained pursuant to paragraphs (d) and (e) of this Section shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein (absent manifest error); provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any manifest error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the accounts maintained by the Administrative Agent pursuant to paragraph (d) of this Section and any Lender's records, the accounts of the Administrative Agent shall govern.

Section 2.11 Prepayment of Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrower shall have the right at any time and from time to time to prepay any Borrowing of its Term Loans of any Class in whole or in part without premium or penalty (but subject (A) in the case of Borrowings of Initial Term Loans or Second Amendment Incremental Term Loans only, to Section 2.12(e) and (B) if applicable, to Section 2.16). Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages of the relevant Class.

(ii) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrower shall have the right at any time and from time to time to prepay any Borrowing of Revolving Loans of any Class in whole or in part without premium or penalty (but subject to Section 2.16); provided that after the establishment of any Additional Revolving Credit Commitment, any such prepayment of any Borrowing of Revolving Loans of any Class shall be subject to the provisions set forth in Section 2.22, 2.23 and/or 9.02(c), as applicable. provided, that to the extent the aggregate amount of internally generated cash actually utilized to finance such Permitted Acquisitions, Investments or Capital Expenditures during such succeeding 12-month period is less than the Contract Consideration or Planned Expenditures, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such Test Period, in each case, (I) to the extent such payments are made during such Fiscal Year or after the end of such Fiscal Year and prior to the date any payment in respect of Excess Cash Flow would be due under this Section 2.11(b)(i), (II) excluding any such optional prepayment made during such Fiscal Year that reduced the amount required to be prepaid pursuant to this Section 2.11(b)(i) in the prior Fiscal Year and (III) to the extent that the relevant prepayments were not financed with the proceeds of other Indebtedness (other than revolving Indebtedness) of the Borrower or its Restricted Subsidiaries; provided that no prepayment under this Section 2.11(b)(i) shall be required unless and to the extent the amount thereof would exceed \$20,000,000 after giving effect to the calculations and adjustments described in clauses (A) and (B) above.

93

(ii) No later than the tenth (10th) Business Day following the receipt of Net Proceeds in respect of any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds, the Borrower shall apply an amount equal to the Required Asset Sale Percentage of the Net Proceeds or Net Insurance/Condemnation Proceeds received with respect thereto in excess of the threshold specified in clause (B) of this Section 2.11(b)(ii) (collectively, the "Subject Proceeds") to prepay the outstanding principal amount of Subject Loans; provided that (A) if prior to the date any such prepayment is required to be made, the Borrower notifies the Administrative Agent of its intention to reinvest the Subject Proceeds (other than Subject Proceeds with respect to any Disposition consummated pursuant to Section 6.07(h)(B)) in the business of the Borrower or any of its subsidiaries (including any acquisition or other investment permitted hereunder but not in Cash or Cash Equivalents), then the Borrower shall not be required to make a mandatory prepayment under this clause (ii) in respect of the Subject Proceeds to the extent (x) the Subject Proceeds are so reinvested within 540 days following receipt thereof, or (y) the Borrower or any of its subsidiaries has committed to so reinvest the Subject Proceeds during such 540-day period and the Subject Proceeds are so reinvested within 180 days after the expiration of such 540-day period; it being understood that if the Subject Proceeds have not been so reinvested prior to the expiration of the applicable period, the Borrower shall promptly prepay the Subject Loans with the amount of Subject Proceeds not so reinvested as set forth above (without regard to the immediately preceding proviso) and (B) the obligation to make a prepayment under this

Section 2.11(b)(ii) shall only apply if and to the extent the aggregate amount of (I) Net Proceeds resulting from Prepayment Asset Sales and (II) Net Insurance/Condemnation Proceeds, in each case received by the Borrower and/or any Restricted Subsidiaries (x) for any such single transaction (or related transactions) exceeds \$10,000,000 and (y) in any Fiscal Year exceeds \$20,000,000 (with only the amount of Net Proceeds exceeding such amount for any single transaction (or related transactions) or in such Fiscal Year to be applied to make a prepayment under this Section 2.11(b)(ii)).

(iii) In the event that the Borrower or any of its Restricted Subsidiaries receives Net Proceeds from the issuance or incurrence of Indebtedness by the Borrower or any of its Restricted Subsidiaries (other than Indebtedness that is permitted to be incurred under Section 6.01, except to the extent the relevant Indebtedness constitutes (A) Refinancing Indebtedness incurred to refinance all or a portion of the Term Loans pursuant to Section 6.01(p), (B) Incremental Loans incurred to refinance all or a portion of the Term Loans pursuant to Section 2.22, (C) Replacement Term Loans incurred to refinance all or any portion of the Term Loans in accordance with the requirements of Section 9.02(c) and/or (D) Incremental Equivalent Debt incurred to refinance all or a portion of the Loans in accordance with the requirements of Section 6.01(z)), the Borrower or the relevant Restricted Subsidiary shall, substantially simultaneously with (and in any event not later than the next succeeding Business Day) the receipt of such Net Proceeds by the relevant Person, apply an amount equal to 100% of such Net Proceeds to prepay the outstanding principal amount of the relevant Term Loans in accordance with clause (iv) below.

(iv) Notwithstanding anything in this Section 2.11(b) to the contrary:

(A) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i) or (ii) above to the extent that the relevant affected Excess Cash Flow is attributable to any Foreign Subsidiary or the relevant Subject Proceeds are received by any Foreign Subsidiary, as the case may be, for so long as the repatriation to the Borrower of any such amount would be prohibited, delayed or restricted under any Requirement of Law or conflict with the fiduciary duties of such Foreign Subsidiary's directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Foreign Subsidiary (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable Requirements of Law to permit such repatriation or to remove such prohibition); it being understood and agreed that if the repatriation of the relevant affected Excess Cash Flow or Subject Proceeds, as the case may be, is permitted under the applicable Requirement of Law and, to the extent applicable, would no longer conflict with the fiduciary duties of such director, or result in, or be reasonably expected to result in, a material risk of personal or criminal liability for the Persons described above, in either case, within 540 days following the end of the applicable Excess Cash Flow Period or the event giving rise to the relevant Subject Proceeds, an amount equal to the relevant Excess Cash Flow or Subject Proceeds, as the case may be, will be promptly applied (net of additional Taxes that would be payable or reserved against as a result of repatriating such amounts) to the repayment of the Term Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)),

94

(B) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i) or (ii) to the extent that the relevant Excess Cash Flow is generated by any joint venture or the relevant Subject Proceeds are received by any joint venture, in each case, for so long as the distribution to the Borrower of such Excess Cash Flow or Subject Proceeds would be prohibited, delayed or restricted under the Organizational Documents governing such joint venture; it being understood and agreed that if the relevant prohibition ceases to exist within the 540-day period following the end of the applicable Excess Cash Flow Period or the event giving rise to the relevant Subject Proceeds, the relevant joint venture will promptly distribute the relevant Excess Cash Flow or the relevant Subject Proceeds, as the case may be, and the distributed Excess Cash Flow or Subject Proceeds, as the case may be, will be promptly (and in any event not later than two Business Days after such distribution) applied to the repayment of the Term Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)), and

(C) if the Borrower determines in good faith that the repatriation to the Borrower as a distribution or dividend of any amounts required to mandatorily prepay the Term Loans pursuant to Sections 2.11(b)(i) or (ii) above that are attributable to any Foreign Subsidiary would result in a material adverse Tax liability (including any withholding Tax) (such amount, a "Restricted Amount"), the amount that the Borrower shall be required to mandatorily prepay pursuant to Sections 2.11(b)(i) or (ii) above, as applicable, shall be reduced by the Restricted Amount; provided that to the extent that the repatriation of the relevant Subject Proceeds or Excess Cash Flow from the relevant Foreign Subsidiary would no longer have a material adverse tax consequence within the 540-day period following the event giving rise to the relevant Subject Proceeds or the end of the applicable Excess Cash Flow Period, as the case may be, an amount equal to the Subject Proceeds or Excess Cash Flow, as applicable and to the extent available, not previously applied pursuant to this clause (C), shall be promptly applied to the repayment of the Term Loans pursuant to Section 2.11(b) as otherwise required above (net of additional Taxes that would be payable or reserved against as a result of repatriating such amounts),

(v) Any Term Lender may elect, by notice to the Administrative Agent at or prior to the time and in the manner specified by the Administrative Agent, prior to any prepayment of Term Loans required to be made by the Borrower pursuant to this Section 2.11(b), to decline all (but not a portion) of its Applicable Percentage of such prepayment (such declined amounts, the "Declined Proceeds"), in which case such Declined Proceeds shall be applied to any mandatory prepayment, repurchase or redemption required under the Second Lien Credit Agreement or the documentation governing any other Indebtedness in excess of the Threshold Amount; provided that (A) in the event that any lender under the Second Lien Credit Agreement (or such other Indebtedness) elects to decline receipt of such Declined Proceeds in accordance with the terms of the Second Lien Credit Agreement (or the documentation governing such other Indebtedness), the remaining amount thereof may be retained by the Borrower and (B) that for the avoidance of doubt, no Lender may reject any prepayment made under Section 2.11(b)(iii) above to the extent that such prepayment is made with the Net Proceeds of (w) Refinancing Indebtedness incurred to refinance all or a portion of the Term Loans pursuant to Section 6.01(p), (x) Incremental Loans incurred to refinance all or a portion of the Term Loans pursuant to Section 2.22, (y) Replacement Term Loans incurred to refinance all or any portion of the Term Loans in accordance with the requirements of Section 9.02(c) and/or (z) Incremental Equivalent Debt incurred to finance all or a portion of the Loans in accordance with the requirements of Section 6.01(z). If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its Applicable Percentage of any mandatory prepayment within the time frame specified by the Administrative Agent, such failure will be deemed to constitute an acceptance of such Lender's Applicable Percentage of the total amount of such mandatory prepayment of Term Loans.

95

(vi) Except as otherwise provided in any Refinancing Amendment, any Incremental Facility Agreement or any Extension Amendment, and subject to the last sentence of this Section 2.11(b)(vi), each prepayment of Term Loans pursuant to this Section 2.11(b) shall be applied ratably to each Class of Term Loans then outstanding irrespective of whether such Term Loan is an ABR Loan or an Adjusted Eurocurrency Rate Loan (provided that any prepayment of Term Loans with the Net Proceeds of any Refinancing Indebtedness and/or any Incremental Term Facility or Replacement Term Loans incurred for the purpose of refinancing or replacing such Term Loans shall be applied to the applicable Class of Term Loans being refinanced or replaced) other than with respect to Lenders holding a Class of Term Loans that have agreed to receive less than a pro rata share of such prepayments. With respect to each Class of Term Loans, all prepayments accepted under this Section 2.11(b) shall be applied against the remaining scheduled installments of principal due in respect of such Class of Term Loans as directed by the Borrower (or, in the absence of direction from the Borrower, to the remaining scheduled amortization payments in respect of such Class of Term Loans in direct order of maturity), and each such prepayment shall be paid to the Term Lenders of such Class in accordance with their respective Applicable Percentages of the applicable Class. If no Lender exercises its right to decline its Applicable Percentage of a given mandatory prepayment made pursuant to Section 2.11(b)(v), then with respect to such prepayment, the amount of such prepayment shall be applied first to the then outstanding Term Loans that are ABR Loans to the full extent thereof before application to the outstanding Term Loans that are Adjusted Eurocurrency Rate Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.16.

(vii) Prepayments made under this Section 2.11(b) shall be (A) accompanied by accrued interest as required by Section 2.13, (B) subject to Section 2.16 and (C) in the case of prepayments of Initial Term Loans or Second Amendment Incremental Term Loans under clause (iii) above as part of a Repricing Transaction, subject to Section 2.12(e), but shall otherwise be without premium or penalty.

(viii) Notwithstanding anything herein to the contrary, if, at the time that any prepayment would be required under Section 2.11(b)(i) or (ii), the Borrower or any of its Restricted Subsidiaries is required to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured on a pari passu basis with the Subject Loans pursuant to the terms of the documentation governing such Indebtedness with the Subject Proceeds (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the "Other Applicable Indebtedness"), then the relevant Person may apply the Subject Proceeds on a pro rata basis to the prepayment of the Subject Loans and to the repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Subject Loans and the Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time); it being understood that (1) the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof (and the remaining amount, if any, of the Subject Proceeds shall be allocated to the Subject Loans in accordance with the terms hereof), and the amount of the prepayment of the Subject Loans that would have otherwise been required pursuant to Section 2.11(b)(i) or (ii) shall be reduced accordingly and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Subject Loans in accordance with the terms hereof (without giving effect to this Section 2.11(b)(viii)).

Section 2.12 Fees and Premium.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Initial Revolving Lender (other than any Defaulting Lender) a commitment fee, which shall accrue at a rate equal to the Commitment Fee Rate per annum applicable to the Initial Revolving Credit Commitments on the average daily amount of the unused Initial Revolving Credit Commitment of such Revolving Lender during the period from and including the Closing Date to the date on which such Initial Revolving Lender's Initial Revolving Credit Commitment terminates. Accrued commitment fees shall be payable in arrears on the **fifteenth day after the last Business Day** of each March, June, September and December commencing with December 2019 for the quarterly period then ended (or, in the case of the payment to be made in December 2019, for the period from the Closing Date to December 31, 2019), and on the date on which the Initial Revolving Credit Commitment terminates. For purposes of calculating the commitment fee only, the Initial Revolving Credit Commitment of any Initial Revolving Lender shall be deemed to be used to the extent of Initial Revolving Loans of such Class of such Initial Revolving Lender and the LC Exposure of such Initial Revolving Lender attributable to its Initial Revolving Credit Commitment of such Class (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender of any Class a participation fee with respect to its participations in Letters of Credit issued at the request of the Borrower, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Revolving Loans of such Class that are Adjusted Eurocurrency Rate Loans or **Adjusted Term SOFR Loans, as applicable**, on the daily face amount of such Lender's LC Exposure that is attributable to its Revolving Credit Commitment of such Class (excluding any portion thereof that is attributable to unreimbursed LC Disbursements), during the period from and including the Closing Date to the earlier of (A) the later of the date on which such Revolving Lender's Revolving Credit Commitment of such Class terminates and the date on which such Revolving Lender ceases to have any LC Exposure that is attributable to its Revolving Credit Commitment of such Class and (B) the Termination Date, and (ii) to each Issuing Bank, for its own account, a fronting fee, in respect of each Letter of Credit issued by such Issuing Bank for the period from the date of issuance of such Letter of Credit to the earliest of (A) the expiration date of such Letter of Credit, (B) the date on which such Letter of Credit terminates and (C) the Termination Date, computed at a rate equal to the rate agreed by such Issuing Bank and the Borrower (but in any event not to exceed 0.125% per annum) of the daily face amount of such Letter of Credit, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees shall accrue to but excluding the last Business Day of each March, June, September and December and be payable in arrears for the quarterly period then ended on the ~~third (3rd) Business Day~~ **fifteenth Day** following the last **Business Day** of each March, June, September and December (commencing, if applicable, December 31, 2019 (it being understood that such payment shall be with respect to the period from the Closing Date to December 31, 2019)); **provided** that all such fees shall be payable on the date on which the Revolving Credit Commitments of the applicable Class terminate. Any fee other than the participation fee and the fronting fee described above that is payable to any Issuing Bank pursuant to this paragraph shall be payable within 30 days after receipt of a written demand (accompanied by reasonable back-up documentation) therefor.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, the annual administration fee described in the Fee Letter.

(d) All fees payable hereunder shall be paid on the dates due and in immediately available funds to the Administrative Agent (or to the applicable Issuing Bank, in the case of any fee payable to any Issuing Bank). Fees paid shall not be refundable under any circumstances except as otherwise provided in the Fee Letter. Fees payable hereunder shall accrue through and including the last day of the month immediately preceding the applicable fee payment date.

(e) In the event that, on or prior to the date that is six (6) months after the Third Amendment Closing Date, the Borrower (A) prepays, repays, refinances, substitutes or replaces any Initial Term Loans (including 2021 Replacement Term Loans or Fourth Amendment Incremental Term Loans) in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.11(b)(iii) that constitutes a Repricing Transaction) or (B) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Initial Term Lender, (i) in the case of clause (A), a premium of 1.00% of the aggregate principal amount of the Initial Term Loans (including Fourth Amendment Incremental Term Loans) so prepaid, repaid, refinanced, substituted or replaced and (ii) in the case of clause (B), a fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans (including Fourth Amendment Incremental Term Loans) that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six (6) months after the Third Amendment Closing Date, all or any portion of the Initial Term Loans (including Fourth Amendment Incremental Term Loans) held by any Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19(b)(iv) as a result of, or in connection with, such Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment in connection with a Repricing Transaction, such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction in Dollars and in immediately available funds.

(f) Unless otherwise indicated herein, all computations of fees shall be made on the basis of a 360-day year and shall be payable for the actual days elapsed (including the first day but excluding the last day). The determination by the Administrative Agent of the amount of any fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.13 Interest.

(a) The Term Loans and Revolving Loans that comprise each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Term Loans ~~and Revolving Loans~~ that comprise each Adjusted Eurocurrency Rate Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) ~~The Revolving Loans that comprise each Adjusted Term SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate.~~

(~~e~~) Notwithstanding the foregoing, upon the occurrence of a Specified Event of Default, for so long as any principal of or interest on any Term Loan, Revolving Loan or any LC Disbursement or any fee payable by the Borrower hereunder is not, in each case, paid or reimbursed, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by applicable Requirements of Law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Term Loan, Revolving Loan or unreimbursed LC Disbursement, 2.00% plus the rate otherwise applicable to such Term Loan, Revolving Loan or LC Disbursement as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other amount (including overdue interest), 2.00% plus the rate applicable to Revolving Loans that are ABR Loans as provided in paragraph (a) of this Section 2.13; **provided** that no amount shall accrue pursuant to this Section 2.13(~~e~~) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount that is payable to any Defaulting Lender so long as such Lender is a Defaulting Lender.

(~~e~~) Accrued interest on each Term Loan or Revolving Loan borrowed by the Borrower shall be payable by the Borrower in arrears on each Interest Payment Date for such Term Loan or Revolving Loan and (i) on the Maturity Date applicable to such Loan and (ii) in the case of a Revolving Loan of any Class, upon termination of the Revolving Credit Commitments of such Class; **provided** that (A) interest accrued pursuant to paragraph (~~e~~) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Term Loan or Revolving Loan (other than an ABR Revolving Loan of any Class prior to the termination of the Revolving Credit Commitments of such Class), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Adjusted Eurocurrency Rate Loan or **Adjusted Term SOFR Loan** prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(~~f~~) All interest hereunder shall be computed on the basis of a year of 360 days (except that interest computed by reference to the Alternate Base Rate shall be on the basis of a year of 365 or 366 days, as applicable) and actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, **Adjusted Term SOFR**, and Adjusted Eurocurrency Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall accrue on each Loan for the day on which the Loan is made and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is

paid; provided that any Loan that is repaid on the same day on which it is made shall bear interest for one day.

(fg) The interest rate on Adjusted Eurocurrency Rate Loans is determined by reference to the Eurocurrency Rate, which is derived from the London interbank offered rate. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of Screen Rate or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.14(b), will be similar to, or produce the same value or economic equivalence of, the Eurocurrency Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

Section 2.14 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for an Adjusted Eurocurrency Rate Borrowing or Adjusted Term SOFR Borrowing:

- (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate or Adjusted Term SOFR (including because the Term SOFR Reference Rate or the Screen Rate is not available or published on a current basis) for such Interest Period; or
- (ii) the Administrative Agent is advised by the Required Lenders that the Adjusted Eurocurrency Rate or Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, teletype or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an Adjusted Eurocurrency Rate Borrowing or an Adjusted Term SOFR Borrowing shall be ineffective and (B) if any Borrowing Request requests an Adjusted Eurocurrency Rate Borrowing or an Adjusted Term SOFR Borrowing, such Borrowing shall be made as an ABR Borrowing.

99

(b) ~~#Term Facility LIBOR Replacement Setting~~. Notwithstanding the foregoing, solely with respect to the Term Facility, if at any time the Borrower or the Administrative Agent reasonably determines in good faith, with consent by the other not to be unreasonably withheld, that (i) the circumstances set forth in ~~clause Section 2.14(a)(i)~~ have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in ~~clause Section 2.14(a)(i)~~ have not arisen but either (w) the supervisor for the administrator of the Screen Rate has made a public statement that the administrator of the Screen Rate is insolvent (and there is no successor administrator that will continue publication of the Screen Rate), (x) the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the Screen Rate), (y) the supervisor for the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall either (A) endeavor to establish an alternate rate of interest to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including to treat pricing in accordance with prevailing market convention or as recommended by the relevant Governmental Authority, but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate) or (B) if a Market Convention Rate is not available in the reasonable determination of the Administrative Agent and the Borrower acting in good faith, an alternate rate, established by the Administrative Agent and the Borrower, in which case, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including to treat pricing in accordance with prevailing market convention or as recommended by the relevant Governmental Authority, but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders of each Class stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii)(w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 2.14(b), only to the extent the Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an Adjusted Eurocurrency Borrowing shall be ineffective and (y) if any Borrowing Request requests an Adjusted Eurocurrency Rate Borrowing, such Borrowing shall be made as an ABR Borrowing.

(c) Revolving Facility Benchmark Replacement Setting.

(i) Revolving Facility Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, solely with respect to the Initial Revolving Facility, if a Revolving Facility Benchmark Transition Event and its related Revolving Facility Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then current Revolving Facility Benchmark, then (x) if a Revolving Facility Benchmark Replacement is determined in accordance with clause (a) of the definition of "Revolving Facility Benchmark Replacement" for such Revolving Facility Benchmark Replacement Date, such Revolving Facility Benchmark Replacement will replace such Revolving Facility Benchmark for all purposes hereunder and under any Loan Document in respect of such Revolving Facility Benchmark setting and subsequent Revolving Facility Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Revolving Facility Benchmark Replacement is determined in accordance with clause (b) of the definition of "Revolving Facility Benchmark Replacement" for such Revolving Facility Benchmark Replacement Date, such Revolving Facility Benchmark Replacement will replace such Revolving Facility Benchmark for all purposes hereunder and under any Loan Document in respect of any Revolving Facility Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth Business Day after the date notice of such Revolving Facility Benchmark Replacement is provided to the Initial Revolving Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Revolving Facility Benchmark Replacement from Lenders comprising the Required Revolving Lenders. If the Revolving Facility Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

100

(ii) Revolving Facility Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Revolving Facility Benchmark Replacement, the Administrative Agent will have the right to make Revolving Facility Benchmark Replacement Conforming Changes in consultation with the Borrower from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Revolving Facility Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Revolving Facility Benchmark Replacement and (ii) the effectiveness of any Revolving Facility Benchmark Replacement Conforming Changes. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Revolving Facility Benchmark pursuant to Section 2.14(c)(iv) and (y) the commencement of any Revolving Facility Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14(c).

(iv) Unavailability of Tenor of Revolving Facility Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Revolving Facility Benchmark Replacement), (i) if any then-current Revolving Facility Benchmark is a term rate and either (A) any tenor for such Revolving Facility Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Revolving Facility Benchmark has provided a public statement or publication of information announcing that any tenor for such Revolving Facility Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Revolving Facility Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Revolving Facility Benchmark (including a Revolving Facility Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Revolving Facility Benchmark (including a Revolving Facility Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Revolving Facility Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Revolving Facility Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Revolving Facility Benchmark Unavailability Period with respect to a given Revolving Facility Benchmark or Adjusted Term SOFR Borrowing, (i) the Borrower may revoke any pending request for an Adjusted Term SOFR Borrowing, conversion to or continuation of Adjusted Term SOFR Loans, in each case, to be made, converted or continued during any Revolving Facility Benchmark Unavailability Period and, failing that, in the case of any request for any affected Adjusted Term SOFR Borrowing, if applicable, the Borrower will be deemed to have converted any such request into a request for an ABR Borrowing or conversion to ABR Loans in the amount specified therein, (ii) any outstanding affected Adjusted Term SOFR Loans, if applicable, will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16. During a Revolving Facility Benchmark Unavailability Period with respect to any Revolving Facility Benchmark or at any time that a tenor for any then-current Revolving Facility Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Revolving Facility Benchmark that is the subject of such Revolving Facility Benchmark Unavailability Period or such tenor for such Revolving Facility Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

Capitalized terms used in the foregoing Section 2.14(c) but not otherwise defined herein shall have the following meanings:

"Available Tenor" means, as of any date of determination and with respect to the then-current Revolving Facility Benchmark, as applicable, (x) if such Revolving Facility Benchmark is a term rate, any tenor for such Revolving Facility Benchmark (or component thereof) that is or may be used for determining the length of an Interest Period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Revolving Facility Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Revolving Facility Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such Revolving Facility Benchmark that is then-removed from the definition of "Interest Period" pursuant to Section 2.14(c)(iv).

"Daily Simple SOFR" means, for any day (a "SOFR Rate Day"), a rate per annum equal to SOFR for the day (such day "SOFR Determination Date") that is five (5) U.S. Government Securities Business Days prior to (i) if such SOFR Rate Day is a U.S. Government Securities Business Day, such SOFR Rate Day or (ii) if such SOFR Rate Day is not a U.S. Government Securities Business Day, the U.S. Government Securities Business Day immediately preceding such SOFR Rate Day, in each case, as such SOFR is published by the SOFR Administrator on the SOFR Administrator's Website. Any change in Daily Simple SOFR due to a change in SOFR shall be effective from and including the effective date of such change in SOFR without notice to the Borrower. If by 5:00 p.m. (New York City time) on the second (2nd) U.S. Government Securities Business Day immediately following any SOFR Determination Date, SOFR in respect of such SOFR Determination Date has not been published on the SOFR Administrator's Website and a Revolving Facility Benchmark Replacement Date with respect to the Daily Simple SOFR has not occurred, then SOFR for such SOFR Determination Date will be SOFR as published in respect of the first preceding U.S. Government Securities Business Day for which such SOFR was published on the SOFR Administrator's Website.

"Reference Time" with respect to any setting of the then-current Benchmark means (1) if such Benchmark is the Term SOFR Reference Rate, 5:00 a.m. (Chicago time) on the day that is two U.S. Government Securities Business Days preceding the date of such setting, (2) if such Benchmark is Daily Simple SOFR, then four U.S. Government Securities Business Days prior to such setting or (3) if such Benchmark is none of the Term SOFR Reference Rate or Daily Simple SOFR, the time determined by the Administrative Agent in its reasonable discretion.

"Revolving Facility Benchmark" means, initially, with respect to any Obligations, interest, fees, commissions or other amounts denominated in, or calculated solely with respect to the Initial Revolving Facility, the Term SOFR Reference Rate; provided that if a Revolving Facility Benchmark Transition Event, and the related Revolving Facility Benchmark Replacement Date, have occurred with respect to the applicable then-current Revolving Facility Benchmark, then "Revolving Facility Benchmark" means, with respect to such Obligations, interest, fees, commissions or other amounts, the applicable Revolving Facility Benchmark Replacement to the extent that such Revolving Facility Benchmark Replacement has replaced such prior Revolving Facility Benchmark rate pursuant to Section 2.14(c).

"Revolving Facility Benchmark Replacement" means, with respect to any Revolving Facility Benchmark Transition Event for any then-current Revolving Facility Benchmark, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Revolving Facility Benchmark Replacement Date:

(a) Daily Simple SOFR (with all interest payments being payable on a monthly basis); or

(b) the sum of: (i) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for such Revolving Facility Benchmark giving due consideration to (A) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for such Revolving Facility Benchmark for syndicated credit facilities denominated in Dollars at such time and (ii) the related Revolving Facility Benchmark Replacement Adjustment;

provided that, solely with respect to the Initial Revolving Facility, the Revolving Facility Benchmark Replacement as determined pursuant to clause (a) or (b) above shall not be less than 0.00% per annum.

"Revolving Facility Benchmark Replacement Adjustment" means, with respect to any replacement of any then-current Revolving Facility Benchmark with an Unadjusted Revolving Facility Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero), that has been selected by the Administrative Agent and the Borrower giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Revolving Facility Benchmark with the applicable Unadjusted Revolving Facility Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Revolving Facility Benchmark with the applicable Unadjusted Revolving Facility Benchmark Replacement for syndicated credit facilities denominated in Dollars at such time.

"Revolving Facility Benchmark Replacement Conforming Changes" means, with respect to either the use or administration of Term SOFR or the use, administration, adoption or implementation of any Revolving Facility Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Alternate Base Rate," the definition of "Business Day", the definition of "U.S. Government Securities Business Day", the definition of "Interest Period" or any similar or analogous definition (or the addition of a concept of "interest period"), timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of Section 2.16 and other technical, administrative or operational matters) that the Administrative Agent, in consultation with the Borrower, decides may be appropriate to reflect the adoption and implementation of any such rate or to permit the use and administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent reasonably decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent reasonably determines that no market practice for the administration of any such rate exists, in such other manner of administration as the Administrative Agent, in consultation with the Borrower, decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

"Revolving Facility Benchmark Replacement Date" means a date and time determined by the Administrative Agent, in consultation with the Borrower, which date shall be no later than the earliest to occur of the following events with respect to the then-current Revolving Facility Benchmark:

(a) in the case of clause (a) or (b) of the definition of "Revolving Facility Benchmark Transition Event", the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Revolving Facility Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Revolving Facility Benchmark (or such component thereof); or

- (b) in the case of clause (c) of the definition of "Revolving Facility Benchmark Transition Event", the first date on which such Revolving Facility Benchmark (or the published component used in the calculation thereof) has been, or, if such Revolving Facility Benchmark is a term rate, all Available Tenors of such Revolving Facility Benchmark (or component thereof) have been, determined and announced by the regulatory supervisor for the administrator of such Revolving Facility Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if such Revolving Facility Benchmark (or component thereof) or, if such Revolving Facility Benchmark is a term rate, any Available Tenor of such Revolving Facility Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Revolving Facility Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Revolving Facility Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the "Revolving Facility Benchmark Replacement Date" will be deemed to have occurred in the case of clause (a) or (b) with respect to any Revolving Facility Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Revolving Facility Benchmark (or the published component used in the calculation thereof).

"Revolving Facility Benchmark Transition Event" means, with respect to the then-current Revolving Facility Benchmark, the occurrence of one or more of the following events with respect to such Revolving Facility Benchmark:

- (a) a public statement or publication of information by or on behalf of the administrator of such Revolving Facility Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Revolving Facility Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Revolving Facility Benchmark (or such component thereof) or, if such Revolving Facility Benchmark is a term rate, any Available Tenor of such Revolving Facility Benchmark (or such component thereof);

104

- (b) a public statement or publication of information by the regulatory supervisor for the administrator of such Revolving Facility Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, the Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such Revolving Facility Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Revolving Facility Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Revolving Facility Benchmark (or such component), which states that the administrator of such Revolving Facility Benchmark (or such component) has ceased or will cease to provide such Revolving Facility Benchmark (or such component thereof) or, if such Revolving Facility Benchmark is a term rate, all Available Tenors of such Revolving Facility Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Revolving Facility Benchmark (or such component thereof) or, if such Revolving Facility Benchmark is a term rate, any Available Tenor of such Revolving Facility Benchmark (or such component thereof); or

- (c) a public statement or publication of information by the regulatory supervisor for the administrator of such Revolving Facility Benchmark (or the published component used in the calculation thereof) announcing that such Revolving Facility Benchmark (or such component thereof) or, if such Revolving Facility Benchmark is a term rate, all Available Tenors of such Revolving Facility Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a "Revolving Facility Benchmark Transition Event" will be deemed to have occurred with respect to any Revolving Facility Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Revolving Facility Benchmark (or the published component used in the calculation thereof).

"Revolving Facility Benchmark Unavailability Period" means, with respect to any then-current Revolving Facility Benchmark, the period (if any) (a) beginning at the time that a Revolving Facility Benchmark Replacement Date with respect to such Revolving Facility Benchmark has occurred if, at such time, no Revolving Facility Benchmark Replacement has replaced such Revolving Facility Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14(c) and (b) ending at the time that a Revolving Facility Benchmark Replacement has replaced such Revolving Facility Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14(c).

"Relevant Governmental Body" means the Federal Reserve Board or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board or the Federal Reserve Bank of New York, or any successor thereto.

"Unadjusted Revolving Facility Benchmark Replacement" means the Revolving Facility Benchmark Replacement Rate excluding the related Revolving Facility Benchmark Replacement Adjustment.

105

Section 2.15 Increased Costs.

- (a) If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate) or Issuing Bank;

(ii) subjects any Lender or Issuing Bank to any Taxes (other than (A) Indemnified Taxes, (B) Other Taxes and (C) Excluded Taxes) on or with respect to its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) imposes on any Lender or Issuing Bank or the London interbank market any other condition (other than Taxes) affecting this Agreement or Adjusted Eurocurrency Rate Loans or Adjusted Term SOFR Loans, as applicable, made by any Lender or any Letter of Credit or participation therein; and the result of any of the foregoing is to increase the cost to the relevant Lender of making or maintaining any Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loans (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise) in respect of any Adjusted Eurocurrency Rate Loan or Letter of Credit in an amount deemed by such Lender or Issuing Bank to be material;

then, within 30 days after the Borrower's receipt of the certificate contemplated by paragraph (c) of this Section 2.15, the Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered; provided that the Borrower shall not be liable for such compensation if (x) the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto, (y) such Lender invokes Section 2.20 or (z) in the case of any request for reimbursement under clause (iii) above resulting from a market disruption, (A) the relevant circumstances do not generally affect the banking market or (B) the applicable request has not been made by Lenders constituting Required Lenders.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law other than due to Taxes (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then within 30 days of receipt by the Borrower of the certificate contemplated by paragraph (c) of this Section 2.15 the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Any Lender or Issuing Bank requesting compensation under this Section 2.15 shall be required to deliver a certificate to the Borrower that (i) sets forth the amount or amounts necessary to compensate such Lender or Issuing Bank or the holding company thereof, as applicable, as specified in paragraph (a) or (b) of this Section 2.15, (ii) sets forth, in reasonable detail, the manner in which such amount or amounts were determined and (iii) certifies that such Lender or Issuing Bank is generally charging such amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided, however that the Borrower shall not be required to compensate any Lender or any Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the conversion or prepayment of any principal of any Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan other than on the last day of an Interest Period applicable thereto (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise), (b) the failure to borrow, convert, continue or prepay any Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan on the date or in the amount specified in any notice delivered pursuant hereto or (c) the assignment of any Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan of any Lender other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense incurred by such Lender that is attributable to such event (other than loss of profit). In the case of any Adjusted Eurocurrency Rate Loan, the loss, cost or expense of any Lender shall be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred at the Adjusted Eurocurrency Rate that would have been applicable to such Loan for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurodollar market; it being understood that such loss, cost or expense shall in any case exclude any interest rate floor and all administrative, processing or similar fees. Any Lender requesting compensation under this Section 2.16 shall be required to deliver a certificate to the Borrower that (A) sets forth any amount or amounts that such Lender is entitled to receive pursuant to this Section, the basis therefor and, in reasonable detail, the manner in which such amount or amounts were determined and (B) certifies that such Lender is generally charging the relevant amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.17 Taxes.

(a) All payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If any applicable Requirement of Law (as determined in the good faith discretion of the applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then (i) if such Tax is an Indemnified Tax and/or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) each Lender (or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no deductions or withholdings for Indemnified Taxes and/or Other Taxes been made, (ii) the applicable Withholding Agent shall make such deductions and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law, or, at the option of the Administrative Agent, timely reimburse it for the payment of any Other Taxes.

(b) The Borrower shall indemnify the Administrative Agent and each Lender within 30 days after receipt of the certificate described in the succeeding sentence, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), other than any interest or penalties determined by a final and non-appealable judgment of a court of competent jurisdiction (or documented in any settlement agreement) to have resulted from the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender, and, in each case, any reasonable expenses arising therefrom or with respect thereto (whether or not correctly or legally imposed or asserted); provided that if the Borrower reasonably believes that such Taxes were not correctly or legally asserted, the Administrative Agent or such Lender, as applicable, will use reasonable efforts to cooperate with the Borrower to obtain a refund of such Taxes (which shall be repaid to the Borrower in accordance with Section 2.17(f)) so long as such efforts would not, in the sole determination of the Administrative Agent or such Lender, result in any additional out-of-pocket costs or expenses not reimbursed by the Borrower or be otherwise materially disadvantageous to the Administrative Agent or such Lender, as applicable. In connection with any request for reimbursement under this Section 2.17(b), the relevant Lender or the Administrative Agent, as applicable, shall deliver a certificate to the Borrower setting forth, in reasonable detail, the basis and calculation of the amount of the relevant payment or liability, which shall be conclusive absent manifest error. Notwithstanding anything to the contrary contained in this Section 2.17(b), the Borrower shall not be required to indemnify the Administrative Agent or any Lender pursuant to this Section 2.17(b) for any amount to the extent the Administrative Agent or such Lender fails to notify the Borrower of the relevant possible indemnification claim within 180 days after the Administrative Agent or such Lender receives written notice from the applicable taxing authority of the specific tax assessment giving rise to such indemnification claim.

(c) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand thereof, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.05(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph.

(d) As soon as practicable after any payment of any Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment that is reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payment made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation as the Borrower or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(ii) Without limiting the generality of the foregoing,

(A) each Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two executed original copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, two executed original copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing any available exemption from, or reduction of, U.S. federal withholding Tax;

(2) two executed original copies of IRS Form W-8ECI;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) two executed original copies of a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments payable to such Lender are effectively connected with the conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) two executed original copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent any Foreign Lender is not the beneficial owner (e.g., where the Foreign Lender is a partnership or participating Lender), two executed original copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2, Exhibit L-3 or Exhibit L-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if such Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct or indirect partner;

109

(C) each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two executed original copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to any Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation as is prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any documentation it previously delivered pursuant to this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Notwithstanding anything to the contrary in this Section 2.17(e), no Lender shall be required to provide any documentation that such Lender is not legally eligible to deliver.

Each Lender authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 2.17(e).

(f) If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to the Borrower pursuant to this paragraph (f) to the extent that the payment thereof would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the position that the Administrative Agent or such Lender would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrower or any other Person.

110

(g) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(h) Definition of "Lender" for Purposes of Section 2.17. For the avoidance of doubt, the term "Lender" shall, for all purposes of this Section 2.17, include any Issuing Bank and any Swingline Lender.

Section 2.18 Payments Generally; Allocation of Proceeds; Sharing of Payments.

(a) Unless otherwise specified in this Agreement, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, reimbursements of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise). Each such payment shall be made prior to 3:00 p.m. on the date when due, in immediately available funds, without set-off or counterclaim. Any amount received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated by the Administrative Agent to the Borrower, except that payments pursuant to Sections 2.05(e)(i), 2.12(b)(ii), 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Person or Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as provided in Sections 2.19(b), 2.20 and 9.05(g), (i) each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Loans of a given Class and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type (and of the same Class) shall be allocated pro rata among the Lenders in accordance with their respective Applicable Percentages of the applicable Class, (ii) each payment or prepayment of Initial Term Loans shall be allocated pro rata among the Initial Term Lenders in accordance with their respective Initial Term Loan Applicable Percentages of the Initial Term Loans and (iii) each payment or prepayment of Second Amendment Incremental Term Loans shall be allocated pro rata among the Second Amendment Incremental Term Lenders in accordance with their respective Second Amendment Incremental Term Loan Applicable Percentages of the Second Amendment Incremental Term Loans. All payments (including accrued interest) hereunder shall be made in Dollars. Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender's percentage of such Borrowing to the next higher or lower whole Dollar amount. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) Subject in all respects to the provisions of the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement, all proceeds of Collateral received by the Administrative Agent while an Event of Default exists and all or any portion of the Loans have been accelerated hereunder pursuant to Section 7.01 shall be applied first, to the payment of all costs, fees, indemnities and expenses then due that have been incurred by the Administrative Agent in connection with any collection, sale or realization on Collateral or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all court costs and the fees and expenses of agents and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document, second, to payment in full of any Unfunded Advance/Participation (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the Issuing Banks on a pro rata basis in accordance with the amount of such Unfunded Advance/Participation owed to them on the date of the relevant distribution), third, to pay any fees, indemnities or expense reimbursements then due to any Issuing Bank from the Borrower that constitute Secured Obligations, fourth, on a pro rata basis in accordance with the amounts of the Secured Obligations (other than contingent indemnification obligations for which no claim has yet been made) owed to the Secured Parties on the date of any such distribution, to the payment in full of the Secured Obligations (including, with respect to LC Exposure, an amount to be paid to the Administrative Agent equal to 100% of the LC Exposure (minus the

amount then on deposit in the LC Collateral Account) on such date, to be held in the LC Collateral Account as Cash collateral for such Obligations); provided that if any Letter of Credit expires undrawn, then any Cash collateral held to secure the related LC Exposure shall be applied in accordance with this Section 2.18(b), beginning with clause first above, and fifth, after all Secured Obligations have been paid in full to, or at the direction of, the Borrower or as a court of competent jurisdiction may otherwise direct.

111

(c) If any Lender obtains payment (whether voluntary, involuntary, through the exercise of any right of set-off or otherwise) in respect of any principal or of interest on any of its Loans of any Class or participations in LC Disbursements or Swingline Loans held by it resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender with Loans of such Class and participations in LC Disbursements, then the Lender receiving such greater proportion shall purchase (for Cash at face value) participations in the Loans of such Class and sub-participations in LC Disbursements or Swingline Loans of other Lenders of such Class at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class and participations in LC Disbursements or Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (B) any payment obtained by any Lender as consideration for the assignment of or sale of a participation in any of its Loans to any permitted assignee or participant, including any payment made or deemed made in connection with Sections 2.22, 2.23, 9.02(c) and/or Section 9.05. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise rights of set-off and counterclaim against the Borrower with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.18(c) and will, in each case, notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.18(c) shall, from and after the date of such purchase, have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

(d) Unless the Administrative Agent has received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of any Lender or any Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lender or Issuing Bank the amount due. In such event, if the Borrower has not in fact made such payment, then each Lender or the applicable Issuing Bank severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate in effect from time to time and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

112

(e) If any Lender fails to make any payment required to be made by it pursuant to Section 2.07(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15 or determines that it can no longer make or maintain Adjusted Eurocurrency Rate Loans or Adjusted Term SOFR Loans pursuant to Section 2.20, or any Loan Party is required to pay any additional amount to or indemnify any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future or mitigate the impact of Section 2.20, as the case may be, and (ii) would not subject such Lender to any unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower in respect of the relevant obligations hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or determines that it can no longer make or maintain Adjusted Eurocurrency Rate Loans or Adjusted Term SOFR Loans pursuant to Section 2.20, (ii) any Loan Party is required to pay any additional amount to or indemnify any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender is a Defaulting Lender or (iv) in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender", "each Revolving Lender" or "each Lender directly affected thereby" (or any other Class or group of Lenders other than the Required Lenders and including, for the avoidance of doubt, in connection with any Extension Offer with respect to which a majority of the applicable Class of Lenders have agreed to extend the applicable Class of Loans) with respect to which Required Lender or Required Revolving Lender consent (or the consent of Lenders holding loans or commitments of such Class or lesser group representing more than 50% of the sum of the total loans and unused commitments of such Class or lesser group at such time) has been obtained, as applicable, any Lender is a non-consenting Lender (each such Lender described in this clause (iv), a "Non-Consenting Lender"), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) terminate the applicable Commitments of such Lender and repay all Obligations of the Borrower owing to such Lender relating to the applicable Loans and participations held by such Lender as of such termination date (provided that, if, after giving effect such termination and repayment, the aggregate amount of the Revolving Credit Exposure of any Class exceeds the aggregate amount of the Revolving Credit Commitments of such Class then in effect, then the Borrower shall, not later than the next Business Day, prepay one or more Revolving Loan Borrowings of the applicable Class (and, if no Revolving Loan Borrowings of such Class are outstanding, deposit Cash collateral in the LC Collateral Account) in an amount necessary to eliminate such excess) or (y) replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all of its interests, rights and obligations under this Agreement to an Eligible Assignee that assumes such obligations (which Eligible Assignee may be another Lender, if any Lender accepts such assignment); provided that (A) such Lender has received payment of an amount equal to the outstanding principal amount of its Loans and, if applicable, participations in LC Disbursements and Swingline Loans, in each case of such Class of Loans and/or Commitments, accrued interest thereon, accrued fees and all other amounts payable to it under any Loan Document with respect to such Class of Loans and/or Commitments, (B) in the case of any assignment resulting from a claim for compensation under Section 2.15 or payment required to be made pursuant to Section 2.17, such assignment would result in a reduction in such compensation or payment and (C) such assignment does not conflict with applicable Requirements of Law. No Lender (other than a Defaulting Lender) shall be required to make any such assignment and delegation, and the Borrower may not repay the Obligations of such Lender or terminate its Commitments, in each case if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 2.19, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Promissory Note (if the assigning Lender's Loans are evidenced by one or more Promissory Notes) subject to such Assignment and Assumption (provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver any such Promissory Note shall not render such sale and purchase (or the corresponding assignment) invalid), such assignment shall be recorded in the Register and any such Promissory Note shall be deemed cancelled. In connection with any replacement under this Section 2.20, if the replaced Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption by the time all Obligations of the Borrower owing to such Lender have been paid in full to such replaced Lender, then such replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption. To the extent that any Lender is replaced pursuant to Section 2.19(b)(iv) in connection with a Repricing Transaction requiring payment of a fee pursuant to Section 2.12(e), the Borrower shall pay the fee set forth in Section 2.12(e) to each Lender being replaced as a result of such Repricing Transaction.

113

Section 2.20 Illegality.

(a) If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars, then, upon notice thereof by such Lender to the Borrower through the Administrative Agent:

(i) any obligation of such Lender to make or continue Adjusted Eurocurrency Rate Loans in the affected currency or currencies or to convert ABR Loans to Adjusted Eurocurrency Rate Loans shall be suspended,

(ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Eurocurrency Rate component or Term SOFR component, as applicable, of the Alternate Base Rate, the interest rate on such Lender's ABR Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component or Term SOFR component, as applicable, of the Alternate Base Rate in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist (which notice such Lender agrees to give promptly),

(iii) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or convert all of such Lender's Adjusted Eurocurrency Rate Loans to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component or Term SOFR component, as applicable, of the Alternate Base Rate), either on the last day of the Interest Period thereof, if such Lender may lawfully continue to maintain such Adjusted Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Adjusted Eurocurrency Rate Loans (in which case the Borrower shall not be required to make payments pursuant to Section 2.16 in connection with such payment), and

114

(iv) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate or Term SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof, as applicable, until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate.

(b) Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

(c) Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the determination of such Lender, otherwise be materially disadvantageous to such Lender.

Section 2.21 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the unfunded portion of any Commitment of such Defaulting Lender pursuant to Section 2.12(a) and, subject to clause (d) below, on the participation of such Defaulting Lender in Letters of Credit pursuant to Section 2.12(b) and pursuant to any other provisions of this Agreement or other Loan Document.

(b) The Commitments and the Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, each affected Lender, the Required Lenders, the Required Revolving Lenders or such other number of Lenders as may be required hereby or under any other Loan Document have taken or may take any action hereunder (including any consent to any waiver, amendment or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately and adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.11, Section 2.15, Section 2.16, Section 2.17, Section 2.18, Article VII, Section 9.05 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.09), shall be applied at such time or times as may be determined by the Administrative Agent and, where relevant, the Borrower as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any applicable Issuing Bank or Swingline Lender hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable Issuing Bank, to be held as Cash collateral for future funding obligations of such Defaulting Lender in respect of any participation in any Letter of Credit; fourth, so long as no Default or Event of Default exists, as the Borrower may request, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; fifth, as the Administrative Agent or the Borrower may elect, to be held in a deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the non-Defaulting Lenders or Issuing Banks or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any non-Defaulting Lender or any Issuing Bank or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loan or LC Exposure in respect of which such Defaulting Lender has not fully funded its appropriate share and (y) such Loan or LC Exposure was made or created, as applicable, at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Exposure owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Exposure owed to, such Defaulting Lender. Any payments, prepayments or other amounts paid or payable to any Defaulting Lender that are applied (or held) to pay amounts owed by any Defaulting Lender or to post Cash collateral pursuant to this Section 2.21(c) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

115

(d) If any LC Exposure or Swingline Exposure exists at the time any Lender becomes a Defaulting Lender then:

(i) the LC Exposure and Swingline Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Revolving Lenders in accordance with their respective Applicable Revolving Credit Percentages but only to the extent that (A) the sum of the Revolving Credit Exposures of all non-Defaulting Lenders attributable to the Revolving Credit Commitments of any Class does not exceed the total of the Revolving Credit Commitments of all non-Defaulting Revolving Lenders of such Class and (B) the Revolving Credit Exposure of any non-Defaulting Lender that is attributable to its Revolving Credit Commitment of such Class does not exceed such non-Defaulting Lender's Revolving Credit Commitment of such Class;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any other right or remedy available to it hereunder or under applicable Requirements of Law, within two (2) Business Days following notice by the Administrative Agent, Cash collateralize 100% of such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to paragraph (i) above and any Cash collateral provided by such Defaulting Lender or pursuant to Section 2.21(c) above) or make other arrangements reasonably satisfactory to the Administrative Agent and to the applicable Issuing Bank with respect to such LC Exposure and obligations to fund participations. Cash collateral (or the appropriate portion thereof) provided to reduce LC Exposure or other obligations shall be released promptly following (A) the elimination of the applicable LC Exposure or other obligations giving rise thereto (including by the termination of the Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 2.19)) or (B) the Administrative Agent's good faith determination that there exists excess Cash collateral (including as a result of any subsequent reallocation of LC Exposure among non-Defaulting Lenders described in clause (i) above);

116

(iii) (A) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to this Section 2.21(d), then the fees payable to the Revolving Lenders pursuant to Sections 2.12(a) and (b), as the case may be, shall be adjusted to give effect to such reallocation and (B) if the LC Exposure of any Defaulting Lender is Cash collateralized pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank, any Revolving Lender or the Borrower hereunder, no letter of credit fees shall be payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure; and

(iv) if any Defaulting Lender's LC Exposure is not Cash collateralized, prepaid or reallocated pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank, any Revolving Lender or the Borrower hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the applicable Issuing Bank until such Defaulting Lender's LC Exposure is Cash collateralized or reallocated.

(e) So long as any Revolving Lender is a Defaulting Lender, (i) no Issuing Bank shall be required to issue, extend, create, incur, amend or increase any Letter of Credit unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders, Cash collateral provided pursuant to Section 2.21(c) and/or Cash collateral provided in accordance with Section 2.21(d), and participating interests in any such or newly issued, extended or created Letter of Credit shall be allocated among non-Defaulting Revolving Lenders in a manner consistent with Section 2.21(d)(i) (it being understood that Defaulting Lenders shall not participate therein) and (ii) no Swingline Lender shall be required to make any Swingline Loans unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders.

(f) In the event that the Administrative Agent and the Borrower agree that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Applicable Revolving Credit Percentage of LC Exposure and Swingline Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment, and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the applicable Class of the other Revolving Lenders or participations in Revolving Loans of the applicable Class as the Administrative Agent determine as necessary in order for such Revolving Lender to hold such Revolving Loans or participations in accordance with its Applicable Percentage of the applicable Class or its Applicable Revolving Credit Percentage, as applicable. Notwithstanding the fact that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, (x) no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender and (y) except to the extent otherwise expressly agreed by the affected parties, no change hereunder from "Defaulting Lender" to "Lender" will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

117

Section 2.22 Incremental Credit Extensions.

(a) The Borrower may, at any time after the Closing Date, on one or more occasions pursuant to an Incremental Facility Agreement, (i) add one or more new tranches of term facilities (each new tranche, a "New Incremental Term Facility") and/or increase the principal amount of the Term Loans of any existing Class by requesting new commitments to provide such Term Loans (each increase, an "Incremental Increase Facility"; together with any New Incremental Term Facility, "Incremental Term Facilities" and any loans made pursuant to an Incremental Term Facilities, "Incremental Term Loans") and/or (ii) add one or more new tranches of Incremental Revolving Commitments (each new tranche, a "New Incremental Revolving Facility") and/or increase the aggregate amount of the Revolving Credit Commitments of any existing Class (each increase, a "Revolving Commitment Increase"; together with any New Incremental Revolving Facility, "Incremental Revolving Facilities" and, together with any Incremental Term Facility, "Incremental Facilities"; and the loans thereunder, "Incremental Revolving Loans" and any Incremental Revolving Loans, together with any Incremental Term Loans, "Incremental Loans") in an aggregate outstanding principal amount not to exceed the Incremental Cap; provided that:

(i) unless the Administrative Agent otherwise agrees, no Incremental Facility may be less than \$1,000,000,

(ii) except as the Borrower and any Lender may separately agree, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender,

(iii) no Incremental Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of any Incremental Commitment or Incremental Loan,

(iv) except as otherwise permitted herein (including as provided in clause (xii) below), (A) the terms of any Incremental Term Facility (other than any terms which are applicable only after the Latest Term Loan Maturity Date) must be substantially consistent with those applicable to any then-existing Class of Term Loans or otherwise, at the option of the Borrower, either (I) reflect, in the good faith determination of the Borrower, market terms and conditions (taken as a whole) at the time of incurrence of such Incremental Term Facility or (II) be reasonably acceptable to the Administrative Agent and (B) the terms of any Incremental Revolving Facility (other than any terms which are applicable only after the then-existing Latest Revolving Credit Maturity Date) must be substantially consistent with those applicable to any then-existing Revolving Facility or otherwise, at the option of the Borrower, either (I) reflect, in the good faith determination of the Borrower, market terms and conditions (taken as a whole) at the time of incurrence of such Incremental Revolving Facility or (II) be reasonably acceptable to the Administrative Agent (it being understood that to the extent that any financial maintenance covenant or other term is added for the benefit of (A) any Incremental Term Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant or other term is also added for the benefit of all Classes of Loans or (B) any Incremental Revolving Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant or other term is also added for the benefit of each then-existing Revolving Facility),

118

(v) the Effective Yield (and the components thereof, including interest rate margins, rate floors, fees, premiums and funding discounts), currency types and denominations and any "MFN" terms or prepayment premiums applicable to any Incremental Facility may be determined by the Borrower and the lender or lenders providing such Incremental Facility; provided that (A) in the case of any Incremental Term Facility that is secured by the Collateral on a pari passu basis with the Secured Obligations and incurred prior to the date that is 18 months following the Closing Date (other than, at the option of the Borrower, any Incremental Term Facility that, (I) is incurred to finance a Permitted Acquisition, Investment or similar transaction and/or (II) do not fall within clause (I) above in an aggregate amount not exceeding the greater of \$149,000,000 and 100.0% of Consolidated Adjusted EBITDA for the most recently ended Test Period), the Effective Yield applicable thereto may not be more than 0.50% higher than the Effective Yield applicable to the Initial Term Loans or the Second Amendment Incremental Term Loans unless the Applicable Rate with respect to the Initial Term Loans or the Second Amendment Incremental Term Loans, as applicable, is adjusted to the extent necessary to be equal to the Effective Yield with respect to such Incremental Facility, minus 0.50%, and (B) the Applicable Rate for any Incremental Increase Facility shall be (x) the Applicable Rate for the Class being increased in connection therewith or (y) higher than the Applicable Rate for the Class being increased as long as the Applicable Rate for the Class being increased is automatically increased as and to the extent necessary to eliminate the deficiency,

(vi) the maturity date of any Incremental Facility may be determined by the Borrower and the lender or lenders providing such Incremental Facility; provided that except with respect to customary prepayment terms in connection with customary escrow arrangements, (A) the final maturity date with respect to any Incremental Term Loans shall be no earlier than the Initial Term Loan Maturity Date and (B) no Incremental Revolving Facility may have a final maturity date earlier than (or require scheduled amortization or mandatory commitment reductions prior to) the Initial Revolving Credit Maturity Date; provided that, at the option of the Borrower, (A) Incremental Facilities constituting Customary Bridge Loans and (B) Incremental Facilities incurred in the form of Term A Loans, in the case of each of clauses (A) and (B), may be incurred without regard to this clause (vi).

(vii) the amortization schedule for any Incremental Term Facility may be determined by the Borrower and the lender or lenders providing such Incremental Facility; provided that except with respect to customary prepayment terms in connection with customary escrow arrangements, the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of the Initial Term Loans (without giving effect to any prepayments thereof); provided that, at the option of the Borrower, (A) Incremental Term Facilities constituting Customary Bridge Loans and (B) Incremental Facilities in the form of Term A Loans, in the case of each of clauses (A) and (B), may be incurred without regard to this clause (vii).

(viii) (A) any Incremental Term Facility or Incremental Revolving Facility shall be secured by a Lien on the Collateral that is pari passu with the Lien securing the Secured Obligations and (B) no Incremental Facility shall be (x) guaranteed by any Person other than a Loan Guarantor or (y) secured by any assets other than the Collateral,

(ix) any mandatory prepayment (other than any scheduled amortization payment) of Incremental Term Loans shall be made on a pro rata basis with all then-existing Term Loans, except that the Borrower and the lenders providing the relevant Incremental Term Loans shall be permitted, in their sole discretion, to elect to prepay or receive, as applicable, any such mandatory prepayment on a less than pro rata basis (but not on a greater than pro rata basis),

(x) no Event of Default then exists (except in the case of the incurrence or provision of any Incremental Facility in connection with a Permitted Acquisition, Investment or similar transaction not prohibited by the terms of this Agreement or any Limited Condition Transaction, in which case, no Specified Event of Default then exists or would exist after giving effect thereto),

(xi) the proceeds of any Incremental Revolving Facility and/or any Incremental Term Facility may be used by the Borrower and its subsidiaries for working capital and other general corporate purposes, including the financing of Permitted Acquisitions and other Investments and any other use not prohibited by this Agreement,

(xii)(A) any Incremental Increase Facility shall be on the same terms (including maturity date and interest rates) and pursuant to the same documentation (other than the relevant Incremental Facility Agreement) applicable to such Class of Term Loans, and (B) any Revolving Commitment Increase (x) shall be on the same terms (including maturity date and interest rates (except (i) if required to consummate such Revolving Commitment Increase, any increase in interest rates, rate floors and undrawn fees that is provided to all Lenders for such Class of Revolving Credit Commitments), but excluding upfront fees or similar fees) and pursuant to the same documentation (other than the relevant Incremental Facility Agreement) applicable to such Class of Revolving Credit Commitments and (y) shall not require any scheduled amortization or mandatory commitment reduction prior to the Maturity Date with respect to such Class of Revolving Credit Commitments, and

(xiii) on the date of the Borrowing of any Incremental Term Loans that will be of the same Class as any then-existing Class of Term Loans, and notwithstanding anything to the contrary set forth in Section 2.08 or 2.13, such Incremental Term Loans shall be added to (and constitute a part of, be of the same Type as and, at the election of the Borrower, have the same Interest Period as) each Borrowing of outstanding Term Loans of such Class on a pro rata basis (based on the relative sizes of such Borrowings), so that each Term Lender providing such Incremental Term Loans will participate proportionately in each then-outstanding Borrowing of Term Loans of such Class; it being acknowledged that the application of this clause (a)(xiii) may result in new Incremental Term Loans having Interest Periods (the duration of which may be less than one month) that begin during an Interest Period then applicable to outstanding Adjusted Eurocurrency Rate Loans of the relevant Class and that end on the last day of such Interest Period.

(b) Incremental Commitments may be provided by any existing Lender, or by any other Eligible Assignee (any such other lender being called an "Additional Lender"); provided that the Administrative Agent (and, in the case of any Incremental Revolving Facility, any Issuing Bank and Swingline Lender) shall have a right to consent (such consent not to be unreasonably withheld) to the relevant Additional Lender's provision of Incremental Commitments if such consent would be required under Section 9.05(b) for an assignment of Loans to such Additional Lender; provided, further, that any Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 9.05(g), *mutatis mutandis*, to the same extent as if the relevant Incremental Commitments and related Obligations had been acquired by such Lender by way of assignment.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Facility Agreement) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As conditions precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its request, the Administrative Agent shall be entitled to receive customary written opinions of counsel, as well as such solvency certificates, reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall be entitled to receive, from each Additional Lender, (1) an administrative questionnaire, in the form provided to such Additional Lender by the Administrative Agent (the "Administrative Questionnaire"), and (2) such other documents as it shall reasonably require from such Additional Lender, (iii) the Administrative Agent and the relevant Additional Lenders shall be entitled to receive all fees required to be paid in respect of such Incremental Facility or Incremental Loans, (iv) subject to Section 2.22(a)(x), the Administrative Agent shall have received a Borrowing Request as if the relevant Incremental Loans were subject to Section 2.03 or another written request the form of which is reasonably acceptable to the Administrative Agent (it being understood and agreed that the requirement to deliver a Borrowing Request shall not, unless agreed by the Borrower, result in the imposition of any additional condition precedent to the availability of the relevant Incremental Loans) and (v) the Administrative Agent shall be entitled to receive a certificate of the Borrower signed by a Responsible Officer thereof:

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Incremental Facility or Incremental Loans, and

(B) to the extent applicable, certifying that the condition set forth in clause (a)(x) above has been satisfied.

(e) Upon the implementation of any Incremental Revolving Facility pursuant to this Section 2.22:

(i) if such Incremental Revolving Facility establishes Revolving Credit Commitments of the same Class as any then-existing Class of Revolving Credit Commitments, (A) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each relevant Incremental Revolving Facility Lender, and each relevant Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each deemed assignment and assumption of participations, all of the Revolving Lenders' (including each Incremental Revolving Facility Lender's) participations hereunder in Letters of Credit shall be held ratably on the basis of their respective Revolving Credit Commitments (after giving effect to any increase in the Revolving Credit Commitment pursuant to this Section 2.22) and (B) the existing Revolving Lenders of the applicable Class shall assign Revolving Loans to certain other Revolving Lenders of such Class (including the Revolving Lenders providing the relevant Incremental Revolving Facility), and such other Revolving Lenders (including the Revolving Lenders providing the relevant Incremental Revolving Facility) shall purchase such Revolving Loans, in each case to the extent necessary so that all of the Revolving Lenders of such Class participate in each outstanding Borrowing of Revolving Loans pro rata on the basis of their respective Revolving Credit Commitments of such Class (after giving effect to any increase in the Revolving Credit Commitment pursuant to this Section 2.22); it being understood and agreed that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (i); and

(ii) if such Incremental Revolving Facility establishes a New Incremental Revolving Facility, then (A) the borrowing and repayment (except (x) payments of interest and fees at different rates on the Revolving Facilities (and related outstandings), (y) repayments required on the Maturity Date of any Revolving Facility and (z) as provided in clause (C) below) of Revolving Loans with respect to any Revolving Facility after the effective date of such Incremental Revolving Facility shall be made on a pro rata basis with all other Revolving Facilities, (B) all Letters of Credit and Swingline Loans shall be participated on a pro rata basis by all Revolving Lenders and (C) unless the relevant Additional Lenders elect payments and/or Commitment reductions on a less-than-pro rata basis, any permanent repayment of Revolving Loans with respect to, and reduction and termination of Revolving Credit Commitments under, any Revolving Facility after the effective date of such Incremental Revolving Facility shall be made on a pro rata basis with all other Revolving Facilities.

(f) On the date of effectiveness of any Incremental Revolving Facility, the maximum amount of LC Exposure permitted hereunder shall increase by an amount, if any, agreed upon by Administrative Agent, the relevant Issuing Bank and the Borrower.

(g) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Agreement and/or any amendment to any other Loan Document as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or commitments pursuant to this Section 2.22 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.22.

(h) This Section 2.22 shall supersede any provision in Section 2.18 or 9.02 to the contrary.

Section 2.23 Extensions of Loans and Revolving Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to all Lenders holding Loans of the Borrower of any Class or Commitments with respect to any Class, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans or Commitments of such Class) and on the same terms to each such Lender, the Borrower is hereby permitted to consummate transactions with

any individual Lender who accepts the terms contained in the relevant Extension Offer to extend the Maturity Date of such Lender's Loans and/or Commitments of such Class and/or otherwise modify the terms of such Loans and/or Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable (or adding other pricing terms, including premiums, discounts, MFN terms or rate floors) in respect of such Loans and/or Commitments (and related outstandings) and/or modifying the amortization schedule, if any, in respect of such Loans) (each, an "Extension"), so long as the following terms are satisfied:

(i) except as to (A) interest rates, fees and other pricing terms (including rate floors, premiums, discounts and any MFN terms) and final maturity (which shall, subject to immediately succeeding clause (iii), be determined by the Borrower and any Lender who agrees to an Extension of its Revolving Credit Commitments and set forth in the relevant Extension Offer) and (B) covenants or other provisions applicable only to periods after the Latest Maturity Date (in each case, as of the date of such Extension), the Revolving Credit Commitment of any Lender who agrees to an extension with respect to such Commitment (an "Extended Revolving Credit Commitment"; and the Loans thereunder, "Extended Revolving Loans"), and the related outstandings, shall constitute a revolving commitment (or related outstandings, as the case may be) with the same terms (or terms not more favorable to extending Lenders) as the Class of Revolving Credit Commitments subject to the relevant Extension Offer (and related outstandings) provided hereunder; provided that to the extent more than one Revolving Facility exists after giving effect to any such Extension, (x) the borrowing and repayment (except for (1) payments of interest and fees at different rates on the Revolving Facilities (and related outstandings), (2) repayments required upon the Maturity Date of any Revolving Facility and (3) as provided in clause (z) below) of Revolving Loans with respect to any Revolving Facility after the effective date of such Extended Revolving Credit Commitment shall be made on a pro rata basis with all other Revolving Facilities, (y) all Letters of Credit and Swingline Loans shall be participated on a pro rata basis by all Revolving Lenders and (z) unless the relevant Lenders elect payments and/or Commitment reductions on a less-than-pro rata basis, any permanent repayment of Revolving Loans with respect to, and reduction and termination of Revolving Credit Commitments under, any Revolving Facility after the effective date of such Extended Revolving Credit Commitment shall be made on a pro rata basis with all other Revolving Facilities; provided, further, that any representations and warranties, affirmative and negative covenants (including financial covenants) and events of default applicable to such Class of Extended Revolving Credit Commitments Loans that also expressly apply to (and for the benefit of) the Class of Revolving Credit Commitments subject to the Extension Offer and each other Class of Revolving Credit Commitments hereunder may be more favorable to the lenders of the applicable Class of Extended Revolving Credit Commitments than those originally applicable to the Class of Revolving Credit Commitments subject to the Extension Offer

122

(ii) except as to (A) interest rates, fees, other pricing terms (including rate, discounts, floors and MFN terms), amortization, final maturity date, premiums, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and any Lender who agrees to an Extension of its Term Loans and set forth in the relevant Extension Offer) and (B) covenants or other provisions applicable only to periods after the Latest Maturity Date (in each case, as of the date of such Extension), the Term Loans of any Lender extended pursuant to any Extension (any such extended Term Loans, the "Extended Term Loans") shall have the same terms (or terms not more favorable to extending Lenders) as the Class of Term Loans subject to the relevant Extension Offer; provided, however, that any representations and warranties, affirmative and negative covenants (including financial covenants) and events of default applicable to such Class of Extended Term Loans that also expressly apply to (and for the benefit of) the Class of Term Loans subject to the Extension Offer and each other Class of Term Loans hereunder may be more favorable to the lenders of the applicable Class of Extended Term Loans than those originally applicable to the Class of Term Loans subject to the Extension Offer;

(iii)(x) the final Maturity Date of any Class of Extended Term Loans may be no earlier than the Maturity Date of the Class of Term Loans subject to such Extension at the time of Extension and (y) no Class of Extended Revolving Credit Commitments or Extended Revolving Loans may have a final Maturity Date earlier than (or require commitment reductions prior to) the Latest Maturity Date applicable to any then-existing Revolving Facility;

(iv) the Weighted Average Life to Maturity of any Class of Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans subject to such Extension; provided that, at the option of the Borrower, Extended Term Loans in an aggregate principal amount up to the available Maturity/Weighted Average Life Excluded Amount may be incurred without regard to this clause (iv);

(v) any Class of Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory prepayment (but, for purposes of clarity, not scheduled amortization payments) in respect of the Term Loans, in each case as specified in the relevant Extension Offer;

(vi) if the aggregate principal amount of Loans or Commitments, as the case may be, in respect of which Lenders have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans or Commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed the applicable Lender's actual holdings of record) with respect to which such Lenders have accepted such Extension Offer;

123

(vii) unless the Administrative Agent otherwise agrees, each Extension shall be in a minimum amount of \$1,000,000;

(viii) any applicable Minimum Extension Condition must be satisfied or waived by the Borrower;

(ix) any documentation in respect of any Extension shall be consistent with the foregoing;

(x) no Extension of any Revolving Facility shall be effective as to the obligations of any Issuing Bank with respect to Letters of Credit without the consent of such Issuing Bank (such consent not to be unreasonably withheld or delayed) (and, in the absence of such consent, all references herein to Latest Revolving Credit Maturity Date shall be determined, when used in reference to such Issuing Bank, as applicable, without giving effect to such Extension); and

(xi) no Extension of any Revolving Facility shall be effective as to the obligations of any Swingline Lender without the consent of such Swingline Lender (such consent not to be unreasonably withheld or delayed) (and, in the absence of such consent, all references herein to Latest Revolving Credit Maturity Date shall be determined, when used in reference to such Swingline Lender's Swingline Commitment, as applicable, without giving effect to such Extension).

(b)(i) No Extension consummated in reliance on this Section 2.23 shall constitute a voluntary or mandatory prepayment for purposes of Section 2.11, (ii) the scheduled amortization payments (insofar as such schedule affects payments due to Lenders participating in the relevant Class) set forth in Section 2.10 shall be adjusted to give effect to any Extension of any Class of Loans and/or Commitments and (iii) except as set forth in clause (a)(vii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to the consummation of any Extension that a minimum amount (to be specified in the relevant Extension Offer in the Borrower's sole discretion) of Loans or Commitments (as applicable) of any or all applicable tranches be extended; it being understood that the Borrower may, in its sole discretion, waive any such Minimum Extension Condition. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, the payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.10, 2.11 and/or 2.18) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section.

(c) Subject to any consent required in Section 2.23(a)(x), no consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Loans and/or Commitments of any Class (or a portion thereof). All Extended Term Loans and Extended Revolving Credit Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral and guaranteed on a pari passu basis with all other applicable Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Extension Amendment and any amendment to any of the other Loan Documents with the Loan Parties as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or Commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.23.

124

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension (including mechanics to permit conversions, cashless rollovers and exchanges by Lenders and other repayments and reborrowings of Loans of Lenders agreeing to such Extension or non-accepting Lenders replaced or repaid in accordance with this Section 2.23)), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.23.

(e) Any Extended Term Loan and/or Extended Revolving Credit Commitment shall be established pursuant to an Extension Amendment, which shall be consistent with the provisions set forth in this Section 2.23. As conditions precedent to the effectiveness of any Extension Amendment, (i) upon its request, the Administrative Agent shall be entitled to receive customary written opinions of counsel, as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent and the relevant Lenders shall be entitled to receive all fees required to be paid in respect of such Extension Amendment and (iii) the Administrative Agent shall be entitled to receive a certificate of the Borrower signed by a Responsible Officer thereof certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Extension Amendment (and the Extended Term Loans and/or Extended Revolving Credit Commitments borrowed or implemented thereunder).

(f) This Section 2.23 shall supersede any provision in Sections 2.11, 2.18 or 9.02 to the contrary.

At any time after the execution and delivery thereof, (i) any material Guaranty under the Loan Guaranty for any reason, other than the occurrence of the Termination Date, shall cease to be in full force and effect (other than in accordance with its terms) or is declared to be null and void or any Loan Guarantor shall repudiate in writing its obligations thereunder (other than as a result of the discharge of such Loan Guarantor in accordance with the terms thereof), (ii) this Agreement or any material Collateral Document ceases to be in full force and effect or shall be declared null and void or any Lien on Collateral created under any Collateral Document ceases to be valid and perfected with the priority required by the Collateral Documents with respect to a material portion of the Collateral (other than solely by reason of (x) the failure of the Administrative Agent to maintain possession of any Collateral actually delivered to it or the failure of the Administrative Agent to file UCC (or equivalent) continuation statements, (y) a release of Collateral in accordance with the terms hereof or thereof or (z) the occurrence of the Termination Date or any other termination of such Collateral Document in accordance with the terms thereof) or (iii) any Loan Party contests in writing the validity or enforceability of any material provision of any Loan Document (or any Lien purported to be created by the Collateral Documents or any Loan Guaranty) or denies in writing that it has any further liability (other than by reason of the occurrence of the Termination Date), including with respect to future advances by the Lenders, under any Loan Document to which it is a party; it being understood and agreed that the failure of the Administrative Agent to maintain possession of any Collateral actually delivered to it or file any UCC (or equivalent) continuation statement shall not result in an Event of Default under this clause (k) or any other provision of any Loan Document; or

(l) Subordination. The Obligations ceasing (or the assertion in writing by any Loan Party that the Obligations cease) to constitute senior indebtedness under the subordination provisions of any document or instrument evidencing any applicable Junior Indebtedness in excess of the Threshold Amount or any such subordination provision being invalidated or otherwise ceasing, for any reason, to be valid, binding and enforceable obligations of the parties thereto;

then, and in every such event (other than (x) an event with respect to the Borrower described in clause (f) or (g) of this Article VII or (y) any Event of Default arising under Section 6.12(a)), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon such Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and (iii) require that the Borrower deposit in the LC Collateral Account an additional amount in Cash as reasonably requested by the Issuing Banks (not to exceed 100% of the relevant LC Obligations) to Cash collateralize the then outstanding LC Exposure with respect to the Borrower (minus the amount then on deposit in the LC Collateral Account); provided that (A) upon the occurrence of an event with respect to the Borrower described in clause (f) or (g) of this Article VII, any such Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower, and the obligation of the Borrower to Cash collateralize the outstanding LC Obligations as aforesaid shall automatically become effective, in each case without further action of the Administrative Agent or any Lender and (B) during the continuance of any Event of Default arising under Section 6.12(a), (X) upon the request of the Required Revolving Lenders (but not the Required Lenders or any other Lender or group of Lenders), the Administrative Agent shall, by notice to the Borrower, (1) terminate the Revolving Credit Commitments and the Swingline Commitment, and thereupon such Revolving Credit Commitments and Swingline Commitment shall terminate immediately, (2) declare the Revolving Loans and Swingline Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Revolving Loans and Swingline Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other

notice of any kind, all of which are hereby waived by the Borrower and (3) require that the Borrower deposit in the LC Collateral Account an additional amount in Cash as reasonably requested by the Issuing Banks (not to exceed 100% of the relevant LC Obligations) to Cash collateralize the then outstanding LC Exposure with respect to the Borrower (minus the amount then on deposit in the LC Collateral Account) and (Y) subject to the Financial Covenant Standstill, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, declare the Loans of the Borrower then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC or equivalent Requirement of Law, as applicable.

ARTICLE VIII THE ADMINISTRATIVE AGENT

Section 8.01 General. Each of the Lenders and the Issuing Banks hereby irrevocably appoints JPMorgan Chase Bank, N.A. (or any successor appointed pursuant hereto) as Administrative Agent and as Collateral Agent and authorizes the Administrative Agent and Collateral Agent to take such actions on its behalf hereunder and under any other Loan Document, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

180

Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such Person is in fact not a Lender, include each Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any subsidiary of any Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duty, regardless of whether any Default or Event of Default exists, and the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligation arising under agency doctrine of any applicable Requirements of Law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers (1) that are expressly contemplated hereby or by the other Loan Documents and (2) that the Administrative Agent is required to exercise as directed in writing by the Required Lenders or Required Revolving Lenders (or such other number or percentage of the Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02), which such writing shall be binding upon each Lender unless and until revoked in writing; provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law, and (c) except as expressly set forth herein or in any other Loan Document, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account. The Administrative Agent shall not be liable to the Lenders or any other Secured Party for any action taken or not taken by it with the consent or at the request of the Required Lenders or Required Revolving Lenders (or such other number or percentage of the Lenders as is necessary, or as the Administrative Agent believes in good faith shall be necessary, under the relevant circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with this Agreement or any other Loan Document, (iii) the performance or observance of any covenant, agreement or other term or condition set forth in this Agreement or any other Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral or to assure that the Liens granted to the Administrative Agent pursuant to this Agreement or any other Loan Document have been or will continue to be properly or sufficiently or lawfully created, perfected or enforced or are entitled to any particular priority, (vi) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent, (vii) any property, book or record of any Loan Party or any Affiliate thereof or (viii) compliance by Affiliated Lenders with any term hereof relating to Affiliated Lenders. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any claim, liability, loss, cost or expense suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Revolving Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or Issuing Bank; provided that none of the Borrower, any Subsidiary, any Lender or any Issuing Bank shall be liable for any portion of such claim, liability, loss, cost or expense resulting from the Administrative Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

181

Each Lender agrees that, except with the written consent of the Administrative Agent, it will not take any enforcement action hereunder or under any other Loan Document, accelerate the Obligations under any Loan Document, or exercise any right that it might otherwise have under applicable Requirements of Law or otherwise to credit bid at any foreclosure sale, UCC sale, any sale under Section 363 of the Bankruptcy Code or any other similar Disposition of Collateral (an "Insolvency Disposition"). Notwithstanding the foregoing, any Lender may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Lender, including the filing of a proof of claim in a case under the Bankruptcy Code.

Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the Borrower, the Administrative Agent and each Secured Party agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Loan Guaranty; it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms hereof, and all powers, rights and remedies under the other Loan Documents may be exercised solely by the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or in the event of any other Disposition (including pursuant to an Insolvency Disposition), (A) the Administrative Agent, as agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply all or any portion of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such Disposition and (B) the Administrative Agent or any Lender may be the purchaser or licensor of all or any portion of such Collateral at any such Disposition.

No holder of any Secured Hedging Obligation or Banking Services Obligation in its respective capacity as such shall have any rights in connection with the management or release of any guarantees or Collateral or of the obligations of any Loan Party under this Agreement. By accepting the benefits of the Collateral, each party to any such arrangement in respect of any Secured Hedging Obligation or Banking Services Obligation, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph

Each of the Lenders hereby irrevocably authorizes (and by entering into a Hedge Agreement with respect to any Secured Hedging Obligation and/or by entering into documentation in connection with respect to any Banking Services Obligation, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, on behalf of all Secured Parties, to take any of the following actions upon the instruction of the Required Lenders:

(a) consent to the Disposition of all or any portion of the Collateral free and clear of the Liens securing the Secured Obligations in connection with any Disposition pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;

(b) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more

acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;

(c) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC;

(d) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other Disposition conducted in accordance with applicable Requirements of Law following the occurrence of an Event of Default, including by power of sale, judicial action or otherwise; and/or

(e) estimate the amount of any contingent or unliquidated Secured Obligations of such Lender or other Secured Party;

it being understood that no Lender shall be required to fund any amount in connection with any purchase of all or any portion of the Collateral by the Administrative Agent pursuant to the foregoing clause (b), (c) or (d) without its prior written consent.

Each Secured Party agrees that the Administrative Agent is under no obligation to credit bid any part of the Secured Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clause (b), (c) or (d) of the preceding paragraph, the Secured Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by the Administrative Agent on a ratable basis.

182

With respect to any contingent or unliquidated claim that is a Secured Obligation, the Administrative Agent is hereby authorized, but is not required, to estimate the amount thereof for purposes of any credit bid or purchase described in the second preceding paragraph so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of the Administrative Agent to credit bid the Secured Obligations or purchase the Collateral in the relevant Disposition. In the event that the Administrative Agent, in its sole and absolute discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of the Administrative Agent to consummate any credit bid or purchase in accordance with the second preceding paragraph, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

Each Secured Party whose Secured Obligations are credit bid under clause (b), (c) or (d) of the third preceding paragraph is entitled to receive interests in the Collateral or any other asset acquired in connection with such credit bid (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such acquisition) on a ratable basis in accordance with the percentage obtained by dividing (x) the amount of the Secured Obligations of such Secured Party that were credit bid in such credit bid or other Disposition, by (y) the aggregate amount of all Secured Obligations that were credit bid in such credit bid or other Disposition.

In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (i) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

183

In addition, in case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, each Secured Party agrees that the Administrative Agent (irrespective of whether the principal of any Loan or LC Disbursement is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent has made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans or LC Disbursements and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts to the extent due to the Lenders and the Administrative Agent under Sections 2.12, 2.13, 2.15, 2.17, and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequesteror or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amount due to the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) that it believes to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof). The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the applicable Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent has received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

184

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the Credit Facilities provided for herein as well as activities as the Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any subagent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by giving ten (10) days' written notice to the Lenders, the Issuing Banks and the Borrower. If the Administrative Agent is a Defaulting Lender or an Affiliate of a Defaulting Lender, in either case, other than as a result of a good faith dispute over whether a Loan, Letter of Credit or participation in a Letter of Credit is required to be made or funded under clause (a), (b) or (c) of the definition of "Defaulting Lender", either the Required Lenders or the Borrower may, upon ten (10) days' written notice, remove the Administrative Agent. Upon receipt of any such written notice of resignation or delivery of any such written notice of removal, the Required Lenders shall have the right, with the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be a bank or trust company with an office in New York, New York or an Affiliate of any such bank or trust company; provided that during the occurrence and continued existence of a Specified Event of Default (in the case of Section 7.01(f) or (g), with respect to the Borrower), no consent of the Borrower shall be required. If no successor has been appointed as provided above and has accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or the Administrative Agent receives notice of removal, then (a) in the case of a retirement, the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent meeting the qualifications set forth above (including, for the avoidance of doubt, the consent of the Borrower) or (b) in the case of a removal, the Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent notifies the Borrower, the Lenders and the Issuing Banks that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Borrower notifies the Required Lenders that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under any other Loan Document (except that in the case of any collateral security held by the Administrative Agent in its capacity as collateral agent for the Secured Parties for purposes of maintaining the perfection of the Lien on the Collateral securing the Secured Obligations, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations required to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Bank directly (and each Lender and each Issuing Bank will cooperate with the Borrower to enable the Borrower to take such actions), until such time as the Required Lenders or the Borrower, as applicable, appoint a successor Administrative Agent, as provided above in this Article VIII. Upon the acceptance of its appointment as Administrative Agent hereunder as a successor Administrative Agent, the successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent), and the retiring (or retired) or removed Administrative Agent shall be discharged from its duties and obligations hereunder (other than its obligations under Section 9.13 hereof) and under each other Loan Document. The fees payable by the Borrower to any successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor Administrative Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any action taken or omitted to be taken by any of them while the relevant Person was acting as Administrative Agent (including for this purpose holding any collateral security following the retirement or removal of the Administrative Agent). Notwithstanding anything to the contrary herein, no Disqualified Institution may be appointed as a successor Administrative Agent.

185

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders and the Issuing Banks by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender or any Issuing Bank with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of the Administrative Agent or any of its Related Parties.

Notwithstanding anything to the contrary herein, the Arrangers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement or any other Loan Document, except in their respective capacities as the Administrative Agent, an Issuing Bank or a Lender hereunder, as applicable.

Each Lender, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

Each Secured Party irrevocably authorizes and instructs the Administrative Agent to, and the Administrative Agent shall upon reasonable request of the Borrower:

(a) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(d), 6.02(e), 6.02(g), 6.02(l), 6.02(m) (with respect to any assets subject to such Sale and Lease-Back Transaction), 6.02(n), Section 6.02(o) (other than any Lien on the Capital Stock of any Subsidiary Guarantor), Section 6.02(r), 6.02(u) (to the extent the relevant Lien is of the type to which the Lien of the Administrative Agent is otherwise required or, if requested by the Borrower, permitted to be subordinated under this clause (a) pursuant to any of the other exceptions to Section 6.02 that are expressly included in this clause (a), 6.02(x), 6.02(v), 6.02(z)(i), 6.02(bb), 6.02(cc), 6.02(dd) (in the case of clause (ii), to the extent the relevant Lien covers cash collateral posted to secure the relevant obligation), 6.02(ee), 6.02(ff), 6.02(gg), 6.02(hh) (and any Refinancing Indebtedness in respect of any thereof to the extent such Refinancing Indebtedness is permitted to be secured under Section 6.02(k), 6.02(ii), 6.02(ji) and 6.02(kk); provided that the subordination of any Lien on any property granted to or held by the Administrative Agent shall only be required to the extent that the Lien of the Administrative Agent with respect to such property is required to be subordinated to the relevant Permitted Lien in accordance with the documentation governing the Indebtedness that is secured by such Permitted Lien;

186

(b) enter into subordination, intercreditor and/or similar agreements contemplated hereunder with respect to Indebtedness permitted to be incurred under this Agreement (including the Closing Date Intercreditor Agreement, any other Acceptable Intercreditor Agreement and/or any amendment thereof) that is (i) required or, if requested by the Borrower, permitted to be subordinated hereunder, (ii) secured by Permitted Liens, and with respect to which Indebtedness and/or Liens, this Agreement contemplates an intercreditor, subordination, collateral trust agreement or similar agreement and/or (iii) contemplates the entry into collateral allocation and/or loss sharing arrangements; and

(c) release any Lien on any property granted to or held by the Administrative Agent under any Loan Document if approved, authorized or ratified by the Required Lenders in accordance with Section 9.02.

Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release, share or subordinate its interest in particular types or items of property, or to release (or provide evidence of release of) any Loan Party from its obligations under the Loan Guaranty or its Lien on any Collateral pursuant to this Article VIII and Section 9.13. In each case specified in this Article VIII and Section 9.13, the Administrative Agent will (and each Lender, and each Issuing Bank hereby authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents, to subordinate and/or share its interest therein, or to release such Loan Party from its obligations under the Loan Guaranty, in each case in accordance with the terms of the Loan Documents and this Article VIII and Section 9.13; provided, that upon the request of the Administrative Agent, the Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement.

The Administrative Agent is authorized to enter into any of the Closing Date Intercreditor Agreement, any other Acceptable Intercreditor Agreement and any other intercreditor, subordination, collateral trust, collateral allocation, loss sharing or similar agreement contemplated hereby with respect to any Indebtedness (i) that is required or permitted to be subordinated hereunder and (ii) with respect to which Indebtedness and/or Liens, this Agreement contemplates an intercreditor, subordination or collateral trust or similar agreement (any such other intercreditor, subordination or collateral trust or similar agreement, an "Additional Agreement"), and the Secured Parties party hereto acknowledge that the Closing Date Intercreditor Agreement and each other Acceptable Intercreditor Agreement and each other Additional Agreement is binding upon them. Each

Secured Party party hereto hereby (a) agrees that they will be bound by, and will not take any action contrary to, the provisions of the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement or any Additional Agreement and (b) authorizes and instructs the Administrative Agent to enter into the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement and/or any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower, and the Secured Parties are intended third party beneficiaries of such provisions and the provisions of the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement and/or any Additional Agreement.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by the Borrower or any of its Restricted Subsidiaries in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

187

To the extent that the Administrative Agent (or any Affiliate thereof) is not reimbursed and indemnified by the Borrower in accordance with and to the extent required by Section 9.03(b), the Lenders will reimburse and indemnify the Administrative Agent (and any Affiliate thereof) in proportion to their respective Applicable Percentages (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equal to any applicable withholding Tax. If the Internal Revenue Service or any other governmental authority asserts a claim that the Administrative Agent did not properly withhold Tax from any amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent fully, within 10 days after demand therefor, for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. For the avoidance of doubt, the term "Lender" shall, for purposes of this paragraph, include any Issuing Bank and any Swingline Lender.

The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article VIII, none of the Borrower or any Loan Party, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article VIII.

Section 8.02 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

188

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) subclause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with subclause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 8.03 Erroneous Payments.

(a) Each Revolving Lender hereby agrees that (i) if the Administrative Agent notifies such Revolving Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Revolving Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Revolving Lender (whether or not known to such Revolving Lender), and demands the return of such Payment (or a portion thereof), such Revolving Lender shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Revolving Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (ii) to the extent permitted by applicable law, such Revolving Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Revolving Lender under this Section 8.03 shall be conclusive, absent manifest error.

189

(b) Each Revolving Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (i) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (ii) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Revolving Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Revolving Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Revolving Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) Each Revolving Lender hereby further agrees that (i) in the event an erroneous Payment (or portion thereof) are not recovered from any Revolving Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Revolving Lender with respect to such amount and (ii) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making a payment on the Obligations.

(d) Each party's obligations under this Section 8.03 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Revolving Lender, the termination of the Revolving Credit Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

All such notices and other communications (A) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof or three Business Days after dispatch if sent by certified or registered mail, in each case, delivered, sent or mailed (properly addressed) to the relevant party as provided in this [Section 9.01](#) or in accordance with the latest unrevoked direction from such party given in accordance with this [Section 9.01](#) or (B) sent by facsimile shall be deemed to have been given when sent and when receipt has been confirmed by telephone; [provided](#) that notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices or other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in [clause \(b\)](#) below shall be effective as provided in such [clause \(b\)](#).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including e-mail, Internet or Intranet websites and the Platform (as defined below)) pursuant to procedures set forth herein or otherwise approved by the Administrative Agent, [provided](#) that the use of the Platform shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower (on behalf of any Loan Party) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures set forth herein or otherwise approved by it; [provided](#) that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, all such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); [provided](#) that any such notice or communication not given during the normal business hours of the recipient shall be deemed to have been given at the opening of business on the next Business Day for the recipient and (ii) posted to an Internet or Intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing [clause \(b\)\(i\)](#) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number or other notice information hereunder by notice to the other parties hereto; it being understood and agreed that the Borrower may provide any such notice to the Administrative Agent as recipient on behalf of itself, each Issuing Bank and each Lender.

Each of Holdings and the Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders and each Issuing Bank materials and/or information provided by, or on behalf of, Holdings or the Borrower hereunder (collectively, the "[Borrower Materials](#)") by posting the Borrower Materials on Intranet or another similar electronic system (the "[Platform](#)") and (b) certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that only wish to receive information and documentation that (x) is of a type that would be publicly available if Holdings and its Subsidiaries were public reporting companies, (y) is not material with respect to Holdings and its securities or (z) is publicly available (collectively, "[Public Lender Information](#)") (each, a "[Public Lender](#)"). Each of Holdings and the Borrower hereby agrees that (i) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," Holdings and the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any Private Lender Information (as defined below) ([provided](#) that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in [Section 9.13](#)), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor" and (iv) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not marked as "Public Investor." Notwithstanding the foregoing, the following Borrower Materials shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains Private Lender Information ([provided](#) that the Borrower has been notified of the proposed distribution within a reasonable time period prior thereto): (1) the Loan Documents, (2) any notification of changes in the terms of the Credit Facilities and (3) all information delivered pursuant to [Section 5.01](#) (other than information delivered pursuant to [Section 5.01\(g\)](#) or (k)). "[Private Lender Information](#)" means any information that is not Public Lender Information.

193

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to information, documents and other materials that Holdings or the Borrower is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the Lenders under [Article V](#), including all notices, requests, financial statements, financial and other reports, certificates and other information materials (all such communications being referred to herein collectively as "[Communications](#)") that are not made available through the "Public Side Information" portion of the Platform and that may contain Private Lender Information.

Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE

ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE PLATFORM, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its electronic mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's electronic mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

Section 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any party hereto therefrom shall in any event be effective unless the same is permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, to the extent permitted by applicable Requirements of Law, neither the making of any Loan nor the issuance of any Letter of Credit shall be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Subject to clauses (A), (B), (C), (D) and (E) of this Section 9.02(b) and Sections 9.02(c) and (d) below, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified, except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) or (ii) in the case of any other Loan Document (other than any waiver, amendment or modification to effectuate any modification thereto expressly contemplated by the terms of such other Loan Document), pursuant to an agreement or agreements in writing entered into by the Administrative Agent and each Loan Party that is party thereto, with the consent of the Required Lenders; provided that, notwithstanding the foregoing:

(A) the consent of each Lender directly and adversely affected thereby (but not the consent of the Required Lenders) shall be required for any waiver, amendment or modification that:

(1) increases the Commitment of such Lender; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall constitute an increase of any Commitment of such Lender;

(2) reduces the principal amount of any Loan owed to such Lender or reduces any amount due to such Lender on any Loan Installment Date; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Loans or other amounts shall constitute a reduction in the principal amount or any other amount due to any Lender;

(3) (x) extends the scheduled final maturity of any Loan or (y) postpones any Loan Installment Date or any Interest Payment Date with respect to any Loan held by such Lender or the date of any scheduled payment of any fee or premium payable to such Lender hereunder (in each case, other than any extension for administrative reasons agreed by the Administrative Agent); it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Loans shall constitute such an extension or postponement;

(4) reduces the rate of interest (other than to waive any Default or Event of Default or obligation of the Borrower to pay interest to such Lender at the default rate of interest under Section 2.13(c), which shall only require the consent of the Required Lenders) or the amount of any fee or premium owed to such Lender; it being understood that no change in the definition of "First Lien Leverage Ratio" or any other ratio used in the calculation of the Applicable Rate or the Commitment Fee Rate, or in the calculation of any other interest, fee or premium due hereunder (including any component definition thereof) shall constitute a reduction in any rate of interest or fee hereunder;

(5) extends the expiry date of such Lender's Commitment; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of any Commitment shall constitute an extension of any Commitment of any Lender; and

(6) waives, amends or modifies the provisions of (x) Sections 2.18(b) or 2.18(c) in a manner that would by its terms alter the pro rata sharing of payments required thereby or (y) Section 2.18(b) in a manner that alters the order in which payments are applied to repay the Secured Obligations, in each case except in connection with any transaction permitted under Sections 2.21, 2.22, 2.23, 9.02(c) and/or 9.05(a) or as otherwise provided in this Section 9.02;

(B) no such agreement shall:

(1) change (x) any of the provisions of Section 9.02(a) or Section 9.02(b) or the definition of "Required Lenders" to reduce any voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender, or (y) the definition of "Required Revolving Lenders" without the prior written consent of each Revolving Lender (it being understood that neither the consent of the Required Lenders nor the consent of any other Lender shall be required in connection with any change to the definition of "Required Revolving Lenders");

(2) release all or substantially all of the Collateral from the Lien granted pursuant to the Loan Documents (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article VIII), without the prior written consent of each Lender; or

(3) release all or substantially all of the value of the Guarantees under the Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article VIII), without the prior written consent of each Lender;

(C)solely with the consent of the Required Revolving Lenders (but without the consent of the Required Lenders or any other Lender), any such agreement may (x) waive, amend or modify Section 6.12 (or the definition of "First Lien Leverage Ratio" or any component definition thereof, in each case, as any such definition is used solely for purposes of Section 6.12) (other than, in the case of Section 6.12(a), for purposes of determining compliance with such Section as a condition to taking any action under this Agreement), (y) waive, amend or modify any condition precedent set forth in Section 4.02 as it pertains to any Revolving Loan or Letter of Credit and/or (z) waive any Default or Event of Default resulting from any failure to satisfy any condition precedent set forth in Section 4.02 as it pertains to any Revolving Loan or Letter of Credit; and

(D)solely with the consent of each Issuing Bank and, in the case of clause (x), the Administrative Agent, any such agreement may (x) increase or decrease the Letter of Credit Sublimit or (y) waive, amend or modify any condition precedent set forth in Section 4.02 hereof as it pertains to the issuance of any Letter of Credit; and

(E)no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Bank hereunder without the prior written consent of the Administrative Agent, Swingline Lender or such Issuing Bank, as the case may be.

(c) Notwithstanding the foregoing, this Agreement may be amended:

(i)with the written consent of the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing or replacement of all or any portion of the outstanding Term Loans under any Class (any such loans being refinanced or replaced, the "Replaced Term Loans") with one or more replacement term loans hereunder ("Replacement Term Loans") pursuant to a Refinancing Amendment; provided that

(A) the aggregate principal amount of any Class of Replacement Term Loans shall not exceed the aggregate principal amount of the relevant Replaced Term Loans plus (1) any additional amount permitted to be incurred under Section 6.01 and, to the extent any such additional amount is secured, the related Lien is permitted under Section 6.02 and plus (2) the amount of accrued interest and premium (including tender premium) thereon and underwriting discounts, fees (including upfront fees and original issue discount), commissions and expenses associated therewith),

(B)any Class of Replacement Term Loans must have a final maturity date that is equal to or later than the final maturity date of, and have a Weighted Average Life to Maturity equal to or greater than the Weighted Average Life to Maturity of, the applicable Replaced Term Loans at the time of the relevant refinancing; provided that, at the option of the Borrower, Replacement Term Loans (x) constituting Customary Bridge Loans or Term A Loans, (y) being incurred in connection with a Permitted Acquisition, Investment or other similar transaction or (z) in an aggregate principal amount up to the available Maturity/Weighted Average Life Excluded Amount, in each case, may be incurred without regard to this clause (B).

(C)any Class of Replacement Term Loans may be pari passu with or junior to any then-existing Class of Term Loans in right of payment and pari passu with or junior to such Class of Term Loans with respect to the Collateral or may be unsecured; provided that (x) any Class of Replacement Term Loans that is pari passu with any then-existing Class of Term Loan shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Borrower, documented in a separate agreement or agreements and (y) any Class of Replacement Term Loans that is junior to the Initial Term Loans with respect to security shall be pari passu with, or junior to, the Second Lien Term Loans and shall be subject to the Closing Date Intercreditor Agreement,

197

(G)any Class of Replacement Term Loans may have pricing (including interest, fees, MFN terms, discounts, rate floors and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrower and the lenders providing such Class of Replacement Term Loans may agree, and

(H)the terms and conditions of any Class of Replacement Term Loans (excluding pricing, interest, currency types and denominations, fees, MFN terms, discounts, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) must be, as reasonably determined in good faith by the Borrower, either (x) consistent with market terms and conditions (taken as a whole) at the time of the incurrence of such Replacement Term Loans or (y) not materially more restrictive on the Borrower and its Restricted Subsidiaries (taken as a whole) than those applicable to the relevant Replaced Term Loans (taken as a whole) (other than covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of incurrence of such Class of Replacement Term Loans)) (it being understood that to the extent that any financial maintenance covenant or other term is added for the benefit of the Lenders providing the relevant Class of Replacement Term Loans, the terms and conditions of such Replacement Term Loans will be deemed not to be more restrictive than the terms and conditions of the relevant Replaced Term Loans if such financial maintenance covenant or other term is also added for the benefit of all Classes of Loans remaining outstanding);

(ii)with the written consent of the Borrower and the Lenders providing the relevant Replacement Revolving Facility to permit the refinancing or replacement of all or any portion of any Revolving Credit Commitment of any Class (any such Revolving Credit Commitment being refinanced or replaced, a "Replaced Revolving Facility") with a replacement revolving facility hereunder (a "Replacement Revolving Facility") pursuant to a Refinancing Amendment; provided that:

198

(B)no Replacement Revolving Facility may have a final maturity date (or require commitment reductions) prior to the final maturity date of the relevant Replaced Revolving Facility at the time of such refinancing or require scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Initial Revolving Facility; provided that, at the option of the Borrower, Replacement Revolving Facilities in an aggregate principal amount up to the available Maturity/Weighted Average Life Excluded Amount may be incurred without regard to this clause (B).

(C)any Replacement Revolving Facility may be pari passu with or junior to any then-existing Revolving Credit Commitment in right of payment and pari passu with or junior to any then-existing Revolving Credit Commitment with respect to the Collateral or may be unsecured; provided that (x) any Replacement Revolving Facility that is pari passu with or junior to the Revolving Credit Commitment shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Borrower, documented in a separate agreement or agreements and (y) any Replacement Revolving Facility that is junior to any then-existing Revolving Credit Commitment with respect to security shall be pari passu with, or junior to, the Second Lien Term Loans and shall be subject to the Closing Date Intercreditor Agreement,

(D) any Replacement Revolving Facility that is secured may not be secured by any assets other than the Collateral,

(E) any Replacement Revolving Facility that is guaranteed may not be guaranteed by any Person that is not a Loan Party,

(F)any Replacement Revolving Facility shall be subject to the "ratability" provisions applicable to Extended Revolving Credit Commitments and Extended Revolving Loans set forth in the proviso to clause (i) of Section 2.23(a), *mutatis mutandis*, to the same extent as if fully set forth in this Section 9.02(c)(ii),

provided, further, that, in respect of each of subclauses (i) and (ii) of this clause (c), any Non-Debt Fund Affiliate and Debt Fund Affiliate shall (x) be permitted without the consent of the Administrative Agent to provide any Class of Replacement Term Loans, it being understood that in connection therewith, the relevant Non-Debt Fund Affiliate or Debt Fund Affiliate, as applicable, shall be subject to the restrictions applicable to such Person under Section 9.05 and (y) any Debt Fund Affiliate (but not any Non-Debt Fund Affiliate) may provide any Replacement Revolving Facility.

Each party hereto hereby agrees that this Agreement may be amended by the Borrower, the Administrative Agent and the lenders providing the relevant Class of Replacement Term Loans or the Replacement Revolving Facility, as applicable, to the extent (but only to the extent) necessary to reflect the existence and terms of such Class of Replacement Term Loans or Replacement Revolving Facility, as applicable, incurred or implemented pursuant thereto (including any amendment necessary to treat the loans and commitments subject thereto as a separate "tranche" and "Class" of Loans and/or commitments hereunder). It is understood that any Lender approached to provide all or a portion of any Class of Replacement Term Loans or any Replacement Revolving Facility may elect or decline, in its sole discretion, to provide such Class of Replacement Term Loans or Replacement Revolving Facility.

(d) Notwithstanding anything to the contrary contained in this Section 9.02 or any other provision of this Agreement or any provision of any other Loan Document:

(i)the Borrower and the Administrative Agent may, without the input or consent of any Lender, amend, supplement and/or waive any guaranty, collateral security agreement, pledge agreement and/or related document (if any) executed in connection with this Agreement to (A) comply with any Requirement of Law or the advice of counsel or (B) cause any such guaranty, collateral security agreement, pledge agreement or other document to be consistent with this Agreement and/or the relevant other Loan Documents,

(ii)the Borrower and the Administrative Agent may, without the input or consent of any other Lender (other than the relevant Lenders providing Loans under such Sections), effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrower and the Administrative Agent to (1) effect the provisions of Sections 2.22, 2.23, 5.12, 5.17 and/or 9.02(c), or any other provision specifying that any waiver, amendment or modification may be made with the consent or approval of the Administrative Agent and/or (2) to add terms (including, without limitation, representations and warranties, conditions, prepayments, covenants or events of default), in connection with the addition of any Loan or Commitment hereunder, that are favorable to the then-existing Lenders, as reasonably determined by the Administrative Agent,

(iii)if the Administrative Agent and the Borrower have jointly identified any ambiguity, mistake, defect, inconsistency, obvious error or any error or omission of a technical nature or any necessary or desirable technical change, in each case, in any provision of any Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision solely to address such matter as reasonably determined by them acting jointly,

200

(iv)the Administrative Agent and the Borrower may amend, restate, amend and restate or otherwise modify any Acceptable Intercreditor Agreement as provided therein,

(v)the Administrative Agent may amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05, Commitment reductions or terminations pursuant to Section 2.09, implementations of Additional Commitments or incurrences of Additional Loans pursuant to Sections 2.22, 2.23 and/or 9.02(c) and reductions or terminations of any such Additional Commitments or Additional Loans,

(vi)no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except as permitted pursuant to Section 2.21(b) and except that the Commitment and any Additional Commitment of any Defaulting Lender may not be increased without the consent of such Defaulting Lender (it being understood that any Commitment or Loan held or deemed held by any Defaulting Lender shall be excluded from any vote hereunder that requires the consent of any Lender, except as expressly provided in Section 2.21(b)),

(vii)this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional Credit Facilities to this Agreement and to permit any extension of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the relevant benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, and

(viii)any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into solely by the Borrower, the Administrative Agent and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time.

201

(e)Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (alone or together with its Affiliates (but subject to clause (vi) below)) (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Lender) that, as a result of its (or its Affiliates' (but subject to clause (vi) below)) interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (in each case unless otherwise agreed to by the Borrower). For purposes of determining whether a Lender (alone or together with its Affiliates (but subject to clause (vi) below)) has a "net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes any Loan Party or any instrument issued or guaranteed by any Loan Party shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Loan Parties and any instrument issued or guaranteed by any of the Loan Parties, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender or its

Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any Loan Party (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions, (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender or its Affiliates protection in respect of the Loans or the Commitments, or as to the credit quality of any Loan Party (or its successor) other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Loan Parties and any instrument issued or guaranteed by any of the Loan Parties, collectively, shall represent less than 5% of the components of such index and (vi) in connection with any such amendment, waiver, action or direction each Lender shall provide a certification or deemed certification to the Administrative Agent and the Borrower that such Lender is not knowingly and intentionally acting in concert with any of its Affiliates (other than any Affiliates designated in writing by such Lender whose interests in the Loans and/or Commitments and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract shall be included in determining whether such Lender is a Net Short Lender (each, a "Designated Affiliate")) for the express purpose of creating (and in fact creating) the same economic effect with respect to the Loan Parties as though such Lender were a Net Short Lender at such time, in which case the interests of the Affiliates (other than any Designated Affiliates) of such Lender in the Loans and/or Commitments and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract shall not be included in determining whether such Lender is a Net Short Lender. In connection with any such determination, each Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Lender) shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Administrative Agent shall be entitled to conclusively rely on each such representation and deemed representation and shall have no duty to (x) inquire as to or investigate the accuracy of any such representation or deemed representation, (y) verify any statements in any officer's certificates delivered to it or (z) otherwise ascertain or monitor whether any Lender, Eligible Assignee or Participant or prospective Lender, Eligible Assignee or Participant is a Net Short Lender or make any calculations, investigations or determinations with respect to any derivative contracts and/or net short positions). Without limiting the foregoing, the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to the Net Short Lenders or (B) have any liability with respect to or arising out of any assignment or participation of Loans to any Net Short Lender.

Section 9.03 Expenses; Indemnity.

(a) The Borrower shall pay (i) if the Closing Date occurs, all reasonable and documented out-of-pocket expenses incurred by each Arranger, the Administrative Agent and their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of Cravath, Swaine & Moore LLP and, if necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole, and, solely in the case of an actual or potential conflict of interest, one additional counsel to each similarly situated group of affected Persons, taken as a whole, and, if reasonably necessary, one additional local counsel to each similarly situated group of affected Persons, taken as a whole, in each relevant jurisdiction) in connection with the syndication and distribution (including via the Internet or through a service such as IntraLinks) of the Credit Facilities, the preparation, execution, delivery and administration of the Loan Documents and any related documentation, including in connection with any amendment, modification or waiver of any provision of any Loan Document (whether or not the transactions contemplated thereby are consummated, but only to the extent the preparation of any such amendment, modification or waiver was requested by the Borrower and except as otherwise provided in a separate writing between the Borrower, the relevant Arranger and/or the Administrative Agent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Issuing Banks or the Lenders or any of their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of counsel and, if necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the enforcement, collection or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section, or in connection with the Loans made and/or Letters of Credit issued hereunder. Except to the extent required to be paid on the Closing Date, all amounts due under this paragraph (a) shall be payable by the Borrower within 30 days of receipt by the Borrower of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) The Borrower shall indemnify each Arranger, the Administrative Agent, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of counsel and, if necessary, of one local counsel in any relevant jurisdiction to all Indemnitees, taken as a whole, and, solely in the case of an actual or potential conflict of interest, one additional counsel to each similarly situated group of affected Persons, taken as a whole, and, if reasonably necessary, one additional local counsel to each similarly situated group of affected Persons, taken as a whole, in each relevant jurisdiction) incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of any claim, litigation, investigation or proceeding, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrower, any other Loan Party or any of their respective Affiliates) relating to (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby and/or the enforcement of the Loan Documents, (ii) the use or the proposed use of the proceeds of the Loans or any Letter of Credit or (iii) any actual or alleged Release, threatened Release or presence of Hazardous Materials on, at, under or from any property currently or formerly owned, leased or operated by the Borrower, any of its Restricted Subsidiaries or any other Loan Party or any other Environmental Liability to the extent related to the Borrower, any of its Restricted Subsidiaries or any other Loan Party; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that any such loss, claim, damage, or liability (i) is determined by a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, or to the extent such judgment finds that any such loss, claim, damage, or liability has resulted from such Person's material breach of the Loan Documents or (ii) arises out of any claim, litigation, investigation or proceeding brought by such Indemnitee against another Indemnitee (other than any claim, litigation, investigation or proceeding that is brought by or against the Administrative Agent or any Arranger, acting in its capacity as the Administrative Agent or as an Arranger) that does not arise out of any act or omission of the Sponsors, Holdings, the Borrower or any of its subsidiaries. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return any and all amounts paid by the Borrower pursuant to this Section 9.03(b) to such Indemnitee for any fees, expenses, or damages to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. All amounts due under this paragraph (b) shall be payable by the Borrower within 30 days (x) after receipt by the Borrower of a written demand therefor, in the case of any indemnification obligations and (y) in the case of reimbursement of costs and expenses, after receipt by the Borrower of an invoice setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request. This Section 9.03(b) shall not apply to Taxes other than any Taxes that represent losses, claims, damages or liabilities in respect of a non-Tax claim.

203

(c) The Borrower shall not be liable for any settlement of any proceeding effected without the written consent of the Borrower (which consent shall not be unreasonably withheld, delayed or conditioned (it being understood that the withholding of consent due to non-satisfaction of either of the conditions described in clauses (i) and (ii) of the following sentence (with "Borrower" being substituted for "Indemnitee" in each such clause) shall be deemed reasonable)), but if any proceeding is settled with the written consent of the Borrower, or if there is a final judgment against any Indemnitee in any such proceeding, the Borrower agrees to indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Borrower shall not, without the prior written consent of the affected Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless (i) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceeding and (ii) such settlement does not include any statement as to any admission of fault or culpability of the relevant Indemnitee.

(d) No indemnitee referred to above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby except to the extent the liability of any such person is found in a final ruling by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct.

Section 9.04 Waiver of Claim. To the extent permitted by applicable Requirements of Law, no party to this Agreement shall assert, and each hereby waives, any claim against any other party hereto, any Loan Party and/or any Related Party of any thereof, on any theory of liability, for special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings) (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or any Letter of Credit or the use of the proceeds thereof, except, in the case of any claim by any Indemnitee against the Borrower, to the extent such damages are included in any claim by a third party unaffiliated with any of parties hereto that would otherwise be subject to indemnification pursuant to the terms of Section 9.03.

204

Section 9.05 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that (i) except in a transaction permitted under Section 6.07(a), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with the terms of this Section 9.05 (any attempted assignment or transfer not complying with the terms of this Section 9.05 shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and permitted assigns, to the extent provided in paragraph (c) of this Section 9.05, Participants and, to the extent expressly contemplated hereby, the Related Parties of each of the Arrangers, the Administrative Agent, the Swingline Lenders, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of any Additional Loan or Additional Commitment added pursuant to Sections 2.22, 2.23 and/or 9.02(c)) at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that (x) the Borrower shall be deemed to have consented to any assignment of Term Loans unless it has objected thereto by written notice to the Administrative Agent within 15 Business Days after receipt of written notice thereof and (y) the consent of the Borrower shall not be required for any assignment (1) of Term Loans or Term Commitments to any Term Lender, any Affiliate of any Term Lender or an Approved Fund, (2) of Term Loans or Term Commitments to the Sponsors, any Affiliate of the Sponsors or Holdings or any of its Subsidiaries or (3) at any time when a Specified Event of Default (with respect to the Borrower) exists;

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for any assignment (1) to another Lender, any Affiliate of a Lender or any Approved Fund or (2) to the Sponsors, any Affiliate of the Sponsors or Holdings or any of its Subsidiaries in accordance with the terms of this Agreement; and

(C) in the case of any Revolving Credit Commitment, each Issuing Bank and Swingline Lender, not to be unreasonably withheld or delayed.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of any assignment to another Lender, any Affiliate of any Lender or any Approved Fund or any assignment of the entire remaining amount of the relevant assigning Lender's Loans or Commitments of any Class, the principal amount of Loans or Commitments of the assigning Lender subject to the relevant assignment (determined as of the date on which the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent and determined on an aggregate basis in the event of concurrent assignments to Related Funds or by Related Funds) shall not be less than (x) \$1,000,000, in the case of Term Loans and Term Commitments and (y) \$5,000,000, in the case of Revolving Loans and Revolving Credit Commitments, unless the Borrower and the Administrative Agent otherwise consent;

205

(B) any partial assignment shall be made as an assignment of a proportionate part of all the relevant assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(D) the relevant Eligible Assignee, if it is not a Lender, shall deliver on or prior to the effective date of such assignment, to the Administrative Agent (1) an Administrative Questionnaire and (2) any IRS form required under Section 2.17; and

(E) assignments of all or any portion of the Revolving Credit Commitment of a Lender that is also a Swingline Lender or an Issuing Bank may be made; provided that, unless the Borrower otherwise agrees, (1) the assignee (or any Lender with a Revolving Credit Commitment who agrees to act in such capacity) shall be or become a Swingline Lender and/or an Issuing Bank, as applicable, and assume a ratable portion of such assignor's Swingline Commitment and/or LC Commitment and its rights and obligations in its capacity as Swingline Lender and/or Issuing Bank or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to, and obligations to make or issue, Swingline Loans and Letters of Credit hereunder in which case the Swingline Exposure and/or LC Exposure, as applicable, of such assignor may exceed such assignor's Revolving Credit Commitment for purposes of Section 2.04(a) and Section 2.05(b) by an amount not to exceed the difference between the assignor's Revolving Credit Commitment prior to such assignment and the assignor's Revolving Credit Commitment following such assignment.

(iii) Subject to the acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 9.05, from and after the effective date specified in any Assignment and Assumption, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned pursuant to such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be (A) entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment and (B) subject to its obligations thereunder and under Section 9.13). If any assignment by any Lender holding any Promissory Note is made after the issuance of such Promissory Note, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender such Promissory Note to the Administrative Agent for cancellation, and, following such cancellation, if requested by either the assignee or the assigning Lender, the Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and their respective successors and assigns, and the commitment of, and principal amount and interest on the Loans and LC Disbursements owing to, each Lender or Issuing Bank pursuant to the terms hereof from time to time (the "Register"). Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans and LC Disbursements. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, each Issuing Bank and each Lender (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice. The parties intend that all Loans will be at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury Regulation (or any other relevant or successor provisions of the Code or of such Treasury Regulation).

206

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire and any tax certification required by Section 9.05(b)(ii)(D)(2) (unless the assignee is already a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.05, if applicable, and any written consent to the relevant assignment required by paragraph (b) of this Section 9.05, the Administrative Agent shall promptly accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in paragraph (b) of this Section 9.05.

(vi) By executing and delivering an Assignment and Assumption, the assigning Lender and the Eligible Assignee thereunder shall be deemed to confirm and agree with each other and the other parties hereto as follows: (A) the assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the amount of its commitments, and the outstanding balances of its Loans, in each case without giving effect to any

assignment thereof which has not become effective, are as set forth in such Assignment and Assumption, (B) except as set forth in clause (A) above, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statement, warranty or representation made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Restricted Subsidiary or the performance or observance by the Borrower or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, (C) the assignee represents and warrants that it is an Eligible Assignee, legally authorized to enter into such Assignment and Assumption and that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution, (D) the assignee confirms that it has received a copy of this Agreement and any Acceptable Intercreditor Agreement, together with copies of the financial statements referred to in Section 4.01(c) or the most recent financial statements delivered pursuant to Section 5.01, as applicable, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption, (E) the assignee will independently and without reliance upon the Administrative Agent, the Arrangers, the assigning Lender or any other Lender and based on such documents and information as it deems appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (F) if the assignee is a Foreign Lender, attached to such Assignment and Assumption is any documentation required to be delivered by it pursuant to the terms of this Agreement, duly completed and executed by the assignee, (G) if the assignee is not already a Lender under this Agreement, attached to the Assignment and Assumption is a customary administrative questionnaire in the form provided by the Administrative Agent, (H) the assignee has attached to such Assignment and Assumption any tax documentation (including without limitation the IRS forms, any FATCA documentation, and, if applicable, a U.S. Tax Compliance Certificate) required to be delivered by it pursuant to the terms of this Agreement, duly completed and executed by it, (I) the assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to or conferred upon the Administrative Agent, by the terms hereof, together with such powers as are reasonably incidental thereto, and (J) the assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

207

(vii) Any assignment by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.05(b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance Section 9.05(c).

(c)(i) Any Lender may, without the consent of the Borrower, the Administrative Agent, any Issuing Bank or any other Lender, sell participations to any bank or other entity (other than to any Disqualified Institution (provided that the list of Disqualified Institutions (other than any "reasonably identifiable affiliate" (on the basis of such Affiliate's name) included in the definition of "Disqualified Institution") is made available to any Lender who specifically requests a copy thereof), any natural Person or, other than with respect to any participation to any Debt Fund Affiliate (any such participations to a Debt Fund Affiliate being subject to the limitation set forth in the first proviso of the last paragraph set forth in Section 9.05(g), as if the limitation applied to such participations), the Borrower or any of its Affiliates) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which any Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the relevant Participant, agree to any amendment, modification or waiver described in (x) clause (A) of the first proviso to Section 9.02(b) that directly and adversely affects the Loans or commitments in which such Participant has an interest or (y) any of clauses (B)(1), (2) or (3) of the first proviso to Section 9.02(b). Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of such Sections and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (it being understood that the documentation required under Section 2.17(e) is delivered solely to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(b), to the Borrower and the Administrative Agent). To the extent permitted by applicable Requirements of Law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were a Lender; provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) No Participant shall be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation unless the sale of the participation to such Participant is made with the Borrower's prior written consent expressly acknowledging that such Participant's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the participating Lender would have been entitled to receive absent the participation.

208

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and its respective successors and registered assigns, and the principal and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (a "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of any Participant Register (including the identity of any Participant or any information relating to any Participant's interest in any Commitment, Loan, Letter of Credit or any other obligation under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the US Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d)(i) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Institution (provided that the list of Disqualified Institutions (other than any "reasonably identifiable affiliate" (on the basis of such Affiliate's name) included in the definition of "Disqualified Institution") is made available to any Lender who specifically requests a copy thereof) or any natural person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to any Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 9.05 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release any Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPC"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) in no event may any Lender grant any option to provide to the Borrower all or any part of any Loan that such Granting Lender would have otherwise been obligated to make to the Borrower pursuant to this Agreement to any Disqualified Institution. The making of any Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (A) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 2.15, 2.16 or 2.17) and no SPC shall be entitled to any greater amount under Section 2.15, 2.16 or 2.17 or any other provision of this Agreement or any other Loan Document than the Granting Lender would have been entitled to receive, except to the extent an entitlement to receive a greater payment results from a Change in Law that occurs after the grant to the SPC, unless the grant to such SPC is made with the prior written consent of the Borrower expressly acknowledging that such SPC's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the Granting Lender would have been entitled to receive absent the grant to the SPC, (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender) and (C) the Granting Lender shall for all purposes including approval of any amendment, waiver or other modification of any provision of the Loan Documents, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the Requirements of Law of the US or any State thereof; provided that (x) such SPC's Granting Lender is in compliance in all material respects with its obligations to the Borrower hereunder and (y) each Lender designating any SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.05, any SPC may (1) with notice to, but without the prior written consent of, the Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guaranty or credit or liquidity enhancement to such SPC.

209

(f) If any assignment or participation under this Section 9.05 is made to any Disqualified Institution (other than any Bona Fide Debt Fund) without the Borrower's prior written consent (any such person, a "Disqualified Person"), then the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Person and the Administrative Agent, (A) terminate any Commitment of such Disqualified Person and cause the Borrower to repay all obligations of the Borrower owing to such Disqualified Person, (B) in the case of any outstanding Term Loans held by such Disqualified Person, purchase such Term Loans by paying the lesser of (x) par and (y) the amount that such Disqualified Person paid to acquire such Term Loans, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder and/or (C) require such Disqualified Person to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.05), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees; provided that (I) in the case of clause (B), the applicable Disqualified Person has received payment of an amount equal to the lesser of (1) par and (2) the amount that such Disqualified Person paid for the applicable Loans and participations in Letters of Credit, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Borrower, (II) in the case of clauses (A) and (B), the Borrower shall be liable to the relevant Disqualified Person under Section 2.16 if any Adjusted Eurocurrency Rate Loan owing to such Disqualified Person is repaid or purchased other than on the last day of the Interest Period relating thereto and (III) in the case of clause (C), the relevant assignment shall otherwise comply with this Section 9.05 (except that (x) no registration and processing fee required under this Section 9.05 shall be required with any assignment pursuant to this paragraph and (y) any Term Loan acquired by any Affiliated Lender pursuant to this paragraph will not be included in calculating compliance with the Affiliated Lender Cap for a period of 90 days following such transfer; provided that, to the extent the aggregate principal amount of Term Loans held by Affiliated Lenders exceeds the Affiliated Lender Cap on the 91st day following such transfer, then such excess amount shall either be (x) contributed to Holdings, the Borrower or any of its subsidiaries and retired and cancelled immediately upon such contribution or (y) automatically cancelled). Nothing in this Section 9.05(f) shall be deemed to prejudice any right or remedy that Holdings or the Borrower may otherwise have at law or equity. The Administrative Agent shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Institutions or for any assignment or participation to a Disqualified Person. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (A) be obligated to ascertain, monitor or inquire as to whether any Lender, Eligible Assignee or Participant or prospective Lender, Assignee or Participant is a Disqualified Institution or (B) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information (including Information), to any Disqualified Person.

(g) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to any Affiliated Lender on a non-pro rata basis (A) through Dutch Auction open to all Lenders holding the relevant Term Loans on a pro rata basis or (B) through open market purchases, in each case with respect to clauses (A) and (B), without the consent of the Administrative Agent; provided that:

(i) any Term Loans acquired by Holdings, the Borrower or any of its Restricted Subsidiaries shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced on a pro rata basis by the full par value of the aggregate principal amount of Term Loans so cancelled;

210

(ii) any Term Loans acquired by any Non-Debt Fund Affiliate may (but shall not be required to) be contributed to Holdings, the Borrower or any of its subsidiaries (it being understood that any Term Loans so contributed shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled promptly upon such contribution); provided that upon any such cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so contributed and cancelled;

(iii) the relevant Affiliated Lender and assigning Lender shall have executed an Affiliated Lender Assignment and Assumption;

(iv) after giving effect to the relevant assignment and to all other assignments to all Affiliated Lenders, the aggregate principal amount of all Term Loans then held by all Affiliated Lenders shall not exceed 30% of the aggregate principal amount of the Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) (the "Affiliated Lender Cap"); provided that each party hereto acknowledges and agrees that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (g)(iv) or any purported assignment exceeding the Affiliated Lender Cap (it being understood and agreed that the Affiliated Lender Cap is intended to apply to any Loan made available to Affiliated Lenders by means other than formal assignment (e.g., as a result of an acquisition of another Lender (other than any Debt Fund Affiliate) by any Affiliated Lender or the provision of Additional Term Loans by any Affiliated Lender)); provided, further, that to the extent that any assignment to any Affiliated Lender would result in the aggregate principal amount of Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (after giving effect to any substantially simultaneous cancellation thereof), the assignment of the relevant excess amount shall be null and void;

(v) in connection with any assignment effected pursuant to a Dutch Auction and/or open market purchase conducted by Holdings, the Borrower or any of its Restricted Subsidiaries, (A) the relevant Person may not use the proceeds of any Revolving Loans to fund such assignment, (B) no Default or Event of Default exists at the time of acceptance of bids for the Dutch Auction or the entry into a binding agreement with respect to the relevant open market purchase, as applicable, and (C) such offer shall have been made to all Term Lenders with respect to the Class of Term Loans subject to such Dutch Auction; and

211

(vi) by its acquisition of Term Loans, each relevant Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote (and the Term Loans held by such Affiliated Lender shall be deemed to be voted pro rata along with the other Lenders that are not Affiliated Lenders); provided that (x) such Affiliated Lender shall have the right to vote (and the Term Loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all Lenders directly and adversely affected thereby, as the case may be, and (y) no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder, in each case without the consent of such Affiliated Lender; and

(B) such Affiliated Lender, solely in its capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) or participate in any meeting or discussion (or portion thereof) solely among the Administrative Agent and any Lender or solely among Lenders and, in each case, to which the Loan Parties and their representatives are not invited, or (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available by the Administrative Agent or any Lender to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to Article II);

(vii) no Affiliated Lender shall be required to represent or warrant that, as of the date of any such purchase or assignment, it is not in possession of material non-public information with respect to Holdings, the Borrower and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 9.05(g); and

(viii) in any proceeding under any Debtor Relief Law, the interest of any Affiliated Lender in any Term Loan will be deemed to be voted in the same proportion as the vote of Lenders that are not Affiliated Lenders on the relevant matter and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (i) deemed not to be in good faith and (ii) "designated" pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that each Affiliated Lender will be entitled to vote its interest in any Term Loan for any plan of reorganization or other arrangement with respect to which the relevant vote being sought proposes to treat the interest of such Affiliated Lender in such Term Loan in a manner that is less favorable to such Affiliated Lender than the proposed treatment of Term Loans held by other Term Lenders.

Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans and/or Term Commitments to any Debt Fund Affiliate, and any Debt Fund Affiliate may, from time to time, purchase Loans and/or Commitments (x) on a non-pro rata basis through Dutch Auctions open to all applicable Lenders or (y) on a non-pro rata basis through open market purchases without the consent of the Administrative Agent, in each case, notwithstanding the requirements set forth in subclauses (i) through (viii) of this clause (g); provided that the Loans and Commitments held by all Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document; it being understood and agreed that the portion of the Loan and/or Commitments that accounts for more than 49.9% of the relevant Required Lender action shall be deemed to be voted pro rata along with other Lenders that are not Debt Fund Affiliates. Any Loans acquired by any Debt Fund Affiliate may (but shall not be required to) be contributed to Holdings, the Borrower or any of its subsidiaries for purposes of cancelling such Indebtedness (it being understood that any Loans so contributed shall be retired and cancelled immediately upon thereof); provided that upon any such cancellation, the aggregate outstanding principal amount of the relevant Class of Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Loans so contributed and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of any applicable Term Loans so contributed and cancelled.

Section 9.06 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loan and issuance of any Letter of Credit regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17, 9.03 and 9.13 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Credit Commitment, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof but in each case, subject to the limitations set forth in this Agreement.

Section 9.07 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and the Fee Letter and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it has been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent has received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a ".pdf" or ".tif" attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.08 Severability. To the extent permitted by applicable Requirements of Law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.09 Right of Setoff. At any time when an Event of Default exists, upon the written consent of the Administrative Agent and each Issuing Bank, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (in any currency) at any time owing by the Administrative Agent, such Issuing Bank or such Lender to or for the credit or the account of any Loan Party against any and all of the Secured Obligations then due and owing held by the Administrative Agent, such Issuing Bank, such Lender or their respective Affiliates, irrespective of whether or not the Administrative Agent, such Issuing Bank or such Lender shall have made any demand under the Loan Documents and although such obligations are owed to a branch or office of such Lender or Issuing Bank different than the branch or office holding such deposit or obligation on such Indebtedness. Any applicable Lender or Issuing Bank shall promptly notify the Borrower and the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender, each Issuing Bank, the Administrative Agent and each of their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender, such Issuing Bank, the Administrative Agent or their respective Affiliates may have.

Section 9.11 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE REQUIREMENTS OF LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.12 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.13 Confidentiality. Each of the Administrative Agent, each Lender, each Issuing Bank and each Arranger agrees (and each Lender agrees to cause its SPC, if any) to maintain the confidentiality of the Confidential Information (as defined below), except that Confidential Information may be disclosed (a) to its Affiliates and its and their respective limited partners, lenders, investors, managed accounts and rating agencies and to the respective directors, officers, managers, members, accountants, agents, employees, independent auditors, or other experts and advisors of it or any of the foregoing, including accountants, legal counsel and other advisors (collectively, the "Representatives") on a "need to know" basis solely in connection with the transactions contemplated hereby or in connection with the administration, evaluation or monitoring of the Commitments and/or Loans of the relevant Person hereunder and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that such Person shall be responsible for its Affiliates' and its and their respective Representatives' compliance with this paragraph with respect to any information provided to the applicable Representative by the relevant disclosing Person; provided, further, that unless the Borrower otherwise consents, no such disclosure shall be made by the Administrative Agent, any Issuing Bank, any Arranger, any Lender or any Affiliate or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Issuing Bank, any Arranger, or any Lender that is a Disqualified Institution (other than, if applicable, any senior employee who is required, in accordance with industry regulations or the relevant Disqualified Institution's internal policies and procedures, to act in a supervisory capacity and the internal legal, compliance, risk management, credit or investment committee members of the relevant Disqualified Institution), (b) to the extent compelled by legal process in, or reasonably necessary to, the defense of such legal, judicial or administrative proceeding, in any legal, judicial or administrative proceeding or otherwise as required by applicable Requirements of Law (in which case such Person shall, (i) to the extent permitted by applicable Requirements of Law, inform the Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (c) upon the demand or request of any regulatory or governmental authority (including any self-regulatory body and including the National Insurance Commissioners Association) purporting to have jurisdiction over such Person or its Affiliates (in which case such Person shall, except with respect to any audit or examination conducted by bank accountants or any Governmental Authority or regulatory or self-regulatory authority exercising examination or regulatory authority, to the extent permitted by applicable Requirements of Law, (i) inform the Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment, (d) to any other party to this Agreement, (e) subject to an acknowledgment and agreement by the relevant recipient that the Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to the Borrower and the Administrative Agent, including as set forth in the Information Memorandum) in accordance with the standard syndication process of the Arrangers or market standards for dissemination of the relevant type of information, which shall in any event require "click through" or other affirmative action on the part of the recipient to access the Confidential Information and acknowledge its confidentiality obligations in respect thereof (with the disclosing party, to the extent such recipient's compliance is within its control, being responsible for such compliance), to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement, including any SPC (in each case other than a Disqualified Institution; provided that the list of Disqualified Institutions may, upon their reasonable request, be made available to any prospective Eligible Assignee or prospective Participant on a confidential basis so that any such prospective Eligible Assignee or prospective Participant may represent and warrant that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution), (ii) any pledgee referred to in Section 9.05, (iii) any actual or prospective, direct or indirect contractual counterparty (or its advisors) to any Derivative Transaction (including any credit default swap, total return swap or total rate of return swap) or similar derivative product to which any Loan Party is a party and (iv) subject to the Borrower's prior approval of the information to be disclosed (not to be unreasonably withheld or delayed), to Moody's or S&P on a confidential basis in connection with obtaining or maintaining ratings as required under Section 5.13, (f) with the prior written consent of the Borrower, (g) to the extent the Confidential Information becomes publicly available other than as a result of a breach of this Section by such Person, its Affiliates or their respective Representatives, (h) to any rating agency when required by it or the CUSIP Service Bureau or any similar agency in connection with the issuance or monitoring of CUSIP numbers or other market identifiers with respect to the Credit Facilities provided hereunder and (i) to market data collectors, similar services providers to the lending industry, and service providers to the Administrative Agent and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents. For purposes of this Section, "Confidential Information" means all information relating to Holdings, the Borrower and/or any of its subsidiaries and their respective businesses or the Transactions (including any information obtained by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, or any of their respective Affiliates or Representatives, based on a review of any books and records relating to Holdings, the Borrower and/or any of its subsidiaries and their respective Affiliates from time to time, including prior to the date hereof) other than any such information that is publicly available to the Administrative Agent or any Arranger, Issuing Bank, or Lender on a non-confidential basis prior to disclosure by Holdings, the Borrower or any of its subsidiaries. For the avoidance of doubt, in no event shall any disclosure of any Confidential Information be made to Person that is a Disqualified Institution at the time of disclosure.

Section 9.14 No Fiduciary Duty. Each of the Administrative Agent, the Arrangers, each Lender, each Issuing Bank and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their respective Affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its respective stockholders or its respective affiliates, on the other. Each Loan Party acknowledges and agrees that: (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender, in its capacity as such, has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender, in its capacity as such, is acting solely as principal and not as the agent or fiduciary of such Loan Party, its respective management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that such Loan Party has consulted its own legal, tax and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto.

Section 9.15 Several Obligations. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan, issue any Letter of Credit or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder.

Section 9.16 Anti-Money Laundering Legislation.

(a) Each Lender that is subject to the requirements of the USA PATRIOT Act or any other applicable anti-money laundering, anti-terrorist financing, government sanction and "know your client" Requirement of Law (collectively, "AML Legislation") and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the AML Legislation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent to identify such Loan Party in accordance with the such AML Legislation. The Borrower shall promptly provide and cause its subsidiaries that are Loan Parties to provide such information as may be reasonably requested by any Lender or the Administrative Agent (for itself and not on behalf of any Lender), or any prospective assignee of any Lender or the Administrative Agent, in order to comply with such AML Legislation, whether now or hereafter in existence. This notice is given in accordance with the requirements of the AML Legislation and is effective as to the Lenders and the Administrative Agent.

(b)If, upon the written request of any Lender, the Administrative Agent has ascertained the identity of the Borrower or any other Loan Party or any authorized signatory of such Person for the purposes of applicable AML Legislation on such Lender's behalf, then the Administrative Agent:

(i)shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a "written agreement" in such regard between such Lender and the Administrative Agent within the meaning of applicable AML Legislation; and

(ii)shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c)Notwithstanding anything to the contrary in this Section 9.16, each of the Lenders agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any other Loan Party or any authorized signatory of such Person, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any such person or any such authorized signatory in doing so.

Section 9.17 Disclosure of Agent Conflicts. Each Loan Party, each Issuing Bank and each Lender hereby acknowledge and agree that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

217

Section 9.18 Appointment for Perfection; Release of Liens and Guarantees.

(a)Each Lender hereby appoints each other Lender and each Issuing Bank as its agent for the purpose of perfecting Liens for the benefit of the Administrative Agent, the Issuing Banks and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable Requirement of Law can be perfected only by possession. If any Lender or Issuing Bank (other than the Administrative Agent) obtains possession of any Collateral, such Lender, Issuing Bank shall notify the Administrative Agent thereof and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

(b)The Liens on any property granted to or held by the Administrative Agent under any Loan Document (x) shall be automatically released (i) upon the occurrence of the Termination Date, (ii) upon the sale or transfer of such property in connection with any Disposition permitted under the Loan Documents to a Person that is not a Loan Party, (iii) upon such property becoming an Excluded Asset, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Guaranty under the Loan Guaranty otherwise in accordance with the Loan Documents and (y) shall be released by the Administrative Agent as expressly set forth in Article VIII in connection with the approval, authorization or ratification in writing by the Required Lenders approving such release (or the release of a Subsidiary Guarantor owning such property) in accordance with Section 9.02.

(c)Any Subsidiary Guarantor shall be automatically released from all its obligations under the Loan Documents (including its Guaranty under the Loan Guaranty) (i) in the case of any Subsidiary Guarantor, upon the consummation of any permitted transaction or series of related transactions if as a result thereof such Subsidiary Guarantor ceases to be a Restricted Subsidiary or, upon written request by a Responsible Officer of the Borrower, becomes an Excluded Subsidiary (including upon the effectiveness of any approval, authorization or ratification in writing by the Required Lenders approving such release in accordance with Section 9.02) and/or (ii) upon the occurrence of the Termination Date.

Section 9.19 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or Letter of Credit, together with all fees, charges and other amounts which are treated as interest on such Loan or Letter of Credit under applicable Requirements of Law (collectively the "Charged Amounts"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or Letter of Credit in accordance with applicable Requirements of Law, the rate of interest payable in respect of such Loan or Letter of Credit hereunder, together with all Charged Amounts payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charged Amounts that would have been payable in respect of such Loan or Letter of Credit but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charged Amounts payable to such Lender or Issuing Bank in respect of other Loans or Letters of Credit shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, have been received by such Lender or Issuing Bank.

Section 9.20 Intercreditor Agreements. REFERENCE IS MADE TO THE CLOSING DATE INTERCREDITOR AGREEMENT AND EACH OTHER ACCEPTABLE INTERCREDITOR AGREEMENT (IF ANY). EACH LENDER AND ISSUING BANK HEREUNDER AGREES THAT IT WILL BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT AND AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT IN THE CAPACITY OTHERWISE PERMITTED HEREUNDER AND ON BEHALF OF SUCH LENDER OR ISSUING BANK. THE PROVISIONS OF THIS SECTION 9.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER AND ISSUING BANK IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER OR ISSUING BANK AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT.

218

Section 9.21 Conflicts. Notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event of any conflict or inconsistency between this Agreement and any other Loan Document, the terms of this Agreement shall govern and control; provided that in the case of any conflict or inconsistency between the Closing Date Intercreditor Agreement or any other Acceptable Intercreditor Agreement and any Loan Document, the terms of the Closing Date Intercreditor Agreement or such other Acceptable Intercreditor Agreement (as applicable) shall govern and control.

Section 9.22 Effectiveness of the Target Merger. The Target shall have no rights or obligations hereunder until the consummation of the Acquisition and its merger with Merger Sub pursuant to the Target Merger and any representations and warranties of the Target hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target shall succeed to all the rights and obligations of Merger Sub under this Agreement and the other Loan Documents to which it is a party and all representations and warranties of the Target shall become effective as of the date hereof, without any further action by any Person.

Section 9.23 Effectiveness of the Closing Date Borrower Assumption.

(a)Effective upon the consummation of the Acquisition and the Target Merger, the Target hereby assign all rights and obligations (including the Obligations) of Merger Sub and the Target under this Agreement and the Fee Letter to the Company, effective upon the consummation of the Acquisition, and the Company hereby assumes all the rights and obligations (including the Obligations) of the Target under this Agreement and the Fee Letter and agrees that thereafter it shall be the "Borrower" under, and for all purposes of, this Agreement, the Fee Letter and the other Loan Documents and neither Merger Sub nor the Target shall continue to be the "Borrower" under this Agreement, the Fee Letter or the other Loan Documents (collectively, the "Closing Date Borrower Assumption"). From and after the Closing Date Borrower Assumption, the Target is hereby released from all the Obligations of the "Borrower" under this Agreement, the Fee Letter and the other Loan Documents.

(b)Neither the Target nor the Company shall have any rights or obligations hereunder until the consummation of the Acquisition, the Target Merger and the Closing Date Borrower Assumption and any representations and warranties of the Borrower (other than Merger Sub) hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target Merger and the Closing Date Borrower Assumption, the Company shall succeed to all the rights and obligations of Merger Sub and the Target under this Agreement and the other Loan Documents to which it is a party and all representations and warranties of the Company in its capacity as the Borrower shall become effective as of the date hereof, without any further action by any Person.

Section 9.24 Effectiveness of the Closing Date Holdings Assumption.

(a)Effective upon the consummation of the Acquisition, Initial Holdings hereby assigns all rights and obligations (including the Obligations) of Initial Holdings under this Agreement and the Fee Letter to BNVC Holdings, Inc., effective upon the consummation of the Acquisition, and BNVC Holdings, Inc. hereby assumes all the rights and obligations (including the Obligations) of Initial Holdings under this Agreement and the Fee Letter and agrees that thereafter it shall be "Holdings" under, and for all purposes of,

this Agreement, the Fee Letter and the other Loan Documents and Initial Holdings shall no longer continue to be "Holdings" under this Agreement, the Fee Letter or the other Loan Documents (collectively, the "Closing Date Holdings Assumption"). From and after the Closing Date Holdings Assumption, Initial Holdings is hereby released from all the Obligations of "Holdings" under this Agreement, the Fee Letter and the other Loan Documents.

(b) Holdings shall have no rights or obligations hereunder until the consummation of the Acquisition and the Closing Date Holdings Assumption and any representations and warranties of Holdings (other than Initial Holdings) hereunder shall not become effective until such time. Upon consummation of the Acquisition and the Closing Date Holdings Assumption, BNVC Holdings, Inc. shall succeed to all the rights and obligations of Initial Holdings under this Agreement and the other Loan Documents to which it is a party and all representations and warranties of BNVC Holdings, Inc. in its capacity as Holdings shall become effective as of the date hereof, without any further action by any Person.

Section 9.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 9.26 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for hedging agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support"), and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SIXTH AMENDMENT, dated as of June 23, 2023 (this " **Agreement**"), to the First Lien Credit Agreement, dated as of October 22, 2019 (as amended by the First Amendment thereto, dated as of December 2, 2019, as amended by the Second Amendment thereto, dated as of September 23, 2020, as amended by the Third Amendment thereto, dated as of March 24, 2021, as amended by the Fourth Amendment thereto, dated as of August 24, 2021, as amended by the Fifth Amendment thereto, dated as of June 1, 2023, and as further amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the "**Existing Credit Agreement**", and the Credit Agreement as amended by this Agreement, the "**Amended Credit Agreement**"), by and among BNVC Holdings, Inc., a Delaware corporation (as successor to Derby Parent, Inc., "**Holdings**"), Waystar Technologies, Inc. (f/k/a Navicure, Inc.), a Delaware corporation (as successor to Derby Merger Sub, Inc. and BNVC Group Holdings, Inc., the "**Borrower**"), the financial institutions from time to time party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent (in such capacity, the "**Administrative Agent**").

WHEREAS, the Administrative Agent and the Borrower have reasonably determined in good faith that the circumstances set forth in clause (a)(i) of Section 2.14 of the Existing Credit Agreement have not arisen but the supervisor for the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published, and the Administrative Agent and the Borrower have therefore determined in accordance with Section 2.14(b) of the Existing Credit Agreement that the Screen Rate should be replaced with a Market Convention Rate (as defined in the Existing Credit Agreement) for purposes of the Term Loans under the Existing Credit Agreement and any Loan Document and such changes shall become effective at and after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date that the draft of this Agreement was provided to the Lenders (it being understood that the posting of the draft of this Agreement to the Platform on June 15, 2023 constitutes the notice required under Section 2.14(c) of the Existing Credit Agreement) (such date of posting, the "**Posting Date**"; and 5 p.m. (New York City time) on the fifth Business Day after the Posting Date, the "**Objection Deadline**"), so long as the Administrative Agent has not received, by such time, written notice of objection to this proposed Agreement from the Term Lenders holding Term Loans representing more than 50% of the Term Loans outstanding on the Posting Date (the "**Required Term Lenders**") that such Required Term Lenders object to the Amendment.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Definitions. Capitalized terms used but not defined in this Agreement have the meanings assigned thereto in the Amended Credit Agreement. The provisions of Section 1.03 of the Amended Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 2. Pre-Amendment Eurocurrency Rate Term Loans. The parties hereto hereby agree that (a) the provisions set forth in the Existing Credit Agreement (without giving effect to this Agreement) shall remain operative with respect to any Term Loans that are Eurocurrency Rate Loans that are outstanding as of the Sixth Amendment Closing Date ("**Pre-Amendment Eurocurrency Rate Term Loans**"), it being understood that such Pre-Amendment Eurocurrency Rate Term Loans shall remain subject to the terms of the Existing Credit Agreement (without giving effect to this Agreement) until the end of the applicable Interest Period, (b) in no event shall the Borrower be entitled to request any Term Loans that are Eurocurrency Rate Loans after the Sixth Amendment Closing Date (or submit a notice of conversion or continuation with respect to continuing any such Term Loan as a Eurocurrency Rate Loan, or requesting conversion of a Term Loan into a Eurocurrency Rate Loan) and (c) each Pre-Amendment Eurocurrency Rate Term Loan may be converted at the end of the applicable Interest Period in accordance with Section 2.08 of the Amended Credit Agreement to (i) ABR Loans or (ii) Adjusted Term SOFR Loans, with an Interest Period as specified in the applicable Interest Election Request; provided that in the event that an Interest Election Request is not submitted in accordance with Section 2.08 of the Amended Credit Agreement, each Pre-Amendment Eurocurrency Rate Term Loan shall be converted at the end of the applicable Interest Period to an Adjusted Term SOFR Loan with an Interest Period of one-month.

SECTION 3. Amendments to the Existing Credit Agreement. Effective as of the Sixth Amendment Closing Date, the Existing Credit Agreement is hereby amended with the stricken text deleted (indicated textually in the same manner as the following example: stricken text) and with the double-underlined text added (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Amended Credit Agreement attached as Exhibit A hereto.

SECTION 4. Representations and Warranties. To induce the other parties hereto to enter into this Agreement, Holdings and the Borrower hereby jointly and severally represent and warrant to the Administrative Agent and each Lender that, as of the Sixth Amendment Closing Date:

- (a) Each of Holdings and the Borrower have the organizational power and authority, and the legal right, to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement, the Amended Credit Agreement and the other Loan Documents;
- (b) Each of Holdings and the Borrower have taken all necessary organizational action to authorize the execution, delivery and performance of this Agreement and the Amended Credit Agreement;
- (c) This Agreement has been duly executed and delivered on behalf of Holdings and the Borrower and constitutes the legal, valid and binding obligation of Holdings and the Borrower, enforceable against Holdings and the Borrower in accordance with its terms, except as enforceability may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditor's rights generally, by general equitable principles (whether enforcement is sought by proceedings in equity or at law) and by general principles of good faith and fair dealing; and

2

- (d) Each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents are true and correct in all material respects on and as of the Sixth Amendment Closing Date as if made on and as of such date, provided that (x) to the extent that any representation and warranty specifically refers to a given date or period, it shall be true and correct in all material respects as of such date or for such period and (y) to the extent that any representation and warranty is qualified by materiality or subject to a "material adverse effect", "material adverse change" or similar term or qualification, it shall be true and correct in all respects.

SECTION 5. Conditions Precedent to Effectiveness of this Agreement. This Agreement shall become effective on the first date (the "**Sixth Amendment Closing Date**") on which the Administrative Agent (or its counsel) shall :

- i. have received counterparts of this Agreement that, when taken together, bear the signatures of (1) the Borrower, (2) Holdings and (3) the Administrative Agent; and
- ii. have not received, by the Objection Deadline, written notice of objection from the Required Term Lenders to the Market Convention Rate or the amendments to the Existing Credit Agreement, in each case, as provided herein.

SECTION 6. Effect of this Agreement. Except as expressly set forth herein, this Agreement shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under, the Amended Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. Nothing herein can or may be construed as a novation of the Amended Credit Agreement or any other Loan Document. This Agreement shall apply and be effective only with respect to the provisions of the Amended Credit Agreement specifically referred to herein. This Agreement shall be deemed a Loan Document for all purposes of the Existing Credit Agreement, the Amended Credit Agreement and any other Loan Document. After the Sixth Amendment Closing Date, any reference to the Existing Credit Agreement shall mean the Existing Credit Agreement as modified hereby.

SECTION 7. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Any signature to this agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any

amendment, extension or renewal of this Agreement. Each of the parties hereto represents and warrants to the other parties that it has the corporate capacity and authority to execute this Agreement through electronic means and there are no restrictions for doing so in that party's constitutive documents.

SECTION 8. Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9. Governing Law; Jurisdiction, etc. This Agreement shall be construed in accordance with and governed by the laws of the State of New York. The provisions of Sections 9.10 and 9.11 of the Amended Credit Agreement shall apply to this Agreement, *mutatis mutandis*.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above or in the definition of "Capital Lease," in the event of an accounting change requiring all leases to be capitalized, only those leases (assuming for purposes hereof that such leases were in existence on the date hereof) that would constitute Capital Leases in conformity with GAAP on the Closing Date shall be considered Capital Leases, and all calculations and deliverables under this Agreement or any other Loan Document shall be made or delivered, as applicable, in accordance therewith.

Section 1.05 Effectuation of Transactions. Each of the representations and warranties contained in this Agreement (and all corresponding definitions) is made after giving effect to the Transactions, unless the context otherwise requires.

Section 1.06 Timing of Payment of Performance. When payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

Section 1.07 Times of Day. Unless otherwise specified herein, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

Section 1.08 Currency Equivalents Generally: Exchange Rate. (a) For purposes of any determination under Article V, Article VI (other than Section 6.12(a)) and the calculation of compliance with any financial ratio for purposes of taking any action hereunder) or Article VII with respect to the amount of any Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition, Sale and Lease-Back Transaction, Affiliate transaction or other transaction, event or circumstance, or any determination under any other provision of this Agreement (any of the foregoing, a "specified transaction") in a currency other than Dollars, (i) the equivalent amount in Dollars of a specified transaction in a currency other than Dollars shall be calculated based on the rate of exchange quoted by the Bloomberg Foreign Exchange Rates & World Currencies Page (or any successor pagethereto, or in the event such rate does not appear on any Bloomberg Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower) for such foreign currency, as in effect at 11:00 a.m. (London time) on the date of such specified transaction (which, in the case of any Restricted Payment, shall be deemed to be the date of the declaration thereof and, in the case of the incurrence of Indebtedness, shall be deemed to be on the date first committed); provided, that if any Indebtedness is incurred (and, if applicable, associated Lien granted) to refinance or replace other Indebtedness denominated in a currency other than Dollars, and the relevant refinancing or replacement would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing or replacement, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing or replacement Indebtedness (and, if applicable, associated Lien granted) does not exceed an amount sufficient to repay the principal amount of such Indebtedness being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest and premiums (including premiums) thereon plus other reasonable and customary fees and expenses (including upfront fees and original issue discount) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 6.01 and (ii) for the avoidance of doubt, no Default or Event of Default shall be deemed to have occurred solely as a result of a change in the rate of currency exchange occurring after the time of any specified transaction so long as such specified transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth in clause (i). For purposes of Section 6.12(a) and the calculation of compliance with any financial ratio for purposes of taking any action hereunder (including for purposes of calculating compliance with the Incremental Cap), on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Section 5.01(a) or (b) (or, prior to the first such delivery, the financial statements referred to in Section 3.04), as applicable, for the relevant Test Period and will, with respect to any Indebtedness, reflect the currency translation effects, determined in accordance with GAAP,

(b)Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent to appropriately reflect a change in currency of any country and any relevant market convention or practice relating to such change in currency.

Section 1.09 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Loans, Replacement Term Loans, Loans in connection with any Replacement Revolving Facility, Extended Term Loans, Extended Revolving Loans or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender pursuant to settlement mechanisms approved by the Borrower, the Administrative Agent and such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

Section 1.10 Certain Calculations and Tests. (a)Notwithstanding anything to the contrary herein, but subject to Sections 1.10(b) and (c) and Section 1.11, all financial ratios and tests (including the Total Leverage Ratio, the First Lien Leverage Ratio, the Secured Leverage Ratio, the Interest Coverage Ratio and the amount of Consolidated Total Assets and Consolidated Adjusted EBITDA) contained in this Agreement that are calculated with respect to any Test Period during which any Subject Transaction occurs shall be calculated with respect to such Test Period and each such Subject Transaction on a Pro Forma Basis. Further, if since the beginning of any such Test Period and on or prior to the date of any required calculation of any financial ratio or test (i)any Subject Transaction has occurred or (ii)any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries or any joint venture since the beginning of such Test Period has consummated any Subject Transaction, then, in each case, any applicable financial ratio or test shall be calculated on a Pro Forma Basis for such Test Period as if such Subject Transaction had occurred at the beginning of the applicable Test Period (it being understood, for the avoidance of doubt, that solely for purposes of (x)calculating compliance with Section 6.12(a)and (y)calculating the First Lien Leverage Ratio for purposes of the definitions of "Applicable Rate" and "Commitment Fee Rate", in each case, no Subject Transaction occurring after the end of the relevant Test Period shall be taken into account).

(b)For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, Section 6.12(a), any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test, the amount of Consolidated Adjusted EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.11), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c)Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement (including any covenant or the definition of "Incremental Cap") that does not require compliance with a financial ratio or test (including, without limitation, Section 6.12(a), any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the "Fixed Amounts") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement (including any covenant or the definition of "Incremental Cap") that requires compliance with a financial ratio or test (including, without limitation, Section 6.12(a), any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the "Incurrence-Based Amounts"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts.

Section 1.11 Limited Condition Transactions. In connection with any action being taken solely in connection with a Limited Condition Transaction (including any contemplated incurrence or assumption of Indebtedness in connection therewith), for purposes of:

(a)determining compliance with any provision of this Agreement (other than Section 6.12(a)) that requires the calculation of the Interest Coverage Ratio, Total Leverage Ratio, the First Lien Leverage Ratio or the Secured Leverage Ratio;

(b)determining the accuracy of representations and warranties and/or whether a Default or Event of Default shall have occurred and be continuing (or any subset of Defaults or Events of Default); or

(c)testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated Adjusted EBITDA or Consolidated Adjusted EBITDA or by reference to the Available Amount or the Available Excluded Contribution Amount);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), with such option to be exercised on or prior to the date of execution of the definitive agreements, submission of notice or the making of a definitive declaration, as applicable, with respect to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be (a)the date the definitive agreements, notice or declaration with respect to such Limited Condition Transaction are entered into, provided or made, as applicable or (b)with respect to sales in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies (or similar law or practice in other jurisdictions), the date on which a "Rule 2.7 announcement" of a firm intent to make an offer or similar announcement or determination in another jurisdiction subject to laws similar to the United Kingdom City Code on Takeovers and Mergers (the "LCT Test Date"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated Adjusted EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; provided however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Borrower has made an LCT Election for any Limited Condition Transaction, then, in connection with any subsequent calculation of the ratios or baskets on or following the relevant LCT Test Date and prior to the earlier of (i)the date on which such Limited Condition Transaction is consummated or (ii)the date that the definitive agreement, notice or declaration for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

Section 1.12 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a)if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b)if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Capital Stock at such time.

Section 1.13 Interest Rates; Benchmark Notification. The interest rate on a Revolving Loan may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event with respect to Initial Revolving Loans, Section 2.14(c) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any

existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any ~~Revolving Facility~~ Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Amounts paid or prepaid in respect of the Initial Term Loans and the Second Amendment Incremental Term Loans may not be reborrowed.

(b) Subject to the terms and conditions of this Agreement and any applicable Refinancing Amendment, Extension Amendment or Incremental Facility Agreement, each Lender with an Additional Commitment of a given Class, severally and not jointly, agrees to make Additional Loans of such Class to the Borrower, which Loans shall not exceed for any such Lender at the time of any incurrence thereof the Additional Commitment of such Class of such Lender as set forth in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Agreement.

Section 2.02 Loans and Borrowings.

(a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Applicable Percentages of the applicable Class.

(b) Subject to Section 2.01 and Section 2.14, each Borrowing shall be comprised entirely of ABR Loans ~~or~~ Adjusted Term SOFR Loans ~~or Adjusted Eurocurrency Rate Loans~~. Each Lender at its option may make any Adjusted ~~Eurocurrency Rate Loan or Adjusted~~ Term SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement, (ii) such Adjusted ~~Eurocurrency Rate Loan or Adjusted~~ Term SOFR Loan shall be deemed to have been made and held by such Lender, and the obligation of the Borrower to repay such Adjusted ~~Eurocurrency Rate Loan or Adjusted~~ Term SOFR Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch or Affiliate of such Lender and (iii) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the Borrower resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.15 shall apply); provided, further, that no such domestic or foreign branch or Affiliate of such Lender shall be entitled to any greater indemnification under Section 2.17 in respect of any withholding tax with respect to such Adjusted ~~Eurocurrency Rate Loan or Adjusted~~ Term SOFR Loan than that to which the applicable Lender was entitled on the date on which such Loan was made (except in connection with any indemnification entitlement arising as a result of any Change in Law after the date on which such Loan was made).

(c) At the commencement of each Interest Period for any Adjusted ~~Eurocurrency Rate~~ Term SOFR Borrowing ~~or, such Adjusted Term SOFR Borrowing, in each case such Adjusted Eurocurrency Rate Borrowing or Adjusted Term SOFR~~ Borrowing shall comprise an aggregate principal amount that is an integral multiple of \$100,000 and not less than \$1,000,000. Each ABR Borrowing when made shall comprise an aggregate principal amount that is an integral multiple of \$100,000 and not less than \$500,000; provided that an ABR Revolving Loan Borrowing may be made in a lesser aggregate principal amount that is (i) equal to the entire aggregate unused Revolving Credit Commitments or (ii) required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e). Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) different Interest Periods in effect for Adjusted ~~Eurocurrency Rate Borrowings or Adjusted~~ Term SOFR Borrowings at any time outstanding (or such greater number of different Interest Periods as the Administrative Agent may agree from time to time). Each Swingline Loan shall be an ABR Loan.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not, nor shall it be entitled to, request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date applicable to the relevant Loans.

Section 2.03 Requests for Borrowings.

(a) Each Term Borrowing, each Revolving Loan Borrowing, each conversion of Term Loans or Revolving Loans from one Type to the other and each continuation of Adjusted ~~Eurocurrency Rate Loans or Adjusted~~ Term SOFR Loans shall be made upon notice by the Borrower to the Administrative Agent. Each such notice is irrevocable and must be in the form of a written Borrowing Request or Interest Election Request, as the case may be, appropriately completed and signed by a Responsible Officer of the Borrower or by telephone (and promptly confirmed by delivery of a written Borrowing Request or Interest Election Request, appropriately completed and signed by a Responsible Officer of the Borrower) and must be received by the Administrative Agent (by hand delivery, fax or other electronic transmission (including ".pdf" or ".tif")) not later than (i) 1:00 p.m. three ~~Business Days prior to the requested day of any Borrowing or continuation of Adjusted Eurocurrency Rate Loans (or one Business Day in the case of any Term Borrowing that is an Adjusted Eurocurrency Rate Borrowing to be made on the Closing Date) or any conversion of ABR Loans to Adjusted Eurocurrency Rate Loans;~~ (ii) 1:00 p.m. three U.S. Government Securities Business Days prior to the requested day of any Borrowing or continuation of Adjusted Term SOFR Loans or any conversion of ABR Loans to Adjusted Term SOFR Loans and (iii) 2:00 p.m. one Business Day prior to the requested date of any Borrowing of or conversion to ABR Loans (or, in each case, such later time as is acceptable to the Administrative Agent); provided, however, that if the Borrower wishes to request Adjusted ~~Eurocurrency Rate Loans or Adjusted~~ Term SOFR Loans having an Interest Period of other than one (1), three (3) or six (6) months in duration as provided in the definition of "Interest Period," (A) the applicable notice from the Borrower must be received by the Administrative Agent not later than 1:00 p.m. four (4) Business Days prior to the requested date of the relevant Borrowing, conversion or continuation (or such later time as is acceptable to the Administrative Agent), whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is available to them and (B) not later than 12:00 p.m. three Business Days before the requested date of the relevant Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower whether or not the requested Interest Period is available to the appropriate Lenders.

(b) If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any ~~requested Adjusted Eurocurrency Rate Borrowing or~~ Adjusted Term SOFR Borrowing then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall advise each Lender of the details and amount of any Loan to be made as part of the requested Borrowing (i) in the case of any ABR Borrowing, on the same Business Day of receipt of a Borrowing Request in accordance with this Section or (ii) in the case of any Adjusted ~~Eurocurrency Rate Borrowing or~~ Adjusted Term SOFR Borrowing, no later than one (1) Business Day following receipt of a Borrowing Request in accordance with this Section. ~~Notwithstanding any other provision of this Agreement, from and after the Fifth Amendment Closing Date, any Borrowing Request with respect to the Revolving Facility that elects the Adjusted Eurocurrency Rate shall be deemed instead to elect Adjusted Term SOFR.~~

Section 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time on and after the Closing Date, and until the earlier of the Initial Revolving Credit Maturity Date and the termination of the Initial Revolving Credit Commitment in accordance with the terms hereof, denominated in dollars, in an aggregate principal amount at any time outstanding that will not result in (i) the outstanding Swingline Loans of the Swingline Lender exceeding its Swingline Commitment or (ii) the aggregate Revolving Exposures exceeding the aggregate Revolving Credit Commitments, provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request by telephone (confirmed in writing) or by facsimile or electronic communication, if arrangements for doing so have been approved by the Swingline Lender (confirmed by telephone), not later than 1:00 p.m., New York time, on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and (x) if the funds are not to be credited to a general deposit account of the Borrower maintained with the Swingline Lender because the Borrower is unable to maintain a general deposit account with the Swingline Lender under applicable Requirements of Law, the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with Section 2.07, or (y) in the case of any Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(e), the identity of the Issuing Bank that made such LC Disbursement. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit accounts of the Borrower maintained with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(e), by remittance to the applicable Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 1:00 p.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (with references to 1:00 p.m. and 2:00 p.m., New York City time, in such Section being deemed to be references to 3:00 p.m., New York City time) (and Section 2.07 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear, provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

82

(d) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth (5th) Business Day following the date of the delivery thereof, provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

Section 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in each case in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.05, (A) from time to time on any Business Day during the period from the Closing Date to the earlier of (x) the third Business Day prior to the Latest Revolving Credit Maturity Date and (y) the termination of 100% of the Revolving Credit Commitments in accordance with this Agreement, upon the request of the Borrower, to issue Letters of Credit denominated in Dollars issued on sight basis only for the account of the Borrower and/or any Restricted Subsidiary (provided that the Borrower will be the applicant) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.05(b), and (B) to honor drafts under the Letters of Credit, and (ii) the Revolving Lenders severally agree to participate in the Letters of Credit issued under this Section 2.05(a) in accordance with the terms of Section 2.05(d).

83

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of any Letter of Credit, the Borrower shall deliver to the applicable Issuing Bank and the Administrative Agent, at least three (3) Business Days in advance of the requested date of issuance (or such shorter period as is acceptable to the applicable Issuing Bank or, in the case of any issuance to be made on the Closing Date, one Business Day prior to the Closing Date), a Letter of Credit Request. To request an amendment, extension or renewal of an outstanding Letter of Credit, (other than any automatic extension of a Letter of Credit permitted under Section 2.05(c)) the Borrower shall submit a Letter of Credit Request to the applicable Issuing Bank (with a copy to the Administrative Agent) at least three (3) Business Days in advance of the requested date of amendment, extension or renewal (or such shorter period as is acceptable to the applicable Issuing Bank). If requested by the applicable Issuing Bank in connection with any request for any Letter of Credit, the Borrower shall also submit a letter of credit application on such Issuing Bank's standard form. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. No Letter of Credit, letter of credit application or other document entered into by the Borrower with any Issuing Bank relating to any Letter of Credit shall contain any representation or warranty, covenant or event of default that is in direct conflict with this Agreement, and all representations and warranties, covenants and events of default set forth therein shall contain standards, qualifications, thresholds and exceptions for materiality or otherwise consistent with those set forth in this Agreement. No Letter of Credit may be issued, amended, extended or renewed unless (and on the issuance, amendment, extension or renewal of each Letter of Credit, the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, extension, or renewal (i) the LC Exposure does not exceed the Letter of Credit Sublimit, (ii) the portion of the LC Exposure attributable to Letters of Credit issued by any Issuing Bank does not exceed the LC Commitment of such Issuing Bank (unless otherwise agreed by such Issuing Bank) and (iii) (A) the Revolving Credit Exposure of any Lender does not exceed such Lender's Revolving Credit Commitment, (B) the aggregate amount of the Revolving Credit Exposure does not exceed the aggregate amount of the Revolving Credit Commitments then in effect and (C) if such Letter of Credit has a term that extends beyond the Maturity Date applicable to the Revolving Credit Commitments of any Class, the aggregate amount of the LC Exposure attributable to Letters of Credit expiring after such Maturity Date does not exceed the aggregate amount of the Revolving Credit Commitments then in effect that are scheduled to remain in effect after such Maturity Date.

(c) Expiration Date. No Letter of Credit shall expire later than the earlier of (i) the date that is one (1) year after the date of the issuance of such Letter of Credit and (ii) the date that is three (3) Business Days prior to the Latest Revolving Credit Maturity Date; provided that, any Letter of Credit may provide for the automatic extension thereof for any number of additional periods of up to one (1) year in duration (which additional periods shall not extend beyond the date referred to in the preceding clause (ii)) unless 100% of the then-available face amount thereof is Cash collateralized or backstopped on or before the date on which such Letter of Credit is extended beyond the date referred to in clause (ii) above pursuant to arrangements reasonably satisfactory to the relevant Issuing Bank).

(d) Participations. By the issuance of any Letter of Credit (or an amendment to any Letter of Credit increasing the amount thereof) and without any further action on

the part of the applicable Issuing Bank or the Revolving Lenders, the applicable Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Revolving Credit Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Revolving Credit Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section 2.05, or of any reimbursement payment that is required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of any Default or Event of Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

84

(e) Reimbursement.

(i) If the applicable Issuing Bank makes any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to such Issuing Bank an amount equal to the amount of such LC Disbursement not later than 1:00 p.m. two (2) Business Days immediately following the date on which the Borrower receives notice of such LC Disbursement under paragraph (g) of this Section 2.05; provided, that the Borrower may, without satisfying the conditions to Borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Loan or a Swingline Loan (a "Letter of Credit Reimbursement Loan") in an equivalent amount and, to the extent so financed, the obligation of the Borrower to make such payment shall be discharged and replaced by the resulting Revolving Loan. The relevant Issuing Bank shall immediately notify the Administrative Agent of any payment made by the Borrower in accordance with the terms of the preceding sentence (without giving effect to the proviso therein). If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Revolving Credit Percentage thereof. No later than the date set forth in such notice, each Revolving Lender or Swingline Lender, as the case may be, shall pay to the Administrative Agent its Applicable Revolving Credit Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Revolving Lender or Swingline Lender, as the case may be, (and Section 2.07 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders and Swingline Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders or Swingline Lender, as the case may be. In the event that the Revolving Lenders or Swingline Lenders have made payments to the Administrative Agent pursuant to this paragraph to reimburse any Issuing Bank for the amount of any LC Disbursement, if the Administrative Agent receives any payment in respect of any LC Disbursement (or interest thereon) (whether directly from the Borrower or otherwise (including proceeds of cash collateral applied thereto)), the Administrative Agent shall promptly distribute such payment to the Revolving Lenders or the Swingline Lenders, as applicable, as their interests may appear.

(ii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the applicable Issuing Bank any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.05(e) by the time specified therein, such Issuing Bank shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of Federal Funds Effective Rate from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the applicable Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (ii) shall be conclusive absent manifest error.

85

(f) Obligations Absolute. The obligation of the Borrower to reimburse LC Disbursements as provided in paragraph of this Section 2.05 shall be absolute and unconditional and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision herein or therein, (ii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under any Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the obligations of the Borrower hereunder. Neither the Administrative Agent, the Revolving Lenders nor any Issuing Bank, nor any of their respective Related Parties shall have any liability or responsibility by reason of or in connection with the issuance, amendment or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank; provided that the foregoing shall not be construed to excuse such Issuing Bank from liability to the Borrower to the extent of any direct damages suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of applicable Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of any Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by electronic means) upon any LC Disbursement thereunder; provided that no delay in giving such notice shall relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement within the time period prescribed in Section 2.05(e).

(h) Interim Interest. If any Issuing Bank makes any LC Disbursement, unless the Borrower reimburses such LC Disbursement in full on the date such LC Disbursement has been made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement (or the date on which such LC Disbursement is reimbursed with the proceeds of Loans, as applicable), at the rate per annum then applicable to Initial Revolving Loans that are ABR Loans (or, to the extent of the participation in such LC Disbursement by any Revolving Lender of another Class, the rate per annum then applicable to the Revolving Loans of such other Class); provided that if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section 2.05, Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment and shall be payable on the date on which the Borrower is required to reimburse the applicable LC Disbursement in full (and, thereafter, on demand).

86

(i) Replacement or Resignation of an Issuing Bank or Designation of New Issuing Banks.

(i) Any Issuing Bank may be replaced with the consent of the Administrative Agent (not to be unreasonably withheld or delayed) and the Borrower at any time by written agreement among the Borrower, the Administrative Agent and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an Issuing Bank. At the time any such replacement becomes effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b)(ii). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of any Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(ii) The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and the relevant Revolving Lender, designate one or more additional Revolving Lenders to act as an issuing bank under the terms of this Agreement. Any

Revolving Lender designated as an issuing bank pursuant to this paragraph (i) who agrees in writing to such designation shall be deemed to be an "Issuing Bank" (in addition to being a Revolving Lender) in respect of Letters of Credit issued or to be issued by such Revolving Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other Issuing Bank and such Revolving Lender.

(iii) Notwithstanding anything to the contrary contained herein, any Issuing Bank may, upon 15 days' prior written notice to the Borrower, each other Issuing Bank and the Lenders, resign as Issuing Bank, which resignation shall be effective as of the date referenced in such notice (but in no event less than 15 days after the delivery of such written notice); it being understood that in the event of any such resignation, any Letter of Credit then outstanding shall remain outstanding (irrespective of whether any amount has been drawn at such time). In the event of any such resignation as an Issuing Bank, the Borrower shall be entitled to appoint any Revolving Lender that accepts such appointment in writing as successor Issuing Bank. Upon the acceptance of any appointment as Issuing Bank hereunder, the successor Issuing Bank shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Issuing Bank, and the retiring Issuing Bank shall be discharged from its duties and obligations in such capacity hereunder. After the resignation of any Issuing Bank hereunder, the resigning Issuing Bank shall remain a party hereto and shall continue to have all rights (including all rights to payments pursuant to Section 2.12(b)) and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization.

(i) If any Event of Default exists and the Loans have been declared due and payable in accordance with Article VII, then on the Business Day on which the Borrower receives notice from the Administrative Agent at the direction of the Required Revolving Lenders demanding the deposit of Cash collateral pursuant to this paragraph (j), the Borrower shall deposit, in an interest-bearing account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "LC Collateral Account"), an amount in Cash equal to 100% of the LC Exposure as of such date (minus the amount then on deposit in the LC Collateral Account); provided that the obligation to deposit such Cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 7.01(f) or (g).

87

(ii) Any such deposit under clause (i) above shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations in accordance with the provisions of this paragraph (j). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the LC Collateral Account, and the Borrower hereby grants the Administrative Agent, for the benefit of the Secured Parties, a First Priority security interest in the LC Collateral Account. Interest or profits, if any, on such investments shall accumulate in the LC Collateral Account. Moneys in the LC Collateral Account shall be applied by the Administrative Agent to reimburse the applicable Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, subject to the consent of the Required Revolving Lenders, applied to satisfy other Secured Obligations. The amount of any Cash Collateral posted in accordance with the terms of this Section 2.05(j) (together with all interest and other earnings with respect thereto, to the extent not applied as aforesaid) shall be returned to the Borrower promptly but in no event later than three (3) Business Days after the Event of Default giving rise to the obligation to do so has been cured or waived (so long as no other Event of Default has occurred and is continuing).

Section 2.06 [Reserved].

Section 2.07 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder not later than (i) 1:00 p.m., in the case of Adjusted ~~Eurocurrency Rate Loans and Adjusted~~ Term SOFR Loans and (ii) 2:00 p.m., in the case of ABR Loans, in each case on the Business Day specified in the applicable Borrowing Request by wire transfer of immediately available funds to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's respective Applicable Percentage; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to the account designated in the relevant Borrowing Request or as otherwise directed by the Borrower; provided that Revolving Loans made to finance the reimbursement of any LC Disbursement as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent has received notice from any Lender that such Lender will not make available to the Administrative Agent such Lender's share of any Borrowing prior to the proposed date of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make a corresponding amount available to the Borrower. In such event, if any Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent (without duplication) such corresponding amount with interest thereon forthwith on demand for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to the Loans comprising such Borrowing at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing, and the obligation of the Borrower to repay the Administrative Agent the corresponding amount pursuant to this Section 2.07(b) shall cease. If the Borrower pays such amount to the Administrative Agent, the amount so paid shall constitute a repayment of such Borrowing by such amount. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower or any other Loan Party may have against any Lender as a result of any default by such Lender hereunder.

88

Section 2.08 Type; Interest Elections.

(a) Each Borrowing shall initially be of the Type specified in the applicable Borrowing Request and, in the case of any Adjusted ~~Eurocurrency Rate Borrowing or Adjusted~~ Term SOFR Borrowing, shall have the initial Interest Period specified in such Borrowing Request. Thereafter, the Borrower may elect to convert any Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of an Adjusted ~~Eurocurrency Rate Borrowing or Adjusted~~ Term SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders based upon their respective Applicable Percentages, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.08, the Borrower shall deliver an Interest Election Request, in accordance with the terms of Section 2.03(a).

(c) Promptly following receipt of each Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(d) If the Borrower fails to deliver a timely Interest Election Request with respect to any Adjusted ~~Eurocurrency Rate Borrowing or Adjusted~~ Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, such Borrowing shall be continued at the end of such Interest Period to an Adjusted ~~Eurocurrency Rate Borrowing or Adjusted~~ Term SOFR Borrowing, as applicable, with an Interest Period of one month. Notwithstanding anything to the contrary herein, if an Event of Default exists and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as such Event of Default exists (i) no outstanding Borrowing may be converted to or continued as an Adjusted ~~Eurocurrency Rate~~ Term SOFR Borrowing and (ii) unless repaid, each Adjusted ~~Eurocurrency Rate~~ Term SOFR Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period applicable thereto.

Section 2.09 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Loan Commitments shall automatically terminate upon the making of the Initial Term Loans on the Closing Date, in the case of the First Amendment Incremental Term Loans, on the First Amendment Closing Date, or in the case of the 2021 Replacement Term Loans, on the Third Amendment Closing Date, or in the case of the Fourth Amendment Incremental Term Loans, on the Fourth Amendment Closing Date (ii) the Second Amendment Incremental Term Loan Commitments shall automatically terminate upon the making of the Second Amendment Incremental Term Loans on the Second Amendment Closing Date, (iii) the Initial Revolving Credit Commitments shall automatically terminate on the Initial Revolving Credit Maturity Date, (iv) the Additional Term Loan Commitments of any Class shall automatically terminate upon the making of the Additional Term Loans of such Class and, if any such Additional Term Loan Commitment is not drawn on the date that such Additional Term Loan Commitment is required to be drawn pursuant to the applicable Incremental Facility Agreement, Extension Amendment or Refinancing Amendment, as

applicable, the undrawn amount thereof shall automatically terminate, and (v) the Additional Revolving Credit Commitments of any Class shall automatically terminate on the Maturity Date specified therefor in the applicable Incremental Facility Agreement, Extension Amendment or Refinancing Amendment, as applicable.

89

(b) Upon delivery of the notice required by Section 2.09(c), the Borrower may at any time terminate or from time to time reduce the Revolving Credit Commitments of any Class; provided that (i) each reduction of the Revolving Credit Commitments of any Class shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Credit Commitments of any Class if, after giving effect to any concurrent prepayment of Revolving Loans, the aggregate amount of the Revolving Credit Exposure attributable to the Revolving Credit Commitments of such Class would exceed the aggregate amount of Revolving Credit Commitments of such Class; provided that, after the establishment of any Additional Revolving Credit Commitment, any such termination or reduction of the Revolving Credit Commitments of any Class shall be subject to the provisions set forth in Section 2.22, 2.23 and/or 9.02(c), as applicable.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce any Revolving Credit Commitment under paragraph (b) of this Section 2.09 in writing on or prior to the effective date of such termination or reduction (or such later date to which the Administrative Agent may agree), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Revolving Lenders of each applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that any such notice may state that it is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of any Revolving Credit Commitment pursuant to this Section 2.09 shall be permanent. Upon any reduction of any Revolving Credit Commitment, the Revolving Credit Commitment of each Revolving Lender of the relevant Class shall be reduced by such Revolving Lender's Applicable Percentage of the amount of such reduction.

(a) (i) The Borrower hereby unconditionally promises to repay the outstanding principal amount of the Initial Term Loans to the Administrative Agent for the account of each Initial Term Lender (A) commencing June 2020, on the last Business Day of each September, December, March and June prior to the Initial Term Loan Maturity Date (each such date being referred to as a "Loan Installment Date"), in each case in the amounts set forth in the table below (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11 and purchases or assignments in accordance with Section 9.05(g)) or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.22(a) and (B) on the Initial Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Initial Term Loans outstanding on such date, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(ii) The Borrower shall repay the Additional Term Loans of any Class in such scheduled amortization installments and on such date or dates as shall be specified therefor in the applicable Incremental Facility Agreement, Extension Amendment or Refinancing Amendment (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11 or purchases or assignments in accordance with Section 9.05(g)).

(b)(i) The Borrower hereby promises to pay in Dollars (A) to the Administrative Agent for the account of each Initial Revolving Lender, the then-unpaid principal amount of the Initial Revolving Loans of such Lender on the Initial Revolving Credit Maturity Date owing by the Borrower and (B) to the Administrative Agent for the account of each Additional Revolving Lender, the then-unpaid principal amount of each Additional Revolving Loan of such Additional Revolving Lender on the Maturity Date applicable thereto.

(ii) On the Maturity Date applicable to the Revolving Credit Commitments of any Class, the Borrower shall (A) cancel and return outstanding Letters of Credit, or alternatively, with respect to each outstanding Letter of Credit, furnish to the Administrative Agent a Cash deposit (or otherwise provide a "backstop" letter of credit or such other credit support or other arrangements as are reasonably satisfactory to the relevant Issuing Bank(s) pursuant to which such Letters of Credit are no longer subject to this Agreement) equal to 100% of the LC Exposure (minus any amount then on deposit in any Cash collateral account established for the benefit of the relevant Issuing Bank in respect of its LC Exposure) as of such date, in each case to the extent necessary so that, after giving effect thereto, the aggregate amount of the Revolving Credit Exposure attributable to the Revolving Credit Commitments of any other Class shall not exceed the Revolving Credit Commitments of such other Class then in effect and (B) make payment in full in Cash of all accrued and unpaid fees and all reimbursable expenses and other Obligations with respect to the Revolving Facility of the applicable Class then due, together with accrued and unpaid interest (if any) thereon.

(c) The Borrower hereby unconditionally promises to repay to each Swingline Lender the then unpaid principal amount of each Swingline Loan made by such Swingline Lender on the earlier to occur of (A) the date that is ten (10) Business Days after such Loan is made and (B) the Initial Revolving Credit Maturity Date; provided that on each date that a Borrowing of Revolving Loan is made the Borrower shall repay all Swingline Loans that are then outstanding.

91

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(e) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the accounts of the Lenders or the Issuing Banks and each Lender's or Issuing Bank's share thereof.

(f) The entries made in the accounts maintained pursuant to paragraphs (d) and (e) of this Section shall be *prima facie* evidence of the existence and amounts of the

obligations recorded therein (absent manifest error); provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any manifest error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the accounts maintained by the Administrative Agent pursuant to paragraph (d) of this Section and any Lender's records, the accounts of the Administrative Agent shall govern.

(g) Any Lender may request (through the Administrative Agent) that any Loan made by it be evidenced by a Promissory Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Promissory Note that is payable to such Lender and its registered assigns; it being understood and agreed that such Lender (and/or its applicable assign) shall be required to return such Promissory Note to the Borrower in accordance with Section 9.05(b)(ii) and upon the occurrence of the Termination Date (or as promptly thereafter as practicable). If any Lender (and/or its applicable assign) loses the original copy of its Promissory Note, it shall execute an affidavit of loss containing an indemnification provision that is reasonably satisfactory to the Borrower. The obligation of each Lender to execute an affidavit of loss containing an indemnification provision that is reasonably satisfactory to the Borrower shall survive the Termination Date.

Section 2.11 Prepayment of Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrower shall have the right at any time and from time to time to prepay any Borrowing of its Term Loans of any Class in whole or in part without premium or penalty (but subject (A) in the case of Borrowings of Initial Term Loans or Second Amendment Incremental Term Loans only, to Section 2.12(e) and (B) if applicable, to Section 2.16). Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages of the relevant Class.

(ii) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrower shall have the right at any time and from time to time to prepay any Borrowing of Revolving Loans of any Class in whole or in part without premium or penalty (but subject to Section 2.16); provided that after the establishment of any Additional Revolving Credit Commitment, any such prepayment of any Borrowing of Revolving Loans of any Class shall be subject to the provisions set forth in Section 2.22, 2.23 and/or 9.02(c), as applicable. Each such prepayment shall be paid to the Revolving Lenders in accordance with their respective Applicable Percentages of the relevant Class.

92

(iii) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) in writing of any prepayment under this Section 2.11(a) in the case of any prepayment of (i) an Adjusted ~~Eurocurrency Rate Borrowing or Adjusted~~ Term SOFR Borrowing, not later than 1:00 p.m. three (3) Business Days (or, in the case of an Adjusted Term SOFR Borrowing, three (3) U.S. Government Securities Business Days) before the date of prepayment or (ii) an ABR Borrowing, not later than 11:00 a.m. on the date of prepayment (or, in the case of clauses (i) and (ii), such later time as to which the Administrative Agent may agree). Each such notice shall be irrevocable (except as set forth in the proviso to this sentence) and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that any notice of prepayment delivered by the Borrower may be conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to any Borrowing (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount at least equal to the amount that would be permitted in the case of a Borrowing of the same Type and Classes provided in Section 2.02(c), or such lesser amount that is then outstanding with respect to such Borrowing being repaid (and in increments of \$100,000 in excess thereof or such lesser incremental amount that is then outstanding with respect to such Borrowing being repaid). Each prepayment of Term Loans shall be applied to the Class of Term Loans specified in the applicable prepayment notice, and each prepayment of Term Loans of such Class made pursuant to this Section 2.11(a) shall be applied against the remaining scheduled installments of principal due in respect of the Term Loans of such Class in the manner specified by the Borrower or, in the absence of any such specification on or prior to the date of the relevant optional prepayment, in direct order of maturity.

93

(b) Mandatory Prepayments.

(i) No later than the tenth (10th) Business Day after the date on which the financial statements with respect to each Fiscal Year of the Borrower are required to be delivered pursuant to Section 5.01(b), commencing with the Fiscal Year ending December 31, 2020, the Borrower shall prepay the outstanding principal amount of Subject Loans in an aggregate principal amount equal to (A) the Required Excess Cash Flow Percentage of Excess Cash Flow of the Borrower and its Restricted Subsidiaries for the Excess Cash Flow Period then ended, minus (B) at the option of the Borrower, the sum of (1) the aggregate principal amount of any other Indebtedness that is secured on a pari passu basis with the Secured Obligations that the Borrower voluntarily repays or repurchases during such period and prior to such date, (2) the aggregate principal amount of any Term Loans and/or Revolving Loans prepaid pursuant to Section 2.11(a) during such period and prior to such date (in the case of any prepayment of Revolving Loans, to the extent accompanied by a permanent reduction in the relevant commitment), (3) the aggregate principal amount of any Second Lien Term Loans (or any other Indebtedness constituting Second Lien Obligations (as defined in the Closing Date Intercreditor Agreement) optionally prepaid pursuant to Section 2.11(a) of the Second Lien Credit Agreement (or otherwise optionally prepaid, redeemed or repurchased pursuant to any equivalent provision under any other document governing any such other Indebtedness constituting Second Lien Obligations (as defined in the Closing Date Intercreditor Agreement))) during such period and prior to such date and (4) the amount of any reduction in the outstanding amount of any Term Loans resulting from any assignment to or purchase by Holdings, the Borrower or any Restricted Subsidiary in accordance with Section 9.05(g) of this Agreement in connection with any Dutch Auction during such period and prior to such date and, in the case of this clause (4), based upon the principal amount of Indebtedness subject to the relevant assignment or purchase, minus (C) at the option of the Borrower, the sum of (1) cash payments by the Borrower and its Restricted Subsidiaries during such Excess Cash Flow Period in respect of purchase price holdbacks, earn out obligations, or long-term liabilities of the Borrower and its Restricted Subsidiaries other than Indebtedness to the extent such payments are not expensed during such Excess Cash Flow Period or are not deducted in arriving at such Consolidated Net Income to the extent financed with internally generated cash flow of the Borrower or its Restricted Subsidiaries, (2) the amount of Investments (other than Investments in Holdings, the Borrower or any Restricted Subsidiary and other than Investments in Cash or Cash Equivalents) and acquisitions not prohibited by this Agreement made during such Excess Cash Flow Period, to the extent that such Investments and acquisitions were financed with internally generated cash flow of the Borrower or its Restricted Subsidiaries, (3) the amount of Restricted Payments (other than Restricted Investments) paid in cash during such Excess Cash Flow Period not prohibited by this Agreement (other than Restricted Payments made (i) to the Borrower or any Restricted Subsidiary or (ii) pursuant to Section 6.04(a)(iii)(A)), to the extent that such Restricted Payments were financed with internally generated cash flow of the Borrower or its Restricted Subsidiaries, (4) the amount of Capital Expenditures (including acquisitions of intellectual property) made in Cash or accrued during such Excess Cash Flow Period, to the extent that such Capital Expenditures were financed with internally generated cash flow of the Borrower or its Restricted Subsidiaries and (5) without duplication of amounts deducted from Excess Cash Flow in prior periods, (i) the aggregate consideration required to be paid in Cash by the Borrower or any of its Restricted Subsidiaries pursuant to binding contract commitments, letters of intent or purchase orders (the "Contract Consideration"), in each case, entered into prior to or during such Excess Cash Flow Period and (ii) to the extent set forth in a certificate of a Responsible Officer delivered to the Administrative Agent at or before the time the Compliance Certificate for the period ending simultaneously with such Test Period is required to be delivered pursuant to Section 5.01(c), the aggregate amount of cash that is reasonably expected to be paid in respect of planned cash expenditures by the Borrower or any of its Restricted Subsidiaries (the "Planned Expenditures"); in the case of each of clauses (i) and (ii), relating to Permitted Acquisitions, other Investments (other than Investments in Cash Equivalents) or Capital Expenditures (including purchases of intellectual property) to be consummated or made within the succeeding 12-month period; provided, that to the extent the aggregate amount of internally generated cash actually utilized to finance such Permitted Acquisitions, Investments or Capital Expenditures during such succeeding 12-month period is less than the Contract Consideration or Planned Expenditures, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such Test Period, in each case, (i) to the extent such payments are made during such Fiscal Year or after the end of such Fiscal Year and prior to the date any payment in respect of Excess Cash Flow would be due under this Section 2.11(b)(i), (ii) excluding any such optional prepayment made during such Fiscal Year that reduced the amount required to be prepaid pursuant to this Section 2.11(b)(i) in the prior Fiscal Year and (iii) to the extent that the relevant prepayments were not financed with the proceeds of other Indebtedness (other than revolving Indebtedness) of the Borrower or its Restricted Subsidiaries; provided that no prepayment under this Section 2.11(b)(i) shall be required unless and to the extent the amount thereof would exceed \$20,000,000 after giving effect to the calculations and adjustments described in clauses (A) and (B) above.

94

(ii) No later than the tenth (10th) Business Day following the receipt of Net Proceeds in respect of any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds, the Borrower shall apply an amount equal to the Required Asset Sale Percentage of the Net Proceeds or Net Insurance/Condemnation Proceeds received with respect thereto in excess of the threshold specified in clause (B) of this Section 2.11(b)(ii) (collectively, the "Subject Proceeds") to prepay the outstanding principal amount of Subject Loans; provided that (A) if prior to the date any such prepayment is required to be made, the Borrower notifies the Administrative Agent of its intention to reinvest the Subject Proceeds (other than Subject Proceeds with respect to any Disposition consummated pursuant to Section 6.07(h)(B)) in the business of the Borrower or any of its subsidiaries (including any acquisition or other investment permitted hereunder but not in Cash or Cash Equivalents), then the Borrower shall not be required to make a mandatory prepayment under this clause (ii) in respect of the Subject Proceeds to the extent (x) the Subject Proceeds are so reinvested within 540 days following receipt thereof, or (y) the Borrower or any of its subsidiaries has committed to so reinvest the Subject Proceeds during such 540-day period and the Subject Proceeds are so reinvested within 180 days after the expiration of such 540-day period; it being understood that if the Subject Proceeds have not been so reinvested prior to the expiration of the applicable period, the Borrower shall promptly prepay the Subject Loans with the amount of Subject Proceeds not so reinvested as set forth above (without regard to the immediately preceding proviso) and (B) the obligation to make a prepayment under this Section 2.11(b)(ii) shall only apply if and to the extent the aggregate amount of (I) Net Proceeds resulting from Prepayment Asset Sales and (II) Net Insurance/Condemnation Proceeds, in each case received by the Borrower and/or any Restricted Subsidiaries (x) for any such single transaction (or related transactions) exceeds \$10,000,000 and (y) in any Fiscal Year exceeds \$20,000,000 (with only the amount of Net Proceeds exceeding such amount for any single transaction (or related transactions) or in such Fiscal Year to be applied to make a prepayment under this Section 2.11(b)(ii)).

(iii) In the event that the Borrower or any of its Restricted Subsidiaries receives Net Proceeds from the issuance or incurrence of Indebtedness by the Borrower or any of its Restricted Subsidiaries (other than Indebtedness that is permitted to be incurred under Section 6.01, except to the extent the relevant Indebtedness constitutes (A) Refinancing Indebtedness incurred to refinance all or a portion of the Term Loans pursuant to Section 6.01(p), (B) Incremental Loans incurred to refinance all or a portion of the Term Loans pursuant to Section 2.22, (C) Replacement Term Loans incurred to refinance all or any portion of the Term Loans in accordance with the requirements of Section 9.02(c) and/or (D) Incremental Equivalent Debt incurred to refinance all or a portion of the Loans in accordance with the requirements of Section 6.01(z)), the Borrower or the relevant Restricted Subsidiary shall, substantially simultaneously with (and in any event not later than the next succeeding Business Day) the receipt of such Net Proceeds by the relevant Person, apply an amount equal to 100% of such Net Proceeds to prepay the outstanding principal amount of the relevant Term Loans in accordance with clause (iv) below.

(iv) Notwithstanding anything in this Section 2.11(b) to the contrary:

(A) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i) or (ii) above to the extent that the relevant affected Excess Cash Flow is attributable to any Foreign Subsidiary or the relevant Subject Proceeds are received by any Foreign Subsidiary, as the case may be, for so long as the repatriation to the Borrower of any such amount would be prohibited, delayed or restricted under any Requirement of Law or conflict with the fiduciary duties of such Foreign Subsidiary's directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Foreign Subsidiary (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under applicable Requirements of Law to permit such repatriation or to remove such prohibition); it being understood and agreed that if the repatriation of the relevant affected Excess Cash Flow or Subject Proceeds, as the case may be, is permitted under the applicable Requirement of Law and, to the extent applicable, would no longer conflict with the fiduciary duties of such director, or result in, or be reasonably expected to result in, a material risk of personal or criminal liability for the Persons described above, in either case, within 540 days following the end of the applicable Excess Cash Flow Period or the event giving rise to the relevant Subject Proceeds, an amount equal to the relevant Excess Cash Flow or Subject Proceeds, as the case may be, will be promptly applied (net of additional Taxes that would be payable or reserved against as a result of repatriating such amounts) to the repayment of the Term Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)),

95

(B) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i) or (ii) to the extent that the relevant Excess Cash Flow is generated by any joint venture or the relevant Subject Proceeds are received by any joint venture, in each case, for so long as the distribution to the Borrower of such Excess Cash Flow or Subject Proceeds would be prohibited, delayed or restricted under the Organizational Documents governing such joint venture; it being understood and agreed that if the relevant prohibition ceases to exist within the 540-day period following the end of the applicable Excess Cash Flow Period or the event giving rise to the relevant Subject Proceeds, the relevant joint venture will promptly distribute the relevant Excess Cash Flow or the relevant Subject Proceeds, as the case may be, and the distributed Excess Cash Flow or Subject Proceeds, as the case may be, will be promptly (and in any event not later than two Business Days after such distribution) applied to the repayment of the Term Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)), and

(C) if the Borrower determines in good faith that the repatriation to the Borrower as a distribution or dividend of any amounts required to mandatorily prepay the Term Loans pursuant to Sections 2.11(b)(i) or (ii) above that are attributable to any Foreign Subsidiary would result in a material adverse Tax liability (including any withholding Tax) (such amount, a "Restricted Amount"), the amount that the Borrower shall be required to mandatorily prepay pursuant to Sections 2.11(b)(i) or (ii) above, as applicable, shall be reduced by the Restricted Amount; provided that to the extent that the repatriation of the relevant Subject Proceeds or Excess Cash Flow from the relevant Foreign Subsidiary would no longer have a material adverse tax consequence within the 540-day period following the event giving rise to the relevant Subject Proceeds or the end of the applicable Excess Cash Flow Period, as the case may be, an amount equal to the Subject Proceeds or Excess Cash Flow, as applicable and to the extent available, not previously applied pursuant to this clause (C), shall be promptly applied to the repayment of the Term Loans pursuant to Section 2.11(b) as otherwise required above (net of additional Taxes that would be payable or reserved against as a result of repatriating such amounts),

(v) Any Term Lender may elect, by notice to the Administrative Agent at or prior to the time and in the manner specified by the Administrative Agent, prior to any prepayment of Term Loans required to be made by the Borrower pursuant to this Section 2.11(b), to decline all (but not a portion) of its Applicable Percentage of such prepayment (such declined amounts, the "Declined Proceeds"), in which case such Declined Proceeds shall be applied to any mandatory prepayment, repurchase or redemption required under the Second Lien Credit Agreement or the documentation governing any other Indebtedness in excess of the Threshold Amount; provided that (A) in the event that any lender under the Second Lien Credit Agreement (or such other Indebtedness) elects to decline receipt of such Declined Proceeds in accordance with the terms of the Second Lien Credit Agreement (or the documentation governing such other Indebtedness), the remaining amount thereof may be retained by the Borrower and (B) that for the avoidance of doubt, no Lender may reject any prepayment made under Section 2.11(b)(iii) above to the extent that such prepayment is made with the Net Proceeds of (w) Refinancing Indebtedness incurred to refinance all or a portion of the Term Loans pursuant to Section 6.01(p), (x) Incremental Loans incurred to refinance all or a portion of the Term Loans pursuant to Section 2.22, (y) Replacement Term Loans incurred to refinance all or any portion of the Term Loans in accordance with the requirements of Section 9.02(c) and/or (z) Incremental Equivalent Debt incurred to finance all or a portion of the Loans in accordance with the requirements of Section 6.01(z). If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its Applicable Percentage of any mandatory prepayment within the time frame specified by the Administrative Agent, such failure will be deemed to constitute an acceptance of such Lender's Applicable Percentage of the total amount of such mandatory prepayment of Term Loans.

96

(vi) Except as otherwise provided in any Refinancing Amendment, any Incremental Facility Agreement or any Extension Amendment, and subject to the last sentence of this Section 2.11(b)(vi), each prepayment of Term Loans pursuant to this Section 2.11(b) shall be applied ratably to each Class of Term Loans then outstanding irrespective of whether such Term Loan is an ABR Loan or an Adjusted Eurocurrency Rate Term SOFR Loan (provided that any prepayment of Term Loans with the Net Proceeds of any Refinancing Indebtedness and/or any Incremental Term Facility or Replacement Term Loans incurred for the purpose of refinancing or replacing such Term Loans shall be applied to the applicable Class of Term Loans being refinanced or replaced) other than with respect to Lenders holding a Class of Term Loans that have agreed to receive less than a pro rata share of such prepayments. With respect to each Class of Term Loans, all prepayments accepted under this Section 2.11(b) shall be applied against the remaining scheduled installments of principal due in respect of such Class of Term Loans as directed by the Borrower (or, in the absence of direction from the Borrower, to the remaining scheduled amortization payments in respect of such Class of Term Loans in direct order of maturity), and each such prepayment shall be paid to the Term Lenders of such Class in accordance with their respective Applicable Percentages of the applicable Class. If no Lender exercises its right to decline its Applicable Percentage of a given mandatory prepayment made pursuant to Section 2.11(b)(v), then with respect to such prepayment, the amount of such prepayment shall be applied first to the then outstanding Term Loans that are ABR Loans to the full extent thereof before application to the outstanding Term Loans that are Adjusted Eurocurrency Rate Term SOFR Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.16.

(vii) Prepayments made under this Section 2.11(b) shall be (A) accompanied by accrued interest as required by Section 2.13, (B) subject to Section 2.16 and (C) in the case of prepayments of Initial Term Loans or Second Amendment Incremental Term Loans under clause (iii) above as part of a Repricing Transaction, subject to Section 2.12(e), but shall otherwise be without premium or penalty.

(viii) Notwithstanding anything herein to the contrary, if, at the time that any prepayment would be required under Section 2.11(b)(i) or (ii), the Borrower or any of its Restricted Subsidiaries is required to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured on a pari passu basis with the Subject Loans pursuant to the terms of the documentation governing such Indebtedness with the Subject Proceeds (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the "Other Applicable Indebtedness"), then the relevant Person may apply the Subject Proceeds on a pro rata basis to the prepayment of the Subject Loans and to the repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Subject Loans and the Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time); it being understood that (1) the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof (and the remaining amount, if any, of the Subject Proceeds shall be allocated to the Subject Loans in accordance with the terms hereof), and the amount of the prepayment of the Subject Loans that would have otherwise been required pursuant to Section 2.11(b)(i) or (ii) shall be reduced accordingly and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Subject Loans in accordance with the terms hereof (without giving effect to this Section 2.11(b)(viii)).

97

Section 2.12 Fees and Premium.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Initial Revolving Lender (other than any Defaulting Lender) a commitment fee, which shall accrue at a rate equal to the Commitment Fee Rate per annum applicable to the Initial Revolving Credit Commitments on the average daily amount of the unused Initial Revolving Credit Commitment of such Revolving Lender during the period from and including the Closing Date to the date on which such Initial Revolving Lender's Initial Revolving Credit Commitment terminates. Accrued commitment fees shall be payable in arrears on the fifteenth day after the last day of each March, June, September and December commencing with December 2019 for the quarterly period then ended (or, in the case of the payment to be made in December 2019, for the period from the Closing Date to December 31, 2019), and on the date on which the Initial Revolving Credit Commitment terminates. For purposes of calculating the commitment fee only, the Initial Revolving Credit Commitment of any Initial Revolving Lender shall be deemed to be used to the extent of Initial Revolving Loans of such Class of such Initial Revolving Lender and the LC Exposure of such Initial Revolving Lender attributable to its Initial Revolving Credit Commitment of such Class (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender of any Class a participation fee with respect to its participations in Letters of Credit issued at the request of the Borrower, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Revolving Loans of such Class that are Adjusted Eurocurrency Rate Loans or Adjusted Term SOFR Loans, as applicable, on the daily face amount of such Lender's LC Exposure that is attributable to its Revolving Credit Commitment of such Class (excluding any portion thereof that is attributable to unreimbursed LC Disbursements), during the period from and including the Closing Date to the earlier of (A) the later of the date on which such Revolving Lender's Revolving Credit Commitment of such Class terminates and the date on which such Revolving Lender ceases to have any LC Exposure that is attributable to its Revolving Credit Commitment of such Class and (B) the Termination Date, and (ii) to each Issuing Bank, for its own account, a fronting fee, in respect of each Letter of Credit issued by such Issuing Bank for the period from the date of issuance of such Letter of Credit to the earliest of (A) the expiration date of such Letter of Credit, (B) the date on which such Letter of Credit terminates and (C) the Termination Date, computed at a rate equal to the rate agreed by such Issuing Bank and the Borrower (but in any event not to exceed 0.125% per annum) of the daily face amount of such Letter of Credit, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees shall accrue to but excluding the last Business Day of each March, June, September and December and be payable in arrears for the quarterly period then ended on the fifteenth day following the last day of each March, June, September and December (commencing, if applicable, December 31, 2019 (it being understood that such payment shall be with respect to the period from the Closing Date to December 31, 2019)); provided that all such fees shall be payable on the date on which the Revolving Credit Commitments of the applicable Class terminate. Any fee other than the participation fee and the fronting fee described above that is payable to any Issuing Bank pursuant to this paragraph shall be payable within 30 days after receipt of a written demand (accompanied by reasonable back-up documentation) therefor.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, the annual administration fee described in the Fee Letter.

(d) All fees payable hereunder shall be paid on the dates due and in immediately available funds to the Administrative Agent (or to the applicable Issuing Bank, in the case of any fee payable to any Issuing Bank). Fees paid shall not be refundable under any circumstances except as otherwise provided in the Fee Letter. Fees payable hereunder shall accrue through and including the last day of the month immediately preceding the applicable fee payment date.

98

(e) In the event that, on or prior to the date that is six (6) months after the Third Amendment Closing Date, the Borrower (A) prepays, repays, refinances, substitutes or replaces any Initial Term Loans (including 2021 Replacement Term Loans or Fourth Amendment Incremental Term Loans) in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.11(b)(iii) that constitutes a Repricing Transaction) or (B) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Initial Term Lender, (i) in the case of clause (A), a premium of 1.00% of the aggregate principal amount of the Initial Term Loans (including Fourth Amendment Incremental Term Loans) so prepaid, repaid, refinanced, substituted or replaced and (ii) in the case of clause (B), a fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans (including Fourth Amendment Incremental Term Loans) that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six (6) months after the Third Amendment Closing Date, all or any portion of the Initial Term Loans (including Fourth Amendment Incremental Term Loans) held by any Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19(b)(iv) as a result of, or in connection with, such Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment in connection with a Repricing Transaction, such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction in Dollars and in immediately available funds.

(f) Unless otherwise indicated herein, all computations of fees shall be made on the basis of a 360-day year and shall be payable for the actual days elapsed (including the first day but excluding the last day). The determination by the Administrative Agent of the amount of any fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.13 Interest.

(a) The Term Loans and Revolving Loans that comprise each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) ~~The Term Loans that comprise each Adjusted Eurocurrency Rate Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate. [reserved];~~

(c) The Term Loans and Revolving Loans that comprise each Adjusted Term SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(d) Notwithstanding the foregoing, upon the occurrence of a Specified Event of Default, for so long as any principal of or interest on any Term Loan, Revolving Loan or any LC Disbursement or any fee payable by the Borrower hereunder is not, in each case, paid or reimbursed, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by applicable Requirements of Law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Term Loan, Revolving Loan or unreimbursed LC Disbursement, 2.00% plus the rate otherwise applicable to such Term Loan, Revolving Loan or LC Disbursement as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other amount (including overdue interest), 2.00% plus the rate applicable to Revolving Loans that are ABR Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall accrue pursuant to this Section 2.13(d) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount that is payable to any Defaulting Lender so long as such Lender is a Defaulting Lender.

99

(e) Accrued interest on each Term Loan or Revolving Loan borrowed by the Borrower shall be payable by the Borrower in arrears on each Interest Payment Date for such Term Loan or Revolving Loan and (j) on the Maturity Date applicable to such Loan and (ii) in the case of a Revolving Loan of any Class, upon termination of the Revolving Credit Commitments of such Class; ~~provided that (A) interest accrued pursuant to paragraph (d) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Term Loan or Revolving Loan (other than an ABR Revolving Loan of any Class prior to the termination of the Revolving Credit Commitments of such Class), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Adjusted Eurocurrency Rate Loan or Adjusted Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.~~

(f) All interest hereunder shall be computed on the basis of a year of 360 days (except that interest computed by reference to the Alternate Base Rate shall be on the basis of a year of 365 or 366 days, as applicable) and actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, ~~or Adjusted Term SOFR, and Adjusted Eurocurrency Rate~~ shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall accrue on each Loan for the day on which the Loan is made and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; ~~provided that any Loan that is repaid on the same day on which it is made shall bear interest for one day.~~

(g) ~~The interest rate on Adjusted Eurocurrency Rate Loans is determined by reference to the Eurocurrency Rate, which is derived from the London interbank offered rate. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of Screen Rate or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.14(b), will be similar to, or produce the same value or economic equivalence of, the Eurocurrency Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.~~

Section 2.14 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for an Adjusted ~~Eurocurrency Rate Borrowing or Adjusted Term SOFR~~ Borrowing:

- (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining ~~the Adjusted Eurocurrency Rate or Adjusted Term SOFR~~ (including because the Term SOFR Reference Rate ~~or the Screen Rate~~ is not available or published on a current basis) for such Interest Period; or
- (ii) the Administrative Agent is advised by the Required Lenders that ~~the Adjusted Eurocurrency Rate or Adjusted Term SOFR~~ for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, teletype or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an Adjusted ~~Eurocurrency Rate Borrowing or an Adjusted Term SOFR~~ Borrowing shall be ineffective and (B) if any Borrowing Request requests ~~an Adjusted Eurocurrency Rate Borrowing or an Adjusted Term SOFR~~ Borrowing, such Borrowing shall be made as an ABR Borrowing.

100

(b) ~~Term Facility LIBOR Replacement Setting. Notwithstanding the foregoing, solely with respect to the Term Facility, if at any time the Borrower or the Administrative Agent reasonably determines in good faith, with consent by the other not to be unreasonably withheld, that (i) the circumstances set forth in Section 2.14(a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.14(a)(i) have not arisen but either (w) the supervisor for the administrator of the Screen Rate has made a public statement that the administrator of the Screen Rate is insolvent (and there is no successor administrator that will continue publication of the Screen Rate), (x) the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the Screen Rate), (y) the supervisor for the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall either (A) endeavor to establish an alternate rate of interest to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including to treat pricing in accordance with prevailing market convention or as recommended by the relevant Governmental Authority, but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate) (the "Market Convention Rate") or (B) if a Market Convention Rate is not available in the reasonable determination of the Administrative Agent and the Borrower acting in good faith, an alternate rate, established by the Administrative Agent and the Borrower, in which case, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including to treat pricing in accordance with prevailing market convention or as recommended by the relevant Governmental Authority, but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders of each Class stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii)(w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 2.14(b), only to the extent the Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an Adjusted Eurocurrency Rate Borrowing shall be ineffective and (y) if any Borrowing Request requests an Adjusted Eurocurrency Rate Borrowing, such Borrowing shall be made as an ABR Borrowing. [Reserved].~~

(c) Revolving Facility Benchmark Replacement Setting.

(i) Revolving Facility Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, ~~solely with respect to the Initial Revolving Facility, if a Revolving Facility is a~~ Benchmark Transition Event and its related ~~Revolving Facility~~ Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then current ~~Revolving Facility~~ Benchmark, then (x) if a ~~Revolving Facility~~ Benchmark Replacement is determined in accordance with clause (a) of the definition of "Revolving Facility Benchmark Replacement" for such ~~Revolving Facility~~ Benchmark Replacement Date, such ~~Revolving Facility~~ Benchmark Replacement will replace such ~~Revolving Facility~~ Benchmark for all purposes hereunder and under any Loan Document in respect of such ~~Revolving Facility~~ Benchmark setting and subsequent ~~Revolving Facility~~ Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a ~~Revolving Facility~~ Benchmark Replacement is determined in accordance with clause (b) of the definition of "Revolving Facility Benchmark Replacement" for such ~~Revolving Facility~~ Benchmark Replacement Date, such ~~Revolving Facility~~ Benchmark Replacement will replace such ~~Revolving Facility~~ Benchmark for all purposes hereunder and under any Loan Document in respect of any ~~Revolving Facility~~ Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth Business Day after the date notice of such ~~Revolving Facility~~ Benchmark Replacement is provided to the Initial Revolving Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such ~~Revolving Facility~~ Benchmark Replacement from Lenders comprising the Required ~~Revolving~~ Lenders. If the ~~Revolving Facility~~ Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(ii) Revolving Facility Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a ~~Revolving Facility~~ Benchmark Replacement, the Administrative Agent will have the right to make ~~Revolving Facility~~ Benchmark Replacement Conforming Changes in consultation with the Borrower from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such ~~Revolving Facility~~ Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices: Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any ~~Revolving Facility~~ Benchmark Replacement and (ii) the effectiveness of any ~~Revolving Facility~~ Benchmark Replacement Conforming Changes. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a ~~Revolving Facility~~ Benchmark pursuant to Section 2.14(c)(iv) and (y) the commencement of any ~~Revolving Facility~~ Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14(c).

(iv) ~~Unavailability of Tenor of Revolving Facility Benchmark~~. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a ~~Revolving Facility Benchmark Replacement~~), (i) if any then-current ~~Revolving Facility Benchmark~~ is a term rate and either (A) any tenor for such ~~Revolving Facility Benchmark~~ is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such ~~Revolving Facility Benchmark~~ has provided a public statement or publication of information announcing that any tenor for such ~~Revolving Facility Benchmark~~ is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any ~~Revolving Facility Benchmark~~ settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a ~~Revolving Facility Benchmark~~ (including a ~~Revolving Facility Benchmark Replacement~~) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a ~~Revolving Facility Benchmark~~ (including a ~~Revolving Facility Benchmark Replacement~~), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all ~~Revolving Facility Benchmark~~ settings at or after such time to reinstate such previously removed tenor.

102

(v) ~~Revolving Facility Benchmark Unavailability Period~~. Upon the Borrower's receipt of notice of the commencement of a ~~Revolving Facility Benchmark Unavailability Period~~ with respect to a given ~~Revolving Facility Benchmark~~ or Adjusted Term SOFR Borrowing, (i) the Borrower may revoke any pending request for an Adjusted Term SOFR Borrowing of, conversion to or continuation of Adjusted Term SOFR Loans, in each case, to be made, converted or continued during any ~~Revolving Facility Benchmark Unavailability Period~~ and, failing that, in the case of any request for any affected Adjusted Term SOFR Borrowing, if applicable, the Borrower will be deemed to have converted any such request into a request for an ABR Borrowing or conversion to ABR Loans in the amount specified therein, (ii) any outstanding affected Adjusted Term SOFR Loans, if applicable, will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16. During a ~~Revolving Facility Benchmark Unavailability Period~~ with respect to any ~~Revolving Facility Benchmark~~ or at any time that a tenor for any then-current ~~Revolving Facility Benchmark~~ is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current ~~Revolving Facility Benchmark~~ that is the subject of such ~~Revolving Facility Benchmark Unavailability Period~~ or such tenor for such ~~Revolving Facility Benchmark~~, as applicable, will not be used in any determination of the Alternate Base Rate.

Capitalized terms used in the foregoing Section 2.14(c) but not otherwise defined herein shall have the following meanings:

"~~Available Tenor~~" means, as of any date of determination and with respect to the then-current ~~Revolving Facility Benchmark~~, as applicable, (x) if such ~~Revolving Facility Benchmark~~ is a term rate, any tenor for such ~~Revolving Facility Benchmark~~ (or component thereof) that is or may be used for determining the length of an Interest Period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such ~~Revolving Facility Benchmark~~ (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such ~~Revolving Facility Benchmark~~ pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such ~~Revolving Facility Benchmark~~ that is then-removed from the definition of "Interest Period" pursuant to Section 2.14(c)(iv).

"~~Daily Simple SOFR~~" means, for any day (a "~~SOFR Rate Day~~"), a rate per annum equal to SOFR for the day (such day "~~SOFR Determination Date~~") that is five (5) U.S. Government Securities Business Days prior to (i) if such ~~SOFR Rate Day~~ is a U.S. Government Securities Business Day, such ~~SOFR Rate Day~~ or (ii) if such ~~SOFR Rate Day~~ is not a U.S. Government Securities Business Day, the U.S. Government Securities Business Day immediately preceding such ~~SOFR Rate Day~~, in each case, as such SOFR is published by the SOFR Administrator on the SOFR Administrator's Website. Any change in Daily Simple SOFR due to a change in SOFR shall be effective from and including the effective date of such change in SOFR without notice to the Borrower. If by 5:00 p.m. (New York City time) on the second (2nd) U.S. Government Securities Business Day immediately following any ~~SOFR Determination Date~~, SOFR in respect of such ~~SOFR Determination Date~~ has not been published on the SOFR Administrator's Website and a ~~Revolving Facility Benchmark Replacement Date~~ with respect to the Daily Simple SOFR has not occurred, then SOFR for such ~~SOFR Determination Date~~ will be SOFR as published in respect of the first preceding U.S. Government Securities Business Day for which such SOFR was published on the SOFR Administrator's Website.

103

"~~Reference Time~~" with respect to any setting of the then-current Benchmark means (1) if such Benchmark is the Term SOFR Reference Rate, 5:00 a.m. (Chicago time) on the day that is two U.S. Government Securities Business Days preceding the date of such setting, (2) if such Benchmark is Daily Simple SOFR, then four U.S. Government Securities Business Days prior to such setting or (3) if such Benchmark is none of the Term SOFR Reference Rate or Daily Simple SOFR, the time determined by the Administrative Agent in its reasonable discretion.

"~~Revolving Facility Benchmark~~" means, initially, with respect to any Obligations, interest, fees, commissions or other amounts ~~denominated in, or calculated solely with respect to the Initial Revolving Facility~~, the Term SOFR Reference Rate; ~~provided that if a Revolving Facility Benchmark Transition Event, and the related Revolving Facility Benchmark Replacement Date, have occurred with respect to the applicable then-current Revolving Facility Benchmark, then "Revolving Facility Benchmark" means, with respect to such Obligations, interest, fees, commissions or other amounts, the applicable Revolving Facility Benchmark Replacement to the extent that such Revolving Facility Benchmark Replacement has replaced such prior Revolving Facility Benchmark rate pursuant to Section 2.14(c).~~

"~~Revolving Facility Benchmark Replacement~~" means, with respect to any ~~Revolving Facility Benchmark Transition Event~~ for any then-current ~~Revolving Facility Benchmark~~, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable ~~Revolving Facility Benchmark Replacement Date~~:

(a) Daily Simple SOFR (with all interest payments being payable on a monthly basis); or

(b) the sum of: (i) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for such ~~Revolving Facility Benchmark~~ giving due consideration to (A) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for such ~~Revolving Facility Benchmark~~ for syndicated credit facilities denominated in Dollars at such time and (ii) the related ~~Revolving Facility Benchmark Replacement Adjustment~~;

~~provided that, solely with respect to the Initial Revolving Facility, the Revolving Facility~~ the Benchmark Replacement as determined pursuant to clause (a) or (b) above shall not be less than 0.00% per annum.

"~~Revolving Facility Benchmark Replacement Adjustment~~" means, with respect to any replacement of any then-current ~~Revolving Facility Benchmark~~ with an Unadjusted ~~Revolving Facility Benchmark Replacement~~, the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero), that has been selected by the Administrative Agent and the Borrower giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such ~~Revolving Facility Benchmark~~ with the applicable Unadjusted ~~Revolving Facility Benchmark Replacement~~ by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such ~~Revolving Facility Benchmark~~ with the applicable ~~Unadjusted Revolving Facility Benchmark Replacement~~ for syndicated credit facilities denominated in Dollars at such time.

104

"~~Revolving Facility Benchmark Replacement Conforming Changes~~" means, with respect to either the use or administration of Term SOFR or the use, administration, adoption or implementation of any ~~Revolving Facility Benchmark Replacement~~, any technical, administrative or operational changes (including changes to the definition of "Alternate Base Rate," the definition of "Business Day", the definition of "U.S. Government Securities Business Day", the definition of "Interest Period" or any similar or analogous definition (or the addition of a concept of "interest period"), timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of Section 2.16 and other technical, administrative or operational matters) that the Administrative Agent, in consultation with the Borrower, decides may be appropriate to reflect the adoption and implementation of any such rate or to permit the use and administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent reasonably decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent reasonably determines that no market practice for the administration of any such rate exists, in such other manner of administration as the Administrative Agent, in consultation with the Borrower, decides is reasonably necessary in connection with the

administration of this Agreement and the other Loan Documents).

"~~Revolving Facility Benchmark Replacement Date~~" means a date and time determined by the Administrative Agent, in consultation with the Borrower, which date shall be no later than the earliest to occur of the following events with respect to the then-current ~~Revolving Facility Benchmark~~:

- (a) in the case of clause (a) or (b) of the definition of "~~Revolving Facility Benchmark Transition Event~~", the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such ~~Revolving Facility Benchmark~~ (or such component thereof); or
- (b) in the case of clause (c) of the definition of "~~Revolving Facility Benchmark Transition Event~~", the first date on which such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof) has been, or, if such ~~Revolving Facility Benchmark~~ is a term rate, all Available Tenors of such ~~Revolving Facility Benchmark~~ (or component thereof) have been, determined and announced by the regulatory supervisor for the administrator of such ~~Revolving Facility Benchmark~~ (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if such ~~Revolving Facility Benchmark~~ (or component thereof) or, if such ~~Revolving Facility Benchmark~~ is a term rate, any Available Tenor of such ~~Revolving Facility Benchmark~~ (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the ~~Revolving Facility Benchmark Replacement Date~~ occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the ~~Revolving Facility Benchmark Replacement Date~~ will be deemed to have occurred prior to the Reference Time for such determination and (ii) the "~~Revolving Facility Benchmark Replacement Date~~" will be deemed to have occurred in the case of clause (a) or (b) with respect to any ~~Revolving Facility Benchmark~~ upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof).

"~~Revolving Facility Benchmark Transition Event~~" means, with respect to the then-current ~~Revolving Facility Benchmark~~, the occurrence of one or more of the following events with respect to such ~~Revolving Facility Benchmark~~:

- (a) a public statement or publication of information by or on behalf of the administrator of such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such ~~Revolving Facility Benchmark~~ (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such ~~Revolving Facility Benchmark~~ (or such component thereof) or, if such ~~Revolving Facility Benchmark~~ is a term rate, any Available Tenor of such ~~Revolving Facility Benchmark~~ (or such component thereof);

105

- (b) a public statement or publication of information by the regulatory supervisor for the administrator of such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, the Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such ~~Revolving Facility Benchmark~~ (or such component), a resolution authority with jurisdiction over the administrator for such ~~Revolving Facility Benchmark~~ (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such ~~Revolving Facility Benchmark~~ (or such component), which states that the administrator of such ~~Revolving Facility Benchmark~~ (or such component) has ceased or will cease to provide such ~~Revolving Facility Benchmark~~ (or such component thereof) or, if such ~~Revolving Facility Benchmark~~ is a term rate, all Available Tenors of such ~~Revolving Facility Benchmark~~ (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such ~~Revolving Facility Benchmark~~ (or such component thereof) or, if such ~~Revolving Facility Benchmark~~ is a term rate, any Available Tenor of such ~~Revolving Facility Benchmark~~ (or such component thereof); or
- (c) a public statement or publication of information by the regulatory supervisor for the administrator of such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof) announcing that such ~~Revolving Facility Benchmark~~ (or such component thereof) or, if such ~~Revolving Facility Benchmark~~ is a term rate, all Available Tenors of such ~~Revolving Facility Benchmark~~ (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a "~~Revolving Facility Benchmark Transition Event~~" will be deemed to have occurred with respect to any ~~Revolving Facility Benchmark~~ if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such ~~Revolving Facility Benchmark~~ (or the published component used in the calculation thereof).

"~~Revolving Facility Benchmark Unavailability Period~~" means, with respect to any then-current ~~Revolving Facility Benchmark~~, the period (if any) (a) beginning at the time that a ~~Revolving Facility Benchmark Replacement Date~~ with respect to such ~~Revolving Facility Benchmark~~ has occurred if, at such time, no ~~Revolving Facility Benchmark Replacement~~ has replaced such ~~Revolving Facility Benchmark~~ for all purposes hereunder and under any Loan Document in accordance with Section 2.14(c) and (b) ending at the time that a ~~Revolving Facility Benchmark Replacement~~ has replaced such ~~Revolving Facility Benchmark~~ for all purposes hereunder and under any Loan Document in accordance with Section 2.14(c).

"~~Relevant Governmental Body~~" means the Federal Reserve Board or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board or the Federal Reserve Bank of New York, or any successor thereto.

"~~Unadjusted Revolving Facility Benchmark Replacement~~" means the ~~Revolving Facility Benchmark Replacement Rate~~ excluding the related ~~Revolving Facility Benchmark Replacement Adjustment~~.

Section 2.15 Increased Costs.

- (a) If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (~~except any such reserve requirement reflected in the Adjusted Eurocurrency Rate~~) or Issuing Bank;

(ii) subjects any Lender or Issuing Bank to any Taxes (other than (A) Indemnified Taxes, (B) Other Taxes and (C) Excluded Taxes) on or with respect to its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) imposes on any Lender or Issuing Bank ~~or the London interbank market~~ any other condition (other than Taxes) affecting this Agreement ~~or Adjusted Eurocurrency Rate Loans~~ or Adjusted Term SOFR Loans, as applicable, made by any Lender or any Letter of Credit or participation therein; and the result of any of the foregoing is to increase the cost to the relevant Lender of making or maintaining any ~~Adjusted Eurocurrency Rate Loan~~ or Adjusted Term SOFR Loans (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise) in respect of any Adjusted ~~Eurocurrency Rate Term SOFR~~ Loan or Letter of Credit in an amount deemed by such Lender or Issuing Bank to be material;

then, within 30 days after the Borrower's receipt of the certificate contemplated by paragraph (c) of this Section 2.15, the Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered; provided that the Borrower shall not be liable for such compensation if (x) the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto, (y) such Lender invokes Section 2.20 or (z) in the case of any request for reimbursement under clause (iii) above resulting from a market disruption, (A) the relevant circumstances do not generally affect the banking market or (B) the applicable request has not been made by Lenders constituting Required Lenders.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law other than due to Taxes (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then within 30

days of receipt by the Borrower of the certificate contemplated by paragraph (c) of this Section 2.15 the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Any Lender or Issuing Bank requesting compensation under this Section 2.15 shall be required to deliver a certificate to the Borrower that (i) sets forth the amount or amounts necessary to compensate such Lender or Issuing Bank or the holding company thereof, as applicable, as specified in paragraph (a) or (b) of this Section 2.15, (ii) sets forth, in reasonable detail, the manner in which such amount or amounts were determined and (iii) certifies that such Lender or Issuing Bank is generally charging such amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error.

107

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided, however that the Borrower shall not be required to compensate any Lender or any Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the conversion or prepayment of any principal of any Adjusted ~~Eurocurrency-Rate Loan or Adjusted~~ Term SOFR Loan other than on the last day of an Interest Period applicable thereto (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise), (b) the failure to borrow, convert, continue or prepay any Adjusted ~~Eurocurrency-Rate Loan or Adjusted~~ Term SOFR Loan on the date or in the amount specified in any notice delivered pursuant hereto or (c) the assignment of any Adjusted ~~Eurocurrency-Rate Loan or Adjusted~~ Term SOFR Loan of any Lender other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense incurred by such Lender that is attributable to such event (other than loss of profit). In the case of any Adjusted ~~Eurocurrency-Rate~~ Term SOFR Loan, the loss, cost or expense of any Lender shall be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred at the Adjusted ~~Eurocurrency-Rate~~ Term SOFR that would have been applicable to such Loan for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurodollar market; it being understood that such loss, cost or expense shall in any case exclude any interest rate floor and all administrative, processing or similar fees. Any Lender requesting compensation under this Section 2.16 shall be required to deliver a certificate to the Borrower that (A) sets forth any amount or amounts that such Lender is entitled to receive pursuant to this Section, the basis therefor and, in reasonable detail, the manner in which such amount or amounts were determined and (B) certifies that such Lender is generally charging the relevant amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.17 Taxes.

(a) All payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If any applicable Requirement of Law (as determined in the good faith discretion of the applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then (i) if such Tax is an Indemnified Tax and/or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) each Lender (or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no deductions or withholdings for Indemnified Taxes and/or Other Taxes been made, (ii) the applicable Withholding Agent shall make such deductions and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law. In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law, or, at the option of the Administrative Agent, timely reimburse it for the payment of any Other Taxes.

108

(b) The Borrower shall indemnify the Administrative Agent and each Lender within 30 days after receipt of the certificate described in the succeeding sentence, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), other than any interest or penalties determined by a final and non-appealable judgment of a court of competent jurisdiction (or documented in any settlement agreement) to have resulted from the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender, and, in each case, any reasonable expenses arising therefrom or with respect thereto (whether or not correctly or legally imposed or asserted); provided that if the Borrower reasonably believes that such Taxes were not correctly or legally asserted, the Administrative Agent or such Lender, as applicable, will use reasonable efforts to cooperate with the Borrower to obtain a refund of such Taxes (which shall be repaid to the Borrower in accordance with Section 2.17(f)) so long as such efforts would not, in the sole determination of the Administrative Agent or such Lender, result in any additional out-of-pocket costs or expenses not reimbursed by the Borrower or be otherwise materially disadvantageous to the Administrative Agent or such Lender, as applicable. In connection with any request for reimbursement under this Section 2.17(b), the relevant Lender or the Administrative Agent, as applicable, shall deliver a certificate to the Borrower setting forth, in reasonable detail, the basis and calculation of the amount of the relevant payment or liability, which shall be conclusive absent manifest error. Notwithstanding anything to the contrary contained in this Section 2.17(b), the Borrower shall not be required to indemnify the Administrative Agent or any Lender pursuant to this Section 2.17(b) for any amount to the extent the Administrative Agent or such Lender fails to notify the Borrower of the relevant possible indemnification claim within 180 days after the Administrative Agent or such Lender receives written notice from the applicable taxing authority of the specific tax assessment giving rise to such indemnification claim.

(c) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand thereof, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.05(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph.

(d) As soon as practicable after any payment of any Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment that is reasonably satisfactory to the Administrative Agent.

109

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payment made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation as the Borrower or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(ii) Without limiting the generality of the foregoing,

(A) each Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender

becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two executed original copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B)each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1)in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, two executed original copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing any available exemption from, or reduction of, U.S. federal withholding Tax;

(2) two executed original copies of IRS Form W-8ECI;

(3)in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) two executed original copies of a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments payable to such Lender are effectively connected with the conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) two executed original copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4)to the extent any Foreign Lender is not the beneficial owner (e.g., where the Foreign Lender is a partnership or participating Lender), two executed original copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2, Exhibit L-3 or Exhibit L-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if such Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct or indirect partner;

110

(C)each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two executed original copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D)if a payment made to any Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation as is prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any documentation it previously delivered pursuant to this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

Notwithstanding anything to the contrary in this Section 2.17(e), no Lender shall be required to provide any documentation that such Lender is not legally eligible to deliver.

Each Lender authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 2.17(e).

(f)If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to the Borrower pursuant to this paragraph (f) to the extent that the payment thereof would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the position that the Administrative Agent or such Lender would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrower or any other Person.

111

(g) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(h) Definition of "Lender" for Purposes of Section 2.17. For the avoidance of doubt, the term "Lender" shall, for all purposes of this Section 2.17, include any Issuing Bank and any Swingline Lender.

Section 2.18 Payments Generally; Allocation of Proceeds; Sharing of Payments.

(a)Unless otherwise specified in this Agreement, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, reimbursements of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise). Each such payment shall be made prior to 3:00 p.m. on the date when due, in immediately available funds, without set-off or counterclaim. Any amount received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated by the Administrative Agent to the Borrower, except that payments pursuant to Sections 2.05(e)(i), 2.12(b)(ii), 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Person or Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as provided in Sections 2.19(b), 2.20 and 9.05(g), (i)each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Loans of a given Class and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type (and of the same Class) shall be allocated pro rata among the Lenders in accordance with their respective Applicable Percentages of the applicable Class, (ii)each payment or prepayment of Initial Term Loans shall be allocated pro rata among the Initial Term Lenders in accordance with their respective Initial Term Loan Applicable Percentages of the Initial Term Loans and (iii)each payment or prepayment of Second Amendment Incremental Term Loans shall be allocated pro rata among the Second Amendment Incremental Term Lenders in accordance with their respective Second Amendment Incremental Term Loan Applicable Percentages of the Second Amendment Incremental Term Loans. All payments (including accrued interest) hereunder shall be made in Dollars. Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender's percentage of such Borrowing to the next higher or lower whole Dollar amount. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

112

(b) Subject in all respects to the provisions of the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement, all proceeds of Collateral received by the Administrative Agent while an Event of Default exists and all or any portion of the Loans have been accelerated hereunder pursuant to Section 7.01 shall be applied first, to the payment of all costs, fees, indemnities and expenses then due that have been incurred by the Administrative Agent in connection with any collection, sale or realization on Collateral or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all court costs and the fees and expenses of agents and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document, second, to payment in full of any Unfunded Advance/Participation (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the Issuing Banks on a pro rata basis in accordance with the amount of such Unfunded Advance/Participation owed to them on the date of the relevant distribution), third, to pay any fees, indemnities or expense reimbursements then due to any Issuing Bank from the Borrower that constitute Secured Obligations, fourth, on a pro rata basis in accordance with the amounts of the Secured Obligations (other than contingent indemnification obligations for which no claim has yet been made) owed to the Secured Parties on the date of any such distribution, to the payment in full of the Secured Obligations (including, with respect to LC Exposure, an amount to be paid to the Administrative Agent equal to 100% of the LC Exposure (minus the amount then on deposit in the LC Collateral Account) on such date, to be held in the LC Collateral Account as Cash collateral for such Obligations); provided that if any Letter of Credit expires undrawn, then any Cash collateral held to secure the related LC Exposure shall be applied in accordance with this Section 2.18(b), beginning with clause first above, and fifth, after all Secured Obligations have been paid in full to, or at the direction of, the Borrower or as a court of competent jurisdiction may otherwise direct.

(c) If any Lender obtains payment (whether voluntary, involuntary, through the exercise of any right of set-off or otherwise) in respect of any principal of or interest on any of its Loans of any Classor participations in LC Disbursements or Swingline Loans held by it resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Classand participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender with Loans of such Classand participations in LC Disbursements, then the Lender receiving such greater proportion shall purchase (for Cash at face value) participations in the Loans of such Classand sub-participations in LC Disbursements or Swingline Loans of other Lenders of such Classat such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Classratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Classand participations in LC Disbursements or Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (B) any payment obtained by any Lender as consideration for the assignment of or sale of a participation in any of its Loans to any permitted assignee or participant, including any payment made or deemed made in connection with Sections 2.22, 2.23, 9.02(c) and/or Section 9.05. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise rights of set-off and counterclaim against the Borrower with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.18(c) and will, in each case, notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.18(c) shall, from and after the date of such purchase, have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

113

(d) Unless the Administrative Agent has received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of any Lender or any Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lender or Issuing Bank the amount due. In such event, if the Borrower has not in fact made such payment, then each Lender or the applicable Issuing Bank severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate in effect from time to time and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender fails to make any payment required to be made by it pursuant to Section 2.07(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15 or determines that it can no longer make or maintain Adjusted ~~Eurocurrency Rate Loans or Adjusted~~ Term SOFR Loans pursuant to Section 2.20, or any Loan Party is required to pay any additional amount to or indemnify any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future or mitigate the impact of Section 2.20, as the case may be, and (ii) would not subject such Lender to any unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower in respect of the relevant obligations hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or determines that it can no longer make or maintain Adjusted ~~Eurocurrency Rate Loans or Adjusted~~ Term SOFR Loans pursuant to Section 2.20, (ii) any Loan Party is required to pay any additional amount to or indemnify any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender is a Defaulting Lender or (iv) in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender", "each Revolving Lender" or "each Lender directly affected thereby" (or any other Classor group of Lenders other than the Required Lenders and including, for the avoidance of doubt, in connection with any Extension Offer with respect to which a majority of the applicable Classof Lenders have agreed to extend the applicable Classof Loans) with respect to which Required Lender or Required Revolving Lender consent (or the consent of Lenders holding loans or commitments of such Classor lesser group representing more than 50% of the sum of the total loans and unused commitments of such Classor lesser group at such time) has been obtained, as applicable, any Lender is a non-consenting Lender (each such Lender described in this clause (iv), a "Non-Consenting Lender"), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) terminate the applicable Commitments of such Lender and repay all Obligations of the Borrower owing to such Lender relating to the applicable Loans and participations held by such Lender as of such termination date (provided that, if, after giving effect such termination and repayment, the aggregate amount of the Revolving Credit Exposure of any Class exceeds the aggregate amount of the Revolving Credit Commitments of such Class then in effect, then the Borrower shall, not later than the next Business Day, prepay one or more Revolving Loan Borrowings of the applicable Class (and, if no Revolving Loan Borrowings of such Class are outstanding, deposit Cash collateral in the LC Collateral Account) in an amount necessary to eliminate such excess) and (y) replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all of its interests, rights and obligations under this Agreement to an Eligible Assignee that assumes such obligations (which Eligible Assignee may be another Lender, if any Lender accepts such assignment); provided that (A) such Lender has received payment of an amount equal to the outstanding principal amount of its Loans and, if applicable, participations in LC Disbursements and Swingline Loans, in each case of such Classof Loans and/or Commitments, accrued interest thereon, accrued fees and all other amounts payable to it under any Loan Document with respect to such Classof Loans and/or Commitments, (B) in the case of any assignment resulting from a claim for compensation under Section 2.15 or payment required to be made pursuant to Section 2.17, such assignment would result in a reduction in such compensation or payment and (C) such assignment does not conflict with applicable Requirements of Law. No Lender (other than a Defaulting Lender) shall be required to make any such assignment and delegation, and the Borrower may not repay the Obligations of such Lender or terminate its Commitments, in each case if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 2.19, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Promissory Note (if the assigning Lender's Loans are evidenced by one or more Promissory Notes) subject to such Assignment and Assumption (provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver any such Promissory Note shall not render such sale and purchase (or the corresponding assignment) invalid), such assignment shall be recorded in the Register and any such Promissory Note shall be deemed cancelled. In connection with any replacement under this Section 2.20, if the replaced Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption by the time all Obligations of the Borrower owing to such Lender have been paid in full to such replaced Lender, then such replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption. To the extent that any Lender is replaced pursuant to Section 2.19(b)(iv) in connection with a Repricing Transaction requiring payment of a fee pursuant to Section 2.12(e), the Borrower shall pay the fee set forth in Section 2.12(e) to each Lender being replaced as a result of such Repricing Transaction.

114

(a) If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to ~~the Eurocurrency Rate Term SOFR~~ or to determine or charge interest rates based upon ~~the Eurocurrency Rate Term SOFR~~, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars, then, upon notice thereof by such Lender to the Borrower through the Administrative Agent:

(i) any obligation of such Lender to make or continue Adjusted ~~Eurocurrency Rate Term SOFR~~ Loans in the affected currency or currencies or to convert ABR Loans to Adjusted ~~Eurocurrency Rate Term SOFR~~ Loans shall be suspended,

(ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the ~~Eurocurrency Rate component or Term SOFR component, as applicable,~~ of the Alternate Base Rate, the interest rate on such Lender's ABR Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the ~~Eurocurrency Rate component or Term SOFR component, as applicable,~~ of the Alternate Base Rate in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist (which notice such Lender agrees to give promptly),

115

(iii) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or convert all of such Lender's Adjusted ~~Eurocurrency Rate Term SOFR~~ Loans to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the ~~Eurocurrency Rate component or Term SOFR component, as applicable,~~ of the Alternate Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Adjusted ~~Eurocurrency Rate Term SOFR~~ Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Adjusted ~~Eurocurrency Rate Term SOFR~~ Loans (in which case the Borrower shall not be required to make payments pursuant to Section 2.16 in connection with such payment), and

(iv) if such notice asserts the illegality of such Lender determining or charging interest rates based upon ~~the Eurocurrency Rate or Term SOFR~~, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to ~~the Eurocurrency Rate Term SOFR~~ component thereof, as applicable, until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon ~~the Eurocurrency Rate Term SOFR~~.

(b) Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

(c) Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the determination of such Lender, otherwise be materially disadvantageous to such Lender.

Section 2.21 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the unfunded portion of any Commitment of such Defaulting Lender pursuant to Section 2.12(a) and, subject to clause (d) (iv) below, on the participation of such Defaulting Lender in Letters of Credit pursuant to Section 2.12(b) and pursuant to any other provisions of this Agreement or other Loan Document.

(b) The Commitments and the Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, each affected Lender, the Required Lenders, the Required Revolving Lenders or such other number of Lenders as may be required hereby or under any other Loan Document have taken or may take any action hereunder (including any consent to any waiver, amendment or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately and adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

116

(c) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.11, Section 2.15, Section 2.16, Section 2.17, Section 2.18, Article VII, Section 9.05 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.09), shall be applied at such time or times as may be determined by the Administrative Agent and, where relevant, the Borrower as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any applicable Issuing Bank or Swingline Lender hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable Issuing Bank, to be held as Cash collateral for future funding obligations of such Defaulting Lender in respect of any participation in any Letter of Credit; fourth, so long as no Default or Event of Default exists, as the Borrower may request, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; fifth, as the Administrative Agent or the Borrower may elect, to be held in a deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the non-Defaulting Lenders or Issuing Banks or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any non-Defaulting Lender or any Issuing Bank or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loan or LC Exposure in respect of which such Defaulting Lender has not fully funded its appropriate share and (y) such Loan or LC Exposure was made or created, as applicable, at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Exposure owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Exposure owed to, such Defaulting Lender. Any payments, prepayments or other amounts paid or payable to any Defaulting Lender that are applied (or held) to pay amounts owed by any Defaulting Lender or to post Cash collateral pursuant to this Section 2.21(c) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(d) If any LC Exposure or Swingline Exposure exists at the time any Lender becomes a Defaulting Lender then:

(i) the LC Exposure and Swingline Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Revolving Lenders in accordance with their respective Applicable Revolving Credit Percentages but only to the extent that (A) the sum of the Revolving Credit Exposures of all non-Defaulting Lenders attributable to the Revolving Credit Commitments of any Class does not exceed the total of the Revolving Credit Commitments of all non-Defaulting Revolving Lenders of such Class and (B) the Revolving Credit Exposure of any non-Defaulting Lender that is attributable to its Revolving Credit Commitment of such Class does not exceed such non-Defaulting Lender's Revolving Credit Commitment of such Class;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any other right or remedy available to it hereunder or under applicable Requirements of Law, within two (2) Business Days following notice by the Administrative Agent, Cash collateralize 100% of such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to paragraph (i) above and any Cash collateral provided by such Defaulting Lender or pursuant to Section 2.21(c) above) or make other arrangements reasonably satisfactory to the Administrative Agent and to the applicable Issuing Bank with respect to such LC Exposure and obligations to fund participations. Cash collateral (or the appropriate portion thereof) provided to reduce LC Exposure or other obligations shall be released promptly following (A) the elimination of the applicable LC Exposure or other obligations giving rise thereto (including by the termination of the Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 2.19) or (B) the Administrative Agent's good faith determination that there exists excess Cash collateral (including as a result of any subsequent reallocation of LC Exposure among non-Defaulting Lenders described in clause (i) above);

117

(iii)(A)if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to this Section 2.21(d), then the fees payable to the Revolving Lenders pursuant to Sections 2.12(a) and (b), as the case may be, shall be adjusted to give effect to such reallocation and (B)if the LC Exposure of any Defaulting Lender is Cash collateralized pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank, any Revolving Lender or the Borrower hereunder, no letter of credit fees shall be payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure; and

(iv)if any Defaulting Lender's LC Exposure is not Cash collateralized, prepaid or reallocated pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank, any Revolving Lender or the Borrower hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the applicable Issuing Bank until such Defaulting Lender's LC Exposure is Cash collateralized or reallocated.

(e)So long as any Revolving Lender is a Defaulting Lender, (i)no Issuing Bank shall be required to issue, extend, create, incur, amend or increase any Letter of Credit unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders, Cash collateral provided pursuant to Section 2.21(c) and/or Cash collateral provided in accordance with Section 2.21(d), and participating interests in any such or newly issued, extended or created Letter of Credit shall be allocated among non-Defaulting Revolving Lenders in a manner consistent with Section 2.21(d)(i) (it being understood that Defaulting Lenders shall not participate therein) and (ii)no Swingline Lender shall be required to make any Swingline Loans unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders.

(f)In the event that the Administrative Agent and the Borrower agree that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Applicable Revolving Credit Percentage of LC Exposure and Swingline Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment, and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the applicable Class of the other Revolving Lenders or participations in Revolving Loans of the applicable Class as the Administrative Agent determine as necessary in order for such Revolving Lender to hold such Revolving Loans or participations in accordance with its Applicable Percentage of the applicable Class or its Applicable Revolving Credit Percentage, as applicable. Notwithstanding the fact that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, (x)no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender and (y)except to the extent otherwise expressly agreed by the affected parties, no change hereunder from "Defaulting Lender" to "Lender" will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

118

Section 2.22 Incremental Credit Extensions.

(a) The Borrower may, at any time after the Closing Date, on one or more occasions pursuant to an Incremental Facility Agreement, (i) add one or more new tranches of term facilities (each new tranche, a "New Incremental Term Facility") and/or increase the principal amount of the Term Loans of any existing Class by requesting new commitments to provide such Term Loans (each increase, an "Incremental Increase Facility"; together with any New Incremental Term Facility, "Incremental Term Facilities" and any loans made pursuant to an Incremental Term Facilities, "Incremental Term Loans") and/or (ii) add one or more new tranches of Incremental Revolving Commitments (each new tranche, a "New Incremental Revolving Facility") and/or increase the aggregate amount of the Revolving Credit Commitments of any existing Class (each increase, a "Revolving Commitment Increase"; together with any New Incremental Revolving Facility, "Incremental Revolving Facilities" and, together with any Incremental Term Facility, "Incremental Facilities"; and the loans thereunder, "Incremental Revolving Loans" and any Incremental Revolving Loans, together with any Incremental Term Loans, "Incremental Loans") in an aggregate outstanding principal amount not to exceed the Incremental Cap; provided that:

(i) unless the Administrative Agent otherwise agrees, no Incremental Facility may be less than \$1,000,000,

(ii) except as the Borrower and any Lender may separately agree, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender,

(iii) no Incremental Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of any Incremental Commitment or Incremental Loan,

(iv) except as otherwise permitted herein (including as provided in clause (xii) below), (A) the terms of any Incremental Term Facility (other than any terms which are applicable only after the Latest Term Loan Maturity Date) must be substantially consistent with those applicable to any then-existing Class of Term Loans or otherwise, at the option of the Borrower, either (I) reflect, in the good faith determination of the Borrower, market terms and conditions (taken as a whole) at the time of incurrence of such Incremental Term Facility or (II) be reasonably acceptable to the Administrative Agent and (B) the terms of any Incremental Revolving Facility (other than any terms which are applicable only after the then-existing Latest Revolving Credit Maturity Date) must be substantially consistent with those applicable to any then-existing Revolving Facility or otherwise, at the option of the Borrower, either (I) reflect, in the good faith determination of the Borrower, market terms and conditions (taken as a whole) at the time of incurrence of such Incremental Revolving Facility or (II) be reasonably acceptable to the Administrative Agent (it being understood that to the extent that any financial maintenance covenant or other term is added for the benefit of (A) any Incremental Term Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant or other term is also added for the benefit of all Classes of Loans or (B) any Incremental Revolving Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant or other term is also added for the benefit of each then-existing Revolving Facility),

(b) Incremental Commitments may be provided by any existing Lender, or by any other Eligible Assignee (any such other lender being called an "Additional Lender"); provided that the Administrative Agent (and, in the case of any Incremental Revolving Facility, any Issuing Bank and Swingline Lender) shall have a right to consent (such consent not to be unreasonably withheld) to the relevant Additional Lender's provision of Incremental Commitments if such consent would be required under Section 9.05(b) for an assignment of Loans to such Additional Lender; provided, further, that any Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 9.05(g), *mutatis mutandis*, to the same extent as if the relevant Incremental Commitments and related Obligations had been acquired by such Lender by way of assignment.

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Incremental Facility or Incremental Loans, and

(i)Failure by Holdings, the Borrower or any of its Restricted Subsidiaries to pay when due any principal of or interest on or any other amount payable in respect of one or more items of Indebtedness (other than Indebtedness referred to in clause (a) above) with an aggregate outstanding principal amount exceeding the Threshold Amount, in each case beyond the grace period, if any, provided therefor; or (ii)breach or default by Holdings, the Borrower or any of its Restricted Subsidiaries with respect to any other term of (A)one or more items of Indebtedness with an aggregate outstanding principal amount exceeding the Threshold Amount or (B)any loan agreement, mortgage, indenture or other agreement relating to such item(s) of Indebtedness (other than, for the avoidance of doubt, with respect to Indebtedness consisting of Hedging Obligations, termination events or equivalent events pursuant to the terms of the relevant Hedge Agreement which are not the result of any default thereunder by any Loan Party or any Restricted Subsidiary), in each case beyond the grace period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders) to cause, such

Indebtedness to become or be declared due and payable (or redeemable) prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; provided that clause (i) of this paragraph (b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property securing such Indebtedness if such sale or transfer is permitted hereunder; provided, further, that any failure described under clauses (i) or (ii) above is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to this Article VII; or

178

(c) Breach of Certain Covenants. Failure of any Loan Party, as required by the relevant provision, to perform or comply with any term or condition contained in Section 5.01(e), Section 5.02 (as it applies to the preservation of the existence of the Borrower) or Article VI; provided that, notwithstanding this clause (c), no breach or failure to comply with the terms of Section 6.12(a) will constitute an Event of Default with respect to any Term Loan unless and until the Required Revolving Lenders have accelerated the Revolving Loans, terminated the commitments under the Revolving Facility and demanded repayment of, or otherwise accelerated, the Indebtedness or other obligations under the Revolving Facility (the "Financial Covenant Standstill"); it being understood and agreed that (i) any breach or failure to comply with the terms of Section 6.12(a) is subject to cure as provided therein, and (ii) until the 10th Business Day after the day on which financial statements are required to be delivered under Section 5.01(a) or (b), as applicable, for any Fiscal Quarter in which the Borrower fails to comply with the terms of Section 6.12(a), if a Cure Right is then available, no Event of Default may arise under Section 6.12(a) until the 10th Business Day after the day on which financial statements are required to be delivered for the relevant Fiscal Quarter under Section 5.01(a) or (b), as applicable, and then only to the extent the Cure Amount has not been received on or prior to such date; provided that no Revolving Lender, Swingline Lender or Issuing Bank shall be required to make any Revolving Loan, make any Swingline Loan or issue or amend to increase the face amount of any Letter of Credit during such 10-Business Day period unless and until a Cure Amount in respect of the relevant breach is actually received; or

(d) Breach of Representations, Etc. Any representation, warranty or certification made or deemed made by any Loan Party in any Loan Document (including, for the avoidance of doubt, any Perfection Certificate or any Perfection Certificate Supplement) or in any certificate required to be delivered in connection herewith or therewith being untrue in any material respect as of the date made or deemed made and such incorrect representation or warranty if curable (including by a restatement of any relevant financial statements) shall remain incorrect for a period of 30 days after notice thereof from the Administrative Agent to the Borrower; or

(e) Other Defaults Under Loan Documents. Default by any Loan Party in the performance of or compliance with any term contained herein or any of the other Loan Documents, other than any such term referred to in any other Section of this Article VII, which default has not been remedied or waived within 30 days after receipt by the Borrower of written notice thereof from the Administrative Agent; or

(f) Involuntary Bankruptcy; Appointment of Receiver, Etc. (g) Voluntary Bankruptcy; Appointment of Receiver, Etc. (i) The entry against Holdings, the Borrower or any Significant Subsidiary of an order for relief, the commencement by Holdings, the Borrower or any Significant Subsidiary of a voluntary case under any Debtor Relief Law, or the consent by Holdings, the Borrower or any Significant Subsidiary to the entry of an order for relief in an involuntary case or to the conversion of an involuntary case to a voluntary case, under any Debtor Relief Law, or the consent by Holdings the Borrower or any Significant Subsidiary to the appointment of or taking possession by a receiver, receiver and manager, (preliminary) insolvency receiver, liquidator, sequestrator, trustee, administrator, custodian, monitor or other like official for or in respect of itself or all or a substantial part of its property; (ii) the making by Holdings, the Borrower or any Significant Subsidiary of a general assignment for the benefit of creditors; or (iii) the admission by Holdings, the Borrower or any Significant Subsidiary in writing of their inability to pay their respective debts as such debts become due; or

179

(h) Judgments and Attachments. The entry or filing of one or more final money judgments, writs or warrants of attachment or similar process enforceable against Holdings, the Borrower or any of its Restricted Subsidiaries or any of their respective assets involving in the aggregate at any time an amount in excess of the Threshold Amount (in either case to the extent not (i) adequately covered by self-insurance (if applicable) or by insurance as to which the relevant third party insurance company has been notified and not denied coverage or (ii) otherwise indemnified by a creditworthy indemnitor), which judgment, writ, warrant or similar process remains unpaid, undischarged, unvacated, unbounded or unstayed pending appeal for a period of 60 days; or

(i) Employee Benefit Plans. The occurrence of one or more ERISA Events or if there is or arises an Unfunded Pension Liability (taking into account only Pension Plans with positive Unfunded Pension Liability), which individually or in the aggregate result in liability of Holdings, the Borrower or any of its Restricted Subsidiaries in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect; or

(j) Change of Control. The occurrence of a Change of Control; or

(k) Guaranties, Collateral Documents and Other Loan Documents. At any time after the execution and delivery thereof, (i) any material Guaranty under the Loan Guaranty for any reason, other than the occurrence of the Termination Date, shall cease to be in full force and effect (other than in accordance with its terms) or is declared to be null and void or any Loan Guarantor shall repudiate in writing its obligations thereunder (other than as a result of the discharge of such Loan Guarantor in accordance with the terms thereof), (ii) this Agreement or any material Collateral Document ceases to be in full force and effect or shall be declared null and void or any Lien on Collateral created under any Collateral Document ceases to be valid and perfected with the priority required by the Collateral Documents with respect to a material portion of the Collateral (other than solely by reason of (x) the failure of the Administrative Agent to maintain possession of any Collateral actually delivered to it or the failure of the Administrative Agent to file UCC (or equivalent) continuation statements, (y) a release of Collateral in accordance with the terms hereof or thereof or (z) the occurrence of the Termination Date or any other termination of such Collateral Document in accordance with the terms thereof) or (iii) any Loan Party contests in writing the validity or enforceability of any material provision of any Loan Document (or any Lien purported to be created by the Collateral Documents or any Loan Guaranty) or denies in writing that it has any further liability (other than by reason of the occurrence of the Termination Date), including with respect to future advances by the Lenders, under any Loan Document to which it is a party; it being understood and agreed that the failure of the Administrative Agent to maintain possession of any Collateral actually delivered to it or file any UCC (or equivalent) continuation statement shall not result in an Event of Default under this clause (k) or any other provision of any Loan Document; or

(l) Subordination. The Obligations ceasing (or the assertion in writing by any Loan Party that the Obligations cease) to constitute senior indebtedness under the subordination provisions of any document or instrument evidencing any applicable Junior Indebtedness in excess of the Threshold Amount or any such subordination provision being invalidated or otherwise ceasing, for any reason, to be valid, binding and enforceable obligations of the parties thereto;

180

then, and in every such event (other than (x) an event with respect to the Borrower described in clause (f) or (g) of this Article VII or (y) any Event of Default arising under Section 6.12(a)), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon such Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and (iii) require that the Borrower deposit in the LC Collateral Account an additional amount in Cash as reasonably requested by the Issuing Banks (not to exceed 100% of the relevant LC Obligations) to Cash collateralize the then outstanding LC Exposure with respect to the Borrower (minus the amount then on deposit in the LC Collateral Account); provided that (A) upon the occurrence of an event with respect to the Borrower described in clause (f) or (g) of this Article VII, any such Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall

automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower, and the obligation of the Borrower to Cash collateralize the outstanding LC Obligations as aforesaid shall automatically become effective, in each case without further action of the Administrative Agent or any Lender and (B) during the continuance of any Event of Default arising under Section 6.12(a), (X) upon the request of the Required Revolving Lenders (but not the Required Lenders or any other Lender or group of Lenders), the Administrative Agent shall, by notice to the Borrower, (1) terminate the Revolving Credit Commitments and the Swingline Commitment, and thereupon such Revolving Credit Commitments and Swingline Commitment shall terminate immediately, (2) declare the Revolving Loans and Swingline Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Revolving Loans and Swingline Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and (3) require that the Borrower deposit in the LC Collateral Account an additional amount in Cash as reasonably requested by the Issuing Banks (not to exceed 100% of the relevant LC Obligations) to Cash collateralize the then outstanding LC Exposure with respect to the Borrower (minus the amount then on deposit in the LC Collateral Account) and (Y) subject to the Financial Covenant Standstill, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, declare the Loans of the Borrower then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC or equivalent Requirement of Law, as applicable.

181

ARTICLE VIII THE ADMINISTRATIVE AGENT

Section 8.01 General. Each of the Lenders and the Issuing Banks hereby irrevocably appoints JPMorgan Chase Bank, N.A. (or any successor appointed pursuant hereto) as Administrative Agent and as Collateral Agent and authorizes the Administrative Agent and Collateral Agent to take such actions on its behalf hereunder and under any other Loan Document, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such Person is in fact not a Lender, include each Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any subsidiary of any Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duty, regardless of whether any Default or Event of Default exists, and the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligation arising under agency doctrine of any applicable Requirements of Law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers (1) that are expressly contemplated hereby or by the other Loan Documents and (2) that the Administrative Agent is required to exercise as directed in writing by the Required Lenders or Required Revolving Lenders (or such other number or percentage of the Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02), which such writing shall be binding upon each Lender unless and until revoked in writing; provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law, and (c) except as expressly set forth herein or in any other Loan Document, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account. The Administrative Agent shall not be liable to the Lenders or any other Secured Party for any action taken or not taken by it with the consent or at the request of the Required Lenders or Required Revolving Lenders (or such other number or percentage of the Lenders as is necessary, or as the Administrative Agent believes in good faith shall be necessary, under the relevant circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with this Agreement or any other Loan Document, (iii) the performance or observance of any covenant, agreement or other term or condition set forth in this Agreement or any other Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral or to assure that the Liens granted to the Administrative Agent pursuant to this Agreement or any other Loan Document have been or will continue to be properly or sufficiently or lawfully created, perfected or enforced or are entitled to any particular priority, (vi) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent, (vii) any property, book or record of any Loan Party or any Affiliate thereof or (viii) compliance by Affiliated Lenders with any term hereof relating to Affiliated Lenders. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any claim, liability, loss, cost or expense suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Revolving Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or Issuing Bank; provided that none of the Borrower, any Subsidiary, any Lender or any Issuing Bank shall be liable for any portion of such claim, liability, loss, cost or expense resulting from the Administrative Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

182

Each Lender agrees that, except with the written consent of the Administrative Agent, it will not take any enforcement action hereunder or under any other Loan Document, accelerate the Obligations under any Loan Document, or exercise any right that it might otherwise have under applicable Requirements of Law or otherwise to credit bid at any foreclosure sale, UCC sale, any sale under Section 363 of the Bankruptcy Code or any other similar Disposition of Collateral (an "Insolvency Disposition"). Notwithstanding the foregoing, any Lender may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Lender, including the filing of a proof of claim in a case under the Bankruptcy Code.

Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the Borrower, the Administrative Agent and each Secured Party agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Loan Guaranty; it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms hereof, and all powers, rights and remedies under the other Loan Documents may be exercised solely by the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or in the event of any other Disposition (including pursuant to an Insolvency Disposition), (A) the Administrative Agent, as agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply all or any portion of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such Disposition and (B) the Administrative Agent or any Lender may be the purchaser or licensor of all or any portion of such Collateral at any such Disposition.

183

No holder of any Secured Hedging Obligation or Banking Services Obligation in its respective capacity as such shall have any rights in connection with the management or release of any guarantees or Collateral or of the obligations of any Loan Party under this Agreement. By accepting the benefits of the Collateral, each party to any such arrangement in respect of any Secured Hedging Obligation or Banking Services Obligation, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph

Each of the Lenders hereby irrevocably authorizes (and by entering into a Hedge Agreement with respect to any Secured Hedging Obligation and/or by entering into documentation in connection with respect to any Banking Services Obligation, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, on behalf of all Secured Parties, to take any of the following actions upon the instruction of the Required Lenders:

- (a) consent to the Disposition of all or any portion of the Collateral free and clear of the Liens securing the Secured Obligations in connection with any Disposition pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;
- (b) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;
- (c) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC;
- (d) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other Disposition conducted in accordance with applicable Requirements of Law following the occurrence of an Event of Default, including by power of sale, judicial action or otherwise; and/or
- (e) estimate the amount of any contingent or unliquidated Secured Obligations of such Lender or other Secured Party;

it being understood that no Lender shall be required to fund any amount in connection with any purchase of all or any portion of the Collateral by the Administrative Agent pursuant to the foregoing clause (b), (c) or (d) without its prior written consent.

Each Secured Party agrees that the Administrative Agent is under no obligation to credit bid any part of the Secured Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clause (b), (c) or (d) of the preceding paragraph, the Secured Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by the Administrative Agent on a ratable basis.

184

With respect to any contingent or unliquidated claim that is a Secured Obligation, the Administrative Agent is hereby authorized, but is not required, to estimate the amount thereof for purposes of any credit bid or purchase described in the second preceding paragraph so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of the Administrative Agent to credit bid the Secured Obligations or purchase the Collateral in the relevant Disposition. In the event that the Administrative Agent, in its sole and absolute discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of the Administrative Agent to consummate any credit bid or purchase in accordance with the second preceding paragraph, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

Each Secured Party whose Secured Obligations are credit bid under clause (b), (c) or (d) of the third preceding paragraph is entitled to receive interests in the Collateral or any other asset acquired in connection with such credit bid (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such acquisition) on a ratable basis in accordance with the percentage obtained by dividing (x) the amount of the Secured Obligations of such Secured Party that were credit bid in such credit bid or other Disposition, by (y) the aggregate amount of all Secured Obligations that were credit bid in such credit bid or other Disposition.

In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (i) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

185

In addition, in case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, each Secured Party agrees that the Administrative Agent (irrespective of whether the principal of any Loan or LC Disbursement is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent has made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

- (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans or LC Disbursements and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts to the extent due to the Lenders and the Administrative Agent under Sections 2.12, 2.13, 2.15, 2.17, and 9.03) allowed in such judicial proceeding; and
- (ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amount due to the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) that it believes to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof). The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the applicable Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent has received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

186

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the Credit Facilities provided for herein as well as activities as the Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any subagent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by giving ten (10) days' written notice to the Lenders, the Issuing Banks and the Borrower. If the Administrative Agent is a Defaulting Lender or an Affiliate of a Defaulting Lender, in either case, other than as a result of a good faith dispute over whether a Loan, Letter of Credit or participation in a Letter of Credit is required to be made or funded under clause (a), (b) or (c) of the definition of "Defaulting Lender", either the Required Lenders or the Borrower may, upon ten (10) days' written notice, remove the Administrative Agent. Upon receipt of any such written notice of resignation or delivery of any such written notice of removal, the Required Lenders shall have the right, with the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be a bank or trust company with an office in New York, New York or an Affiliate of any such bank or trust company; provided that during the occurrence and continued existence of a Specified Event of Default (in the case of Section 7.01(f) or (g), with respect to the Borrower), no consent of the Borrower shall be required. If no successor has been appointed as provided above and has accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or the Administrative Agent receives notice of removal, then (a) in the case of a retirement, the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent meeting the qualifications set forth above (including, for the avoidance of doubt, the consent of the Borrower) or (b) in the case of a removal, the Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent notifies the Borrower, the Lenders and the Issuing Banks that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Borrower notifies the Required Lenders that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under any other Loan Document (except that in the case of any collateral security held by the Administrative Agent in its capacity as collateral agent for the Secured Parties for purposes of maintaining the perfection of the Lien on the Collateral securing the Secured Obligations, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations required to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Bank directly (and each Lender and each Issuing Bank will cooperate with the Borrower to enable the Borrower to take such actions), until such time as the Required Lenders or the Borrower, as applicable, appoint a successor Administrative Agent, as provided above in this Article VIII. Upon the acceptance of its appointment as Administrative Agent hereunder as a successor Administrative Agent, the successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent), and the retiring (or retired) or removed Administrative Agent shall be discharged from its duties and obligations hereunder (other than its obligations under Section 9.13 hereof) and under each other Loan Document. The fees payable by the Borrower to any successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor Administrative Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any action taken or omitted to be taken by any of them while the relevant Person was acting as Administrative Agent (including for this purpose holding any collateral security following the retirement or removal of the Administrative Agent). Notwithstanding anything to the contrary herein, no Disqualified Institution may be appointed as a successor Administrative Agent.

187

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders and the Issuing Banks by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender or any Issuing Bank with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of the Administrative Agent or any of its Related Parties.

Notwithstanding anything to the contrary herein, the Arrangers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement or any other Loan Document, except in their respective capacities as the Administrative Agent, an Issuing Bank or a Lender hereunder, as applicable.

Each Lender, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

Each Secured Party irrevocably authorizes and instructs the Administrative Agent to, and the Administrative Agent shall upon reasonable request of the Borrower:

(a) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(d), 6.02(e), 6.02(g), 6.02(l), 6.02(m) (with respect to any assets subject to such Sale and Lease-Back Transaction), 6.02(n), Section 6.02(o) (other than any Lien on the Capital Stock of any Subsidiary Guarantor), Section 6.02(r), 6.02(u) (to the extent the relevant Lien is of the type to which the Lien of the Administrative Agent is otherwise required or, if requested by the Borrower, permitted to be subordinated under this clause (a)) pursuant to any of the other exceptions to Section 6.02 that are expressly included in this clause (a), 6.02(x), 6.02(y), 6.02(z)(i), 6.02(bb), 6.02(cc), 6.02(dd) (in the case of clause (ii)), to the extent the relevant Lien covers cash collateral posted to secure the relevant obligation, 6.02(ee), 6.02(ff), 6.02(gg), 6.02(hh) (and any Refinancing Indebtedness in respect of any thereof to the extent such Refinancing Indebtedness is permitted to be secured under Section 6.02(k), 6.02(ii), 6.02(jj) and 6.02(kk); provided that the subordination of any Lien on any property granted to or held by the Administrative Agent shall only be required to the extent that the Lien of the Administrative Agent with respect to such property is required to be subordinated to the relevant Permitted Lien in accordance with the documentation governing the Indebtedness that is secured by such Permitted Lien;

188

(b) enter into subordination, intercreditor and/or similar agreements contemplated hereunder with respect to Indebtedness permitted to be incurred under this Agreement (including the Closing Date Intercreditor Agreement, any other Acceptable Intercreditor Agreement and/or any amendment thereof) that is (i) required or, if requested by the Borrower, permitted to be subordinated hereunder, (ii) secured by Permitted Liens, and with respect to which Indebtedness and/or Liens, this Agreement contemplates an intercreditor, subordination, collateral trust agreement or similar agreement and/or (iii) contemplates the entry into collateral allocation and/or loss sharing arrangements; and

(c) release any Lien on any property granted to or held by the Administrative Agent under any Loan Document if approved, authorized or ratified by the Required Lenders in accordance with Section 9.02.

Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release, share or subordinate its interest in particular types or items of property, or to release (or provide evidence of release of) any Loan Party from its obligations under the Loan Guaranty or its Lien on any Collateral pursuant to this Article VIII and Section 9.13. In each case specified in this Article VIII and Section 9.13, the Administrative Agent will (and each Lender, and each Issuing Bank hereby authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents, to subordinate and/or share its interest therein, or to release such Loan Party from its obligations under the Loan Guaranty, in each case in accordance with the terms of the Loan Documents and this Article VIII and Section 9.13; provided, that upon the request of the Administrative Agent, the Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement.

The Administrative Agent is authorized to enter into any of the Closing Date Intercreditor Agreement, any other Acceptable Intercreditor Agreement and any other intercreditor, subordination, collateral trust, collateral allocation, loss sharing or similar agreement contemplated hereby with respect to any Indebtedness (i) that is required or permitted to be subordinated hereunder and (ii) with respect to which Indebtedness and/or Liens, this Agreement contemplates an intercreditor, subordination or collateral trust or similar agreement (any such other intercreditor, subordination or collateral trust or similar agreement, an "Additional Agreement"), and the Secured Parties party hereto acknowledge that the Closing Date Intercreditor Agreement and each other Acceptable Intercreditor Agreement and each other Additional Agreement is binding upon them. Each Secured Party party hereto hereby (a) agrees that they will be bound by, and will not take any action contrary to, the provisions of the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement or any Additional Agreement and (b) authorizes and instructs the Administrative Agent to enter into the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement and/or any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower, and the Secured Parties are intended third party beneficiaries of such provisions and the provisions of the Closing Date Intercreditor Agreement and any other Acceptable Intercreditor Agreement and/or any Additional Agreement.

189

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by the Borrower or any of its Restricted Subsidiaries in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

To the extent that the Administrative Agent (or any Affiliate thereof) is not reimbursed and indemnified by the Borrower in accordance with and to the extent required by Section 9.03(b), the Lenders will reimburse and indemnify the Administrative Agent (and any Affiliate thereof) in proportion to their respective Applicable Percentages (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equal to any applicable withholding Tax. If the Internal Revenue Service or any other governmental authority asserts a claim that the Administrative Agent did not properly withhold Tax from any amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent fully, within 10 days after demand therefor, for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. For the avoidance of doubt, the term "Lender" shall, for purposes of this paragraph, include any Issuing Bank and any Swingline Lender.

The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article VIII, none of the Borrower or any Loan Party, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article VIII.

Section 8.02 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) subclause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with subclause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

191

Section 8.03 Erroneous Payments.

(a) Each Revolving Lender hereby agrees that (i) if the Administrative Agent notifies such Revolving Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Revolving Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Revolving Lender (whether or not known to such Revolving Lender), and demands the return of such Payment (or a portion thereof), such Revolving Lender shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Revolving Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (ii) to the extent permitted by applicable law, such Revolving Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Revolving Lender under this Section 8.03 shall be conclusive, absent manifest error.

(b) Each Revolving Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (i) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (ii) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Revolving Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Revolving Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Revolving Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) Each Revolving Lender hereby further agrees that (i) in the event an erroneous Payment (or portion thereof) are not recovered from any Revolving Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Revolving Lender with respect to such amount and (ii) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making a payment on the Obligations.

(d) Each party's obligations under this Section 8.03 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Revolving Lender, the termination of the Revolving Credit Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

(iv) if to any Lender, to it at its address or facsimile number or email address set forth in its Administrative Questionnaire.

All such notices and other communications (A) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof or three Business Days after dispatch if sent by certified or registered mail, in each case, delivered, sent or mailed (properly addressed) to the relevant party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01 or (B) sent by facsimile shall be deemed to have been given when sent and when receipt has been confirmed by telephone; provided that notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices or other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

194

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including e-mail, Internet or Intranet websites and the Platform (as defined below)) pursuant to procedures set forth herein or otherwise approved by the Administrative Agent, provided that the use of the Platform shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower (on behalf of any Loan Party) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures set forth herein or otherwise approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, all such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that any such notice or communication not given during the normal business hours of the recipient shall be deemed to have been given at the opening of business on the next Business Day for the recipient and (ii) posted to an Internet or Intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number or other notice information hereunder by notice to the other parties hereto; it being understood and agreed that the Borrower may provide any such notice to the Administrative Agent as recipient on behalf of itself, each Issuing Bank and each Lender.

Each of Holdings and the Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders and each Issuing Bank materials and/or information provided by, or on behalf of, Holdings or the Borrower hereunder (collectively, the "Borrower Materials") by posting the Borrower Materials on Intranet or another similar electronic system (the "Platform") and (b) certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that only wish to receive information and documentation that (x) is of a type that would be publicly available if Holdings and its Subsidiaries were public reporting companies, (y) is not material with respect to Holdings and its securities or (z) is publicly available (collectively, "Public Lender Information") (each, a "Public Lender"). Each of Holdings and the Borrower hereby agrees that (i) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," Holdings and the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any Private Lender Information (as defined below) (provided that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in Section 9.13), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor" and (iv) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not marked as "Public Investor." Notwithstanding the foregoing, the following Borrower Materials shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains Private Lender Information (provided that the Borrower has been notified of the proposed distribution within a reasonable time period prior thereto): (1) the Loan Documents, (2) any notification of changes in the terms of the Credit Facilities and (3) all information delivered pursuant to Section 5.01 (other than information delivered pursuant to Section 5.01(g) or (k)). "Private Lender Information" means any information that is not Public Lender Information.

195

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to information, documents and other materials that Holdings or the Borrower is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the Lenders under Article V, including all notices, requests, financial statements, financial and other reports, certificates and other information materials (all such communications being referred to herein collectively as "Communications") that are not made available through the "Public Side Information" portion of the Platform and that may contain Private Lender Information.

Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.

THE PLATFORMS PROVIDED "AS IS" AND "AS AVAILABLE." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE PLATFORM, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its electronic mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's electronic mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

196

Section 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any party hereto therefrom shall in any event be effective unless the same is permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, to the extent permitted by applicable Requirements of Law, neither the making of any Loan nor the issuance of any Letter of Credit shall be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Subject to clauses (A), (B), (C), (D) and (E) of this Section 9.02(b) and Sections 9.02(c) and (d) below, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified, except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) or (ii) in the case of any other Loan Document (other than any waiver, amendment or modification to effectuate any modification thereto expressly contemplated by the terms of such other Loan Document), pursuant to an agreement or agreements in writing entered into by the Administrative Agent and each Loan Party that is party thereto, with the consent of the Required Lenders; provided that, notwithstanding the foregoing:

(A) the consent of each Lender directly and adversely affected thereby (but not the consent of the Required Lenders) shall be required for any waiver, amendment or modification that:

(1) increases the Commitment of such Lender; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall constitute an increase of any Commitment of such Lender;

(2) reduces the principal amount of any Loan owed to such Lender or reduces any amount due to such Lender on any Loan Installment Date; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Loans or other amounts shall constitute a reduction in the principal amount or any other amount due to any Lender;

(3) (x) extends the scheduled final maturity of any Loan or (y) postpones any Loan Installment Date or any Interest Payment Date with respect to any Loan held by such Lender or the date of any scheduled payment of any fee or premium payable to such Lender hereunder (in each case, other than any extension for administrative reasons agreed by the Administrative Agent); it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Loans shall constitute such an extension or postponement;

197

(4) reduces the rate of interest (other than to waive any Default or Event of Default or obligation of the Borrower to pay interest to such Lender at the default rate of interest under Section 2.13(c), which shall only require the consent of the Required Lenders) or the amount of any fee or premium owed to such Lender; it being understood that no change in the definition of "First Lien Leverage Ratio" or any other ratio used in the calculation of the Applicable Rate or the Commitment Fee Rate, or in the calculation of any other interest, fee or premium due hereunder (including any component definition thereof) shall constitute a reduction in any rate of interest or fee hereunder;

(5) extends the expiry date of such Lender's Commitment; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of any Commitment shall constitute an extension of any Commitment of any Lender; and

(6) waives, amends or modifies the provisions of (x) Sections 2.18(b) or 2.18(c) in a manner that would by its terms alter the pro rata sharing of payments required thereby or (y) Section 2.18(b) in a manner that alters the order in which payments are applied to repay the Secured Obligations, in each case except in connection with any transaction permitted under Sections 2.21, 2.22, 2.23, 9.02(c) and/or 9.05(g) or as otherwise provided in this Section 9.02;

(B) no such agreement shall:

(1) change (x) any of the provisions of Section 9.02(a) or Section 9.02(b) or the definition of "Required Lenders" to reduce any voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender, or (y) the definition of "Required Revolving Lenders" without the prior written consent of each Revolving Lender (it being understood that neither the consent of the Required Lenders nor the consent of any other Lender shall be required in connection with any change to the definition of "Required Revolving Lenders");

(2) release all or substantially all of the Collateral from the Lien granted pursuant to the Loan Documents (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article VIII), without the prior written consent of each Lender; or

(3) release all or substantially all of the value of the Guarantees under the Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article VIII), without the prior written consent of each Lender;

(C) solely with the consent of the Required Revolving Lenders (but without the consent of the Required Lenders or any other Lender), any such agreement may (x) waive, amend or modify Section 6.12 (or the definition of "First Lien Leverage Ratio" or any component definition thereof, in each case, as any such definition is used solely for purposes of Section 6.12) (other than, in the case of Section 6.12(a), for purposes of determining compliance with such Section as a condition to taking any action under this Agreement), (y) waive, amend or modify any condition precedent set forth in Section 4.02 as it pertains to any Revolving Loan or Letter of Credit and/or (z) waive any Default or Event of Default resulting from any failure to satisfy any condition precedent set forth in Section 4.02 as it pertains to any Revolving Loan or Letter of Credit; and

(D)solely with the consent of each Issuing Bank and, in the case of clause (x), the Administrative Agent, any such agreement may (x)increase or decrease the Letter of Credit Sublimit or (y)waive, amend or modify any condition precedent set forth in Section 4.02 hereof as it pertains to the issuance of any Letter of Credit; and

(E)no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Bank hereunder without the prior written consent of the Administrative Agent, Swingline Lender or such Issuing Bank, as the case may be.

(c) Notwithstanding the foregoing, this Agreement may be amended:

(i)with the written consent of the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing or replacement of all or any portion of the outstanding Term Loans under any Class(any such loans being refinanced or replaced, the "Replaced Term Loans") with one or more replacement term loans hereunder ("Replacement Term Loans") pursuant to a Refinancing Amendment; provided that

(A)the aggregate principal amount of any Classof Replacement Term Loans shall not exceed the aggregate principal amount of the relevant Replaced Term Loans plus (1)any additional amount permitted to be incurred under Section 6.01 and, to the extent any such additional amount is secured, the related Lien is permitted under Section 6.02 and plus (2)the amount of accrued interest and premium (including tender premium) thereon and underwriting discounts, fees (including upfront fees and original issue discount), commissions and expenses associated therewith),

(B)any Classof Replacement Term Loans must have a final maturity date that is equal to or later than the final maturity date of, and have a Weighted Average Life to Maturity equal to or greater than the Weighted Average Life to Maturity of, the applicable Replaced Term Loans at the time of the relevant refinancing; provided that, at the option of the Borrower, Replacement Term Loans (x)constituting Customary Bridge Loans or Term A Loans, (y)being incurred in connection with a Permitted Acquisition, Investment or other similar transaction or (z) in an aggregate principal amount up to the available Maturity/Weighted Average Life Excluded Amount, in each case, may be incurred without regard to this clause (B).

(C)any Classof Replacement Term Loans may be pari passu with or junior to any then-existing Classof Term Loans in right of payment and pari passu with or junior to such Classof Term Loans with respect to the Collateral or may be unsecured; provided that (x)any Classof Replacement Term Loans that is pari passu with any then-existing Classof Term Loan shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Borrower, documented in a separate agreement or agreements and (y)any Classof Replacement Term Loans that is junior to the Initial Term Loans with respect to security shall be pari passu with, or junior to, the Second Lien Term Loans and shall be subject to the Closing Date Intercreditor Agreement,

(E) any Class of Replacement Term Loans that is guaranteed may not be guaranteed by any Person that is not a Loan Party,

(F)any Classof Replacement Term Loans that is pari passu with the Initial Term Loans and the Second Amendment Incremental Term Loans in right of payment and security may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory prepayment in respect of the Initial Term Loans and the Second Amendment Incremental Term Loans (and any Additional Term Loans then subject to ratable repayment requirements), in each case as agreed by the Borrower and the Lenders providing the relevant Class of Replacement Term Loans,

(G)any Classof Replacement Term Loans may have pricing (including interest, fees, MFN terms, discounts, rate floors and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrower and the lenders providing such Class of Replacement Term Loans may agree, and

(H)the terms and conditions of any Classof Replacement Term Loans (excluding pricing, interest, currency types and denominations, fees, MFN terms, discounts, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B)through (G)) must be, as reasonably determined in good faith by the Borrower, either (x)consistent with market terms and conditions (taken as a whole) at the time of the incurrence of such Replacement Term Loans or (y)not materially more restrictive on the Borrower and its Restricted Subsidiaries (taken as a whole) than those applicable to the relevant Replaced Term Loans (taken as a whole) (other than covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of incurrence of such Classof Replacement Term Loans)) (it being understood that to the extent that any financial maintenance covenant or other term is added for the benefit of the Lenders providing the relevant Classof Replacement Term Loans, the terms and conditions of such Replacement Term Loans will be deemed not to be more restrictive than the terms and conditions of the relevant Replaced Term Loans if such financial maintenance covenant or other term is also added for the benefit of all Classes of Loans remaining outstanding);

(ii)with the written consent of the Borrower and the Lenders providing the relevant Replacement Revolving Facility to permit the refinancing or replacement of all or any portion of any Revolving Credit Commitment of any Class(any such Revolving Credit Commitment being refinanced or replaced, a "Replaced Revolving Facility") with a replacement revolving facility hereunder (a "Replacement Revolving Facility") pursuant to a Refinancing Amendment; provided that:

(A)the aggregate maximum amount of any Replacement Revolving Facility shall not exceed the aggregate maximum amount of the relevant Replaced Revolving Facility plus (x) any additional amount permitted to be incurred under Section 6.01 and, to the extent any such additional amount is secured, the related Lien is permitted under Section 6.02 and plus (y)the amount of accrued interest and premium thereon, any committed but undrawn amounts and underwriting discounts, fees (including upfront fees and original issue discount), commissions and expenses associated therewith),

(B)no Replacement Revolving Facility may have a final maturity date (or require commitment reductions) prior to the final maturity date of the relevant Replaced Revolving Facility at the time of such refinancing or require scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Initial Revolving Facility; provided that, at the option of the Borrower, Replacement Revolving Facilities in an aggregate principal amount up to the available Maturity/Weighted Average Life Excluded Amount may be incurred without regard to this clause (B).

(C)any Replacement Revolving Facility may be pari passu with or junior to any then-existing Revolving Credit Commitment in right of payment and pari passu with or junior to any then-existing Revolving Credit Commitment with respect to the Collateral or may be unsecured; provided that (x)any Replacement Revolving Facility that is pari passu with or junior to the Revolving Credit Commitment shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Borrower, documented in a separate agreement or agreements and (y)any Replacement Revolving Facility that is junior to any then-existing Revolving Credit Commitment with respect to security shall be pari passu with, or junior to, the Second Lien Term Loans and shall be subject to the Closing Date Intercreditor Agreement,

(D) any Replacement Revolving Facility that is secured may not be secured by any assets other than the Collateral,

(E) any Replacement Revolving Facility that is guaranteed may not be guaranteed by any Person that is not a Loan Party,

(F)any Replacement Revolving Facility shall be subject to the "ratability" provisions applicable to Extended Revolving Credit Commitments and Extended Revolving Loans set forth in the proviso to clause (i) of Section 2.23(a), *mutatis mutandis*, to the same extent as if fully set forth in this Section 9.02(c)(ii),

(G)any Replacement Revolving Facility may have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrower and the lenders providing such Replacement Revolving Facility may agree,

(H)the terms and conditions of any Replacement Revolving Facility (excluding pricing, interest, currency types and denominations, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (C)) must be, as reasonably determined in good faith by the Borrower, either (x)consistent with market terms and conditions (taken as a whole) at the time of the incurrence of such Replacement Revolving Facility or (y)not materially more restrictive on the Borrower and its Restricted Subsidiaries (taken as a whole) than those applicable to the Replaced Revolving Facility (taken as a whole) (other than covenants or other provisions applicable only to periods after the Latest Revolving Credit Maturity Date (in each case, as of the date of incurrence of the relevant Replacement Revolving Facility)) (it being understood that to the extent that any financial maintenance covenant or other term is added for the benefit of the Lenders providing the Replacement Revolving Facility, the terms and conditions of such Replacement Revolving Facility will be deemed not to be more restrictive than the terms and conditions of the Replaced Revolving Facility if such financial maintenance covenant or other term is also added for the benefit of any remaining Revolving Facility), and

(I)the commitments in respect of the relevant Replaced Revolving Facility shall be terminated, and all loans outstanding thereunder and all fees then due and payable in connection therewith shall be paid in full, in each case on the date any Replacement Revolving Facility is implemented;

provided, further, that, in respect of each of subclauses (i) and (ii) of this clause (c), any Non-Debt Fund Affiliate and Debt Fund Affiliate shall (x)be permitted without the consent of the Administrative Agent to provide any Classof Replacement Term Loans, it being understood that in connection therewith, the relevant Non-Debt Fund Affiliate or Debt Fund Affiliate, as applicable, shall be subject to the restrictions applicable to such Person under Section 9.05 and (y)any Debt Fund Affiliate (but not any Non-Debt Fund Affiliate) may provide any Replacement Revolving Facility.

201

Each party hereto hereby agrees that this Agreement may be amended by the Borrower, the Administrative Agent and the lenders providing the relevant Classof Replacement Term Loans or the Replacement Revolving Facility, as applicable, to the extent (but only to the extent) necessary to reflect the existence and terms of such Classof Replacement Term Loans or Replacement Revolving Facility, as applicable, incurred or implemented pursuant thereto (including any amendment necessary to treat the loans and commitments subject thereto as a separate "tranche" and "Class" of Loans and/or commitments hereunder). It is understood that any Lender approached to provide all or a portion of any Classof Replacement Term Loans or any Replacement Revolving Facility may elect or decline, in its sole discretion, to provide such Classof Replacement Term Loans or Replacement Revolving Facility.

(d) Notwithstanding anything to the contrary contained in this Section 9.02 or any other provision of this Agreement or any provision of any other Loan Document:

(i)the Borrower and the Administrative Agent may, without the input or consent of any Lender, amend, supplement and/or waive any guaranty, collateral security agreement, pledge agreement and/or related document (if any) executed in connection with this Agreement to (A)comply with any Requirement of Law or the advice of counsel or (B)cause any such guaranty, collateral security agreement, pledge agreement or other document to be consistent with this Agreement and/or the relevant other Loan Documents,

(ii)the Borrower and the Administrative Agent may, without the input or consent of any other Lender (other than the relevant Lenders providing Loans under such Sections), effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrower and the Administrative Agent to (1)effect the provisions of Sections 2.22, 2.23, 5.12, 5.17 and/or 9.02(c), or any other provision specifying that any waiver, amendment or modification may be made with the consent or approval of the Administrative Agent and/or (2)to add terms (including, without limitation, representations and warranties, conditions, prepayments, covenants or events of default), in connection with the addition of any Loan or Commitment hereunder, that are favorable to the then-existing Lenders, as reasonably determined by the Administrative Agent,

(iii)if the Administrative Agent and the Borrower have jointly identified any ambiguity, mistake, defect, inconsistency, obvious error or any error or omission of a technical nature or any necessary or desirable technical change, in each case, in any provision of any Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision solely to address such matter as reasonably determined by them acting jointly,

(iv)the Administrative Agent and the Borrower may amend, restate, amend and restate or otherwise modify any Acceptable Intercreditor Agreement as provided therein,

(v)the Administrative Agent may amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05, Commitment reductions or terminations pursuant to Section 2.09, implementations of Additional Commitments or incurrences of Additional Loans pursuant to Sections 2.22, 2.23 and/or 9.02(c) and reductions or terminations of any such Additional Commitments or Additional Loans,

202

(vi)no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except as permitted pursuant to Section 2.21(b) and except that the Commitment and any Additional Commitment of any Defaulting Lender may not be increased without the consent of such Defaulting Lender (it being understood that any Commitment or Loan held or deemed held by any Defaulting Lender shall be excluded from any vote hereunder that requires the consent of any Lender, except as expressly provided in Section 2.21(b)),

(vii)this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i)to add one or more additional Credit Facilities to this Agreement and to permit any extension of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the relevant benefits of this Agreement and the other Loan Documents and (ii)to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, and

(viii)any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into solely by the Borrower, the Administrative Agent and the requisite percentage in interest of the affected Classof Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time.

203

(e)Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A)consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B)otherwise acted on any matter related to any Loan Document or (C)directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (alone or together with its Affiliates (but subject to clause (vi)below)) (other than (x)any Lender that is a Regulated Bank and (y)any Revolving Lender) that, as a result of its (or its Affiliates' (but subject to clause (vi)below)) interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (in each case unless otherwise agreed to by the Borrower). For purposes of determining whether a Lender (alone or together with its Affiliates (but subject to clause (vi)below)) has a "net short position" on any date of determination: (i)derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii)notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii)derivative contracts in respect of an index that includes any Loan Party or any instrument issued or guaranteed by any Loan Party shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x)such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Loan Parties and any instrument issued or guaranteed by any of the Loan Parties, collectively, shall represent less than 5% of the components of such index, (iv)derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender or its

Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x)the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y)the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z)any Loan Party (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions, (v)credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender or its Affiliates protection in respect of the Loans or the Commitments, or as to the credit quality of any Loan Party (or its successor) other than, in each case, as part of an index so long as (x)such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Loan Parties and any instrument issued or guaranteed by any of the Loan Parties, collectively, shall represent less than 5% of the components of such index and (vi)in connection with any such amendment, waiver, action or direction each Lender shall provide a certification or deemed certification to the Administrative Agent and the Borrower that such Lender is not knowingly and intentionally acting in concert with any of its Affiliates (other than any Affiliates designated in writing by such Lender whose interests in the Loans and/or Commitments and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract shall be included in determining whether such Lender is a Net Short Lender (each, a "Designated Affiliate")) for the express purpose of creating (and in fact creating) the same economic effect with respect to the Loan Parties as though such Lender were a Net Short Lender at such time, in which case the interests of the Affiliates (other than any Designated Affiliates) of such Lender in the Loans and/or Commitments and/or any applicable total return swap, total rate of return swap, credit default swap or other derivative contract shall not be included in determining whether such Lender is a Net Short Lender. In connection with any such determination, each Lender (other than (x)any Lender that is a Regulated Bank and (y)any Revolving Lender) shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Administrative Agent shall be entitled to conclusively rely on each such representation and deemed representation and shall have no duty to (x)inquire as to or investigate the accuracy of any such representation or deemed representation, (y)verify any statements in any officer's certificates delivered to it or (z)otherwise ascertain or monitor whether any Lender, Eligible Assignee or Participant or prospective Lender, Eligible Assignee or Participant is a Net Short Lender or make any calculations, investigations or determinations with respect to any derivative contracts and/or net short positions). Without limiting the foregoing, the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to the Net Short Lenders or (B)have any liability with respect to or arising out of any assignment or participation of Loans to any Net Short Lender.

Section 9.03 Expenses; Indemnity.

(a)The Borrower shall pay (i)if the Closing Date occurs, all reasonable and documented out-of-pocket expenses incurred by each Arranger, the Administrative Agent and their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of Cravath, Swaine& Moore LLP and, if necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole, and, solely in the case of an actual or potential conflict of interest, one additional counsel to each similarly situated group of affected Persons, taken as a whole, and, if reasonably necessary, one additional local counsel to each similarly situated group of affected Persons, taken as a whole, in each relevant jurisdiction) in connection with the syndication and distribution (including via the Internet or through a service such as Intralinks) of the Credit Facilities, the preparation, execution, delivery and administration of the Loan Documents and any related documentation, including in connection with any amendment, modification or waiver of any provision of any Loan Document (whether or not the transactions contemplated thereby are consummated, but only to the extent the preparation of any such amendment, modification or waiver was requested by the Borrower and except as otherwise provided in a separate writing between the Borrower, the relevant Arranger and/or the Administrative Agent) and (ii)all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Issuing Banks or the Lenders or any of their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of counsel and, if necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the enforcement, collection or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section, or in connection with the Loans made and/or Letters of Credit issued hereunder. Except to the extent required to be paid on the Closing Date, all amounts due under this paragraph (a) shall be payable by the Borrower within 30 days of receipt by the Borrower of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b)The Borrower shall indemnify each Arranger, the Administrative Agent, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of counsel and, if necessary, of one local counsel in any relevant jurisdiction to all Indemnitees, taken as a whole, and, solely in the case of an actual or potential conflict of interest, one additional counsel to each similarly situated group of affected Persons, taken as a whole, and, if reasonably necessary, one additional local counsel to each similarly situated group of affected Persons, taken as a whole, in each relevant jurisdiction) incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of any claim, litigation, investigation or proceeding, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrower, any other Loan Party or any of their respective Affiliates) relating to (i)the execution or delivery of the Loan Documents or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby and/or the enforcement of the Loan Documents, (ii)the use or the proposed use of the proceeds of the Loans or any Letter of Credit or (iii)any actual or alleged Release, threatened Release or presence of Hazardous Materials on, at, under or from any property currently or formerly owned, leased or operated by the Borrower, any of its Restricted Subsidiaries or any other Loan Party or any other Environmental Liability to the extent related to the Borrower, any of its Restricted Subsidiaries or any other Loan Party; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that any such loss, claim, damage, or liability (i)is determined by a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, or to the extent such judgment finds that any such loss, claim, damage, or liability has resulted from such Person's material breach of the Loan Documents or (ii)arises out of any claim, litigation, investigation or proceeding brought by such Indemnitee against another Indemnitee (other than any claim, litigation, investigation or proceeding that is brought by or against the Administrative Agent or any Arranger, acting in its capacity as the Administrative Agent or as an Arranger) that does not arise out of any act or omission of the Sponsors, Holdings, the Borrower or any of its subsidiaries. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return any and all amounts paid by the Borrower pursuant to this Section 9.03(b) to such Indemnitee for any fees, expenses, or damages to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. All amounts due under this paragraph (b) shall be payable by the Borrower within 30 days (x)after receipt by the Borrower of a written demand therefor, in the case of any indemnification obligations and (y)in the case of reimbursement of costs and expenses, after receipt by the Borrower of an invoice setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request. This Section 9.03(b) shall not apply to Taxes other than any Taxes that represent losses, claims, damages or liabilities in respect of a non-Tax claim.

205

(c)The Borrower shall not be liable for any settlement of any proceeding effected without the written consent of the Borrower (which consent shall not be unreasonably withheld, delayed or conditioned (it being understood that the withholding of consent due to non-satisfaction of either of the conditions described in clauses (i) and (ii) of the following sentence (with "Borrower" being substituted for "Indemnitee" in each such clause) shall be deemed reasonable)), but if any proceeding is settled with the written consent of the Borrower, or if there is a final judgment against any Indemnitee in any such proceeding, the Borrower agrees to indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Borrower shall not, without the prior written consent of the affected Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless (i)such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceeding and (ii)such settlement does not include any statement as to any admission of fault or culpability of the relevant Indemnitee.

(d)No indemnitee referred to above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby except to the extent the liability of any such person is found in a final ruling by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct.

Section 9.04 Waiver of Claim. To the extent permitted by applicable Requirements of Law, no party to this Agreement shall assert, and each hereby waives, any claim against any other party hereto, any Loan Party and/or any Related Party of any thereof, on any theory of liability, for special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings) (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or any Letter of Credit or the use of the proceeds thereof, except, in the case of any claim by any Indemnitee against the Borrower, to the extent such damages are included in any claim by a third party unaffiliated with any of parties hereto that would otherwise be subject to indemnification pursuant to the terms of Section 9.03.

Section 9.05 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that (i) except in a transaction permitted under Section 6.07(a), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with the terms of this Section 9.05 (any attempted assignment or transfer not complying with the terms of this Section 9.05 shall be null and void). (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(D) the relevant Eligible Assignee, if it is not a Lender, shall deliver on or prior to the effective date of such assignment, to the Administrative Agent (1) an Administrative Questionnaire and (2) any IRS form required under Section 2.17; and

(iii) Subject to the acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 9.05, from and after the effective date specified in any Assignment and Assumption, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned pursuant to such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be (A) entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment and (B) subject to its obligations thereunder and under Section 9.13). If any assignment by any Lender holding any Promissory Note is made after the issuance of such Promissory Note, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender such Promissory Note to the Administrative Agent for cancellation, and, following such cancellation, if requested by either the assignee or the assigning Lender, the Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and their respective successors and assigns, and the commitment of, and principal amount and interest on the Loans and LC Disbursements owing to, each Lender or Issuing Bank pursuant to the terms hereof from time to time (the "Register"). Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans and LC Disbursements. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, each Issuing Bank and each Lender (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice. The parties intend that all Loans will be at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury Regulation (or any other relevant or successor provisions of the Code or of such Treasury Regulation).

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire and any tax certification required by Section 9.05(b)(ii)(D)(2) (unless the assignee is already a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.05, if applicable, and any written consent to the relevant assignment required by paragraph (b) of this Section 9.05, the Administrative Agent shall promptly accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in paragraph (b) of this Section 9.05.

(vi) By executing and delivering an Assignment and Assumption, the assigning Lender and the Eligible Assignee thereunder shall be deemed to confirm and agree with each other and the other parties hereto as follows: (A) the assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the amount of its commitments, and the outstanding balances of its Loans, in each case without giving effect to any

assignment thereof which has not become effective, are as set forth in such Assignment and Assumption, (B)except as set forth in clause (A)above, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statement, warranty or representation made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Restricted Subsidiary or the performance or observance by the Borrower or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, (C)the assignee represents and warrants that it is an Eligible Assignee, legally authorized to enter into such Assignment and Assumption and that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution, (D)the assignee confirms that it has received a copy of this Agreement and any Acceptable Intercreditor Agreement, together with copies of the financial statements referred to in Section 4.01(c) or the most recent financial statements delivered pursuant to Section 5.01, as applicable, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption, (E)the assignee will independently and without reliance upon the Administrative Agent, the Arrangers, the assigning Lender or any other Lender and based on such documents and information as it deems appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (F)if the assignee is a Foreign Lender, attached to such Assignment and Assumption is any documentation required to be delivered by it pursuant to the terms of this Agreement, duly completed and executed by the assignee, (G)if the assignee is not already a Lender under this Agreement, attached to the Assignment and Assumption is a customary administrative questionnaire in the form provided by the Administrative Agent, (H)the assignee has attached to such Assignment and Assumption any tax documentation (including without limitation the IRS forms, any FATCA documentation, and, if applicable, a U.S. Tax Compliance Certificate) required to be delivered by it pursuant to the terms of this Agreement, duly completed and executed by it, (I)the assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to or conferred upon the Administrative Agent, by the terms hereof, together with such powers as are reasonably incidental thereto, and (J)the assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(vii)Any assignment by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.05(b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance Section 9.05(c).

209

(c)(i)Any Lender may, without the consent of the Borrower, the Administrative Agent, any Issuing Bank or any other Lender, sell participations to any bank or other entity (other than to any Disqualified Institution (provided that the list of Disqualified Institutions (other than any "reasonably identifiable affiliate" (on the basis of such Affiliate's name) included in the definition of "Disqualified Institution") is made available to any Lender who specifically requests a copy thereof), any natural Person or, other than with respect to any participation to any Debt Fund Affiliate (any such participations to a Debt Fund Affiliate being subject to the limitation set forth in the first proviso of the last paragraph set forth in Section 9.05(g), as if the limitation applied to such participations), the Borrower or any of its Affiliates) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its commitments and the Loans owing to it); provided that (A)such Lender's obligations under this Agreement shall remain unchanged, (B)such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C)the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which any Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the relevant Participant, agree to any amendment, modification or waiver described in (x) clause (A) of the first proviso to Section 9.02(b) that directly and adversely affects the Loans or commitments in which such Participant has an interest or (y) any of clauses (B)(1), (2) or (3) of the first proviso to Section 9.02(b). Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of such Sections and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (it being understood that the documentation required under Section 2.17(e) is delivered solely to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(b), to the Borrower and the Administrative Agent). To the extent permitted by applicable Requirements of Law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were a Lender; provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii)No Participant shall be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation unless the sale of the participation to such Participant is made with the Borrower's prior written consent expressly acknowledging that such Participant's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the participating Lender would have been entitled to receive absent the participation.

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and its respective successors and registered assigns, and the principal and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (a "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of any Participant Register (including the identity of any Participant or any information relating to any Participant's interest in any Commitment, Loan, Letter of Credit or any other obligation under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the US Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

210

(d)(i)Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Institution (provided that the list of Disqualified Institutions (other than any "reasonably identifiable affiliate" (on the basis of such Affiliate's name) included in the definition of "Disqualified Institution") is made available to any Lender who specifically requests a copy thereof) or any natural person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to any Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 9.05 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release any Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPC"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) in no event may any Lender grant any option to provide to the Borrower all or any part of any Loan that such Granting Lender would have otherwise been obligated to make to the Borrower pursuant to this Agreement to any Disqualified Institution. The making of any Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (A) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 2.15, 2.16 or 2.17) and no SPC shall be entitled to any greater amount under Section 2.15, 2.16 or 2.17 or any other provision of this Agreement or any other Loan Document than the Granting Lender would have been entitled to receive, except to the extent an entitlement to receive a greater payment results from a Change in Law that occurs after the grant to the SPC, unless the grant to such SPC is made with the prior written consent of the Borrower expressly acknowledging that such SPC's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the Granting Lender would have been entitled to receive absent the grant to the SPC, (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender) and (C) the Granting Lender shall for all purposes including approval of any amendment, waiver or other modification of any provision of the Loan Documents, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the Requirements of Law of the US or any State thereof; provided that (x) such SPC's Granting Lender is in compliance in all material respects with its obligations to the Borrower hereunder and (y) each Lender designating any SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.05, any SPC may (1) with notice to, but without the prior written consent of, the Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guaranty or credit or liquidity enhancement to such SPC.

211

(f) If any assignment or participation under this Section 9.05 is made to any Disqualified Institution (other than any Bona Fide Debt Fund) without the Borrower's prior written consent (any such person, a "Disqualified Person"), then the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Person and the Administrative Agent, (A) terminate any Commitment of such Disqualified Person and cause the Borrower to repay all obligations of the Borrower owing to such Disqualified Person, (B) in the case of any outstanding Term Loans held by such Disqualified Person, purchase such Term Loans by paying the lesser of (x) par and (y) the amount that such Disqualified Person paid to acquire such Term Loans, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder and/or (C) require such Disqualified Person to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.05), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees; provided that (I) in the case of clause (B), the applicable Disqualified Person has received payment of an amount equal to the lesser of (1) par and (2) the amount that such Disqualified Person paid for the applicable Loans and participations in Letters of Credit, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Borrower, (II) in the case of clauses (A) and (B), the Borrower shall be liable to the relevant Disqualified Person under Section 2.16 if any Adjusted ~~Eurocurrency-Rate Term~~ SOFR Loan owing to such Disqualified Person is repaid or purchased other than on the last day of the Interest Period relating thereto and (III) in the case of clause (C), the relevant assignment shall otherwise comply with this Section 9.05 (except that (x) no registration and processing fee required under this Section 9.05 shall be required with any assignment pursuant to this paragraph and (y) any Term Loan acquired by any Affiliated Lender pursuant to this paragraph will not be included in calculating compliance with the Affiliated Lender Cap for a period of 90 days following such transfer; provided that, to the extent the aggregate principal amount of Term Loans held by Affiliated Lenders exceeds the Affiliated Lender Cap on the 91st day following such transfer, then such excess amount shall either be (x) contributed to Holdings, the Borrower or any of its subsidiaries and retired and cancelled immediately upon such contribution or (y) automatically cancelled). Nothing in this Section 9.05(f) shall be deemed to prejudice any right or remedy that Holdings or the Borrower may otherwise have at law or equity. The Administrative Agent shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Institutions or for any assignment or participation to a Disqualified Person. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (A) be obligated to ascertain, monitor or inquire as to whether any Lender, Eligible Assignee or Participant or prospective Lender, Assignee or Participant is a Disqualified Institution or (B) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information (including Information), to any Disqualified Person.

(g) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to any Affiliated Lender on a non-pro rata basis (A) through Dutch Auction open to all Lenders holding the relevant Term Loans on a pro rata basis or (B) through open market purchases, in each case with respect to clauses (A) and (B), without the consent of the Administrative Agent; provided that:

(i) any Term Loans acquired by Holdings, the Borrower or any of its Restricted Subsidiaries shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced on a pro rata basis by the full par value of the aggregate principal amount of Term Loans so cancelled;

212

(ii) any Term Loans acquired by any Non-Debt Fund Affiliate may (but shall not be required to) be contributed to Holdings, the Borrower or any of its subsidiaries (it being understood that any Term Loans so contributed shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled promptly upon such contribution); provided that upon any such cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so contributed and cancelled;

(iii) the relevant Affiliated Lender and assigning Lender shall have executed an Affiliated Lender Assignment and Assumption;

(iv) after giving effect to the relevant assignment and to all other assignments to all Affiliated Lenders, the aggregate principal amount of all Term Loans then held by all Affiliated Lenders shall not exceed 30% of the aggregate principal amount of the Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) (the "Affiliated Lender Cap"); provided that each party hereto acknowledges and agrees that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (g)(iv) or any purported assignment exceeding the Affiliated Lender Cap (it being understood and agreed that the Affiliated Lender Cap is intended to apply to any Loan made available to Affiliated Lenders by means other than formal assignment (e.g., as a result of an acquisition of another Lender (other than any Debt Fund Affiliate) by any Affiliated Lender or the provision of Additional Term Loans by any Affiliated Lender); provided, further, that to the extent that any assignment to any Affiliated Lender would result in the aggregate principal amount of Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (after giving effect to any substantially simultaneous cancellation thereof), the assignment of the relevant excess amount shall be null and void;

(v) in connection with any assignment effected pursuant to a Dutch Auction and/or open market purchase conducted by Holdings, the Borrower or any of its Restricted Subsidiaries, (A) the relevant Person may not use the proceeds of any Revolving Loans to fund such assignment, (B) no Default or Event of Default exists at the time of acceptance of bids for the Dutch Auction or the entry into a binding agreement with respect to the relevant open market purchase, as applicable, and (C) such offer shall have been made to all Term Lenders with respect to the Class of Term Loans subject to such Dutch Auction; and

(vi) by its acquisition of Term Loans, each relevant Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote (and the Term Loans held by such Affiliated Lender shall be deemed to be voted pro rata along with the other Lenders that are not Affiliated Lenders); provided that (x) such Affiliated Lender shall have the right to vote (and the Term Loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all Lenders directly and adversely affected thereby, as the case may be, and (y) no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder, in each case without the consent of such Affiliated Lender; and

213

(B) such Affiliated Lender, solely in its capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) or participate in any meeting or discussion (or portion thereof) solely among the Administrative Agent and any Lender or solely among Lenders and, in each case, to which the Loan Parties and their representatives are not invited, or (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available by the Administrative Agent or any Lender to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to Article II);

(vii) no Affiliated Lender shall be required to represent or warrant that, as of the date of any such purchase or assignment, it is not in possession of material non-public information with respect to Holdings, the Borrower and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 9.05(g); and

(viii) in any proceeding under any Debtor Relief Law, the interest of any Affiliated Lender in any Term Loan will be deemed to be voted in the same proportion as the vote of Lenders that are not Affiliated Lenders on the relevant matter and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (i) deemed not to be in good faith and (ii) "designated" pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that each Affiliated Lender will be entitled to vote its interest in any Term Loan for any plan of reorganization or other arrangement with respect to which the relevant vote being sought proposes to treat the interest of such Affiliated Lender in such Term Loan in a manner that is less favorable to such Affiliated Lender than the proposed treatment of Term Loans held by other Term Lenders.

Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans and/or Term Commitments to any Debt Fund Affiliate, and any Debt Fund Affiliate may, from time to time, purchase Loans and/or Commitments (x) on a non-pro rata basis through Dutch Auctions open to all applicable Lenders or (y) on a non-pro rata basis through open market purchases without the consent of the Administrative Agent, in each case, notwithstanding the requirements set forth in subclauses (i) through (viii) of this clause (g); provided that the Loans and Commitments held by all Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document; it being understood and agreed that the portion of the Loan and/or Commitments that accounts for more than 49.9% of the relevant Required Lender action shall be deemed to be voted pro rata along with other Lenders that are not Debt Fund Affiliates. Any Loans acquired by any Debt Fund Affiliate may (but shall not be required to) be contributed to Holdings, the Borrower or any of its subsidiaries for purposes of cancelling such indebtedness (it being understood that any Loans so contributed shall be retired and cancelled immediately upon thereof); provided that upon any such cancellation, the aggregate outstanding principal amount of the relevant Class of Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Loans so contributed and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of any applicable Term Loans so contributed and cancelled.

214

Section 9.06 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loan and issuance of any Letter of Credit regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17, 9.03 and 9.13 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Credit Commitment, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof but in each case, subject to the limitations set forth in this Agreement.

Section 9.07 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and the Fee Letter and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it has been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent has received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a ".pdf" or ".tif" attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.08 Severability. To the extent permitted by applicable Requirements of Law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.09 Right of Setoff. At any time when an Event of Default exists, upon the written consent of the Administrative Agent and each Issuing Bank, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (in any currency) at any time owing by the Administrative Agent, such Issuing Bank or such Lender to or for the credit or the account of any Loan Party against any and all of the Secured Obligations then due and owing held by the Administrative Agent, such Issuing Bank, such Lender or their respective Affiliates, irrespective of whether or not the Administrative Agent, such Issuing Bank or such Lender shall have made any demand under the Loan Documents and although such obligations are owed to a branch or office of such Lender or Issuing Bank different than the branch or office holding such deposit or obligation on such indebtedness. Any applicable Lender or Issuing Bank shall promptly notify the Borrower and the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender, each Issuing Bank, the Administrative Agent and each of their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender, such Issuing Bank, the Administrative Agent or their respective Affiliates may have.

Section 9.13 Confidentiality. Each of the Administrative Agent, each Lender, each Issuing Bank and each Arranger agrees (and each Lender agrees to cause its SPC, if any) to maintain the confidentiality of the Confidential Information (as defined below), except that Confidential Information may be disclosed (a) to its Affiliates and its and their respective limited partners, lenders, investors, managed accounts and rating agencies and to the respective directors, officers, managers, members, accountants, agents, employees, independent auditors, or other experts and advisors of it or any of the foregoing, including accountants, legal counsel and other advisors (collectively, the "Representatives") on a "need to know" basis solely in connection with the transactions contemplated hereby or in connection with the administration, evaluation or monitoring of the Commitments and/or Loans of the relevant Person hereunder and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that such Person shall be responsible for its Affiliates' and its and their respective Representatives' compliance with this paragraph with respect to any information provided to the applicable Representative by the relevant disclosing Person; provided, further, that unless the Borrower otherwise consents, no such disclosure shall be made by the Administrative Agent, any Issuing Bank, any Arranger, any Lender or any Affiliate or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Issuing Bank, any Arranger, or any Lender that is a Disqualified Institution (other than, if applicable, any senior employee who is required, in accordance with industry regulations or the relevant Disqualified Institution's internal policies and procedures, to act in a supervisory capacity and the internal legal, compliance, risk management, credit or investment committee members of the relevant Disqualified Institution), (b) to the extent compelled by legal process in, or reasonably necessary to, the defense of such legal, judicial or administrative proceeding, in any legal, judicial or administrative proceeding or otherwise as required by applicable Requirements of Law (in which case such Person shall, (i) to the extent permitted by applicable Requirements of Law, inform the Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (c) upon the demand or request of any regulatory or governmental authority (including any self-regulatory body and including the National Insurance Commissioners Association) purporting to have jurisdiction over such Person or its Affiliates (in which case such Person shall, except with respect to any audit or examination conducted by bank accountants or any Governmental Authority or regulatory or self-regulatory authority exercising examination or regulatory authority, to the extent permitted by applicable Requirements of Law, (i) inform the Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment, (d) to any other party to this Agreement, (e) subject to an acknowledgment and agreement by the relevant recipient that the Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to the Borrower and the Administrative Agent, including as set forth in the Information Memorandum) in accordance with the standard syndication process of the Arrangers or market standards for dissemination of the relevant type of information, which shall in any event require "click through" or other affirmative action on the part of the recipient to access the Confidential Information and acknowledge its confidentiality obligations in respect thereof (with the disclosing party, to the extent such recipient's compliance is within its control, being responsible for such compliance), to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement, including any SPC (in each case other than a Disqualified Institution; provided that the list of Disqualified Institutions may, upon their reasonable request, be made available to any prospective Eligible Assignee or prospective Participant on a confidential basis so that any such prospective Eligible Assignee or prospective Participant may represent and warrant that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution), (ii) any pledgee referred to in Section 9.05, (iii) any actual or prospective, direct or indirect contractual counterparty (or its advisors) to any Derivative Transaction (including any credit default swap, total return swap or total rate of return swap) or similar derivative product to which any Loan Party is a party and (iv) subject to the Borrower's prior approval of the information to be disclosed (not to be unreasonably withheld or delayed), to Moody's or S&P on a confidential basis in connection with obtaining or maintaining ratings as required under Section 5.13, (f) with the prior written consent of the Borrower, (g) to the extent the Confidential Information becomes publicly available other than as a result of a breach of this Section by such Person, its Affiliates or their respective Representatives, (h) to any rating agency when required by it or the CUSIP Service Bureau or any similar agency in connection with the issuance or monitoring of CUSIP numbers or other market identifiers with respect to the Credit Facilities provided hereunder and (i) to market data collectors, similar services providers to the lending industry, and service providers to the Administrative Agent and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents. For purposes of this Section, "Confidential Information" means all information relating to Holdings, the Borrower and/or any of its subsidiaries and their respective businesses or the Transactions (including any information obtained by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, or any of their respective Affiliates or Representatives, based on a review of any books and records relating to Holdings, the Borrower and/or any of its subsidiaries and their respective Affiliates from time to time, including prior to the date hereof) other than any such information that is publicly available to the Administrative Agent or any Arranger, Issuing Bank, or Lender on a non-confidential basis prior to disclosure by Holdings, the Borrower or any of its subsidiaries. For the avoidance of doubt, in no event shall any disclosure of any Confidential Information be made to Person that is a Disqualified Institution at the time of disclosure.

218

Section 9.14 No Fiduciary Duty. Each of the Administrative Agent, the Arrangers, each Lender, each Issuing Bank and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their respective Affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its respective stockholders or its respective affiliates, on the other. Each Loan Party acknowledges and agrees that: (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender, in its capacity as such, has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender, in its capacity as such, is acting solely as principal and not as the agent or fiduciary of such Loan Party, its respective management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that such Loan Party has consulted its own legal, tax and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto.

Section 9.15 Several Obligations. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan, issue any Letter of Credit or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder.

Section 9.16 Anti-Money Laundering Legislation.

(a) Each Lender that is subject to the requirements of the USA PATRIOT Act or any other applicable anti-money laundering, anti-terrorist financing, government sanction and "know your client" Requirement of Law (collectively, "AML Legislation") and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the AML Legislation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent to identify such Loan Party in accordance with the such AML Legislation. The Borrower shall promptly provide and cause its subsidiaries that are Loan Parties to provide such information as may be reasonably requested by any Lender or the Administrative Agent (for itself and not on behalf of any Lender), or any prospective assignee of any Lender or the Administrative Agent, in order to comply with such AML Legislation, whether now or hereafter in existence. This notice is given in accordance with the requirements of the AML Legislation and is effective as to the Lenders and the Administrative Agent.

(b) If, upon the written request of any Lender, the Administrative Agent has ascertained the identity of the Borrower or any other Loan Party or any authorized signatory of such Person for the purposes of applicable AML Legislation on such Lender's behalf, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a "written agreement" in such regard between such Lender and the Administrative Agent within the meaning of applicable AML Legislation; and

(ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding anything to the contrary in this Section 9.16, each of the Lenders agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any other Loan Party or any authorized signatory of such Person, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any such person or any such authorized signatory in doing so.

Section 9.17 Disclosure of Agent Conflicts. Each Loan Party, each Issuing Bank and each Lender hereby acknowledge and agree that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

Section 9.18 Appointment for Perfection; Release of Liens and Guarantees.

(a) Each Lender hereby appoints each other Lender and each Issuing Bank as its agent for the purpose of perfecting Liens for the benefit of the Administrative Agent, the Issuing Banks and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable Requirement of Law can be perfected only by possession. If any Lender or Issuing Bank (other than the Administrative Agent) obtains possession of any Collateral, such Lender, Issuing Bank shall notify the Administrative Agent thereof and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

(b) The Liens on any property granted to or held by the Administrative Agent under any Loan Document (x) shall be automatically released (i) upon the occurrence of the Termination Date, (ii) upon the sale or transfer of such property in connection with any Disposition permitted under the Loan Documents to a Person that is not a Loan Party, (iii) upon such property becoming an Excluded Asset, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Guarantee under the Loan Guaranty otherwise in accordance with the Loan Documents and (y) shall be released by the Administrative Agent as expressly set forth in Article VIII in connection with the approval, authorization or ratification in writing by the Required Lenders approving such release (or the release of a Subsidiary Guarantor owning such property) in accordance with Section 9.02.

(c) Any Subsidiary Guarantor shall be automatically released from all its obligations under the Loan Documents (including its Guarantee under the Loan Guaranty) (i) in the case of any Subsidiary Guarantor, upon the consummation of any permitted transaction or series of related transactions if as a result thereof such Subsidiary Guarantor ceases to be a Restricted Subsidiary or, upon written request by a Responsible Officer of the Borrower, becomes an Excluded Subsidiary (including upon the effectiveness of any approval, authorization or ratification in writing by the Required Lenders approving such release in accordance with Section 9.02) and/or (ii) upon the occurrence of the Termination Date.

Section 9.19 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or Letter of Credit, together with all fees, charges and other amounts which are treated as interest on such Loan or Letter of Credit under applicable Requirements of Law (collectively the "Charged Amounts"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or Letter of Credit in accordance with applicable Requirements of Law, the rate of interest payable in respect of such Loan or Letter of Credit hereunder, together with all Charged Amounts payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charged Amounts that would have been payable in respect of such Loan or Letter of Credit but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charged Amounts payable to such Lender or Issuing Bank in respect of other Loans or Letters of Credit shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, have been received by such Lender or Issuing Bank.

Section 9.20 Intercreditor Agreements. REFERENCE IS MADE TO THE CLOSING DATE INTERCREDITOR AGREEMENT AND EACH OTHER ACCEPTABLE INTERCREDITOR AGREEMENT (IF ANY). EACH LENDER AND ISSUING BANK HEREUNDER AGREES THAT IT WILL BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT AND AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT IN THE CAPACITY OTHERWISE PERMITTED HEREUNDER AND ON BEHALF OF SUCH LENDER OR ISSUING BANK. THE PROVISIONS OF THIS SECTION 9.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER AND ISSUING BANK IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER OR ISSUING BANK AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE CLOSING DATE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT.

Section 9.21 Conflicts. Notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event of any conflict or inconsistency between this Agreement and any other Loan Document, the terms of this Agreement shall govern and control; provided that in the case of any conflict or inconsistency between the Closing Date Intercreditor Agreement or any other Acceptable Intercreditor Agreement and any Loan Document, the terms of the Closing Date Intercreditor Agreement or such other Acceptable Intercreditor Agreement (as applicable) shall govern and control.

Section 9.22 Effectiveness of the Target Merger. The Target shall have no rights or obligations hereunder until the consummation of the Acquisition and its merger with Merger Sub pursuant to the Target Merger and any representations and warranties of the Target hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target shall succeed to all the rights and obligations of Merger Sub under this Agreement and the other Loan Documents to which it is a party and all representations and warranties of the Target shall become effective as of the date hereof, without any further action by any Person.

Section 9.23 Effectiveness of the Closing Date Borrower Assumption.

(a) Effective upon the consummation of the Acquisition and the Target Merger, the Target hereby assign all rights and obligations (including the Obligations) of Merger Sub and the Target under this Agreement and the Fee Letter to the Company, effective upon the consummation of the Acquisition, and the Company hereby assumes all the rights and obligations (including the Obligations) of the Target under this Agreement and the Fee Letter and agrees that thereafter it shall be the "Borrower" under, and for all purposes of, this Agreement, the Fee Letter and the other Loan Documents and neither Merger Sub nor the Target shall continue to be the "Borrower" under this Agreement, the Fee Letter or the other Loan Documents (collectively, the "Closing Date Borrower Assumption"). From and after the Closing Date Borrower Assumption, the Target is hereby released from all the Obligations of the "Borrower" under this Agreement, the Fee Letter and the other Loan Documents.

(b) Neither the Target nor the Company shall have any rights or obligations hereunder until the consummation of the Acquisition, the Target Merger and the Closing Date Borrower Assumption and any representations and warranties of the Borrower (other than Merger Sub) hereunder shall not become effective until such time. Upon consummation of the Acquisition, the Target Merger and the Closing Date Borrower Assumption, the Company shall succeed to all the rights and obligations of Merger Sub and the Target under this Agreement and the other Loan Documents to which it is a party and all representations and warranties of the Company in its capacity as the Borrower shall become effective as of the date hereof, without any further action by any Person.

(a) Effective upon the consummation of the Acquisition, Initial Holdings hereby assigns all rights and obligations (including the Obligations) of Initial Holdings under this Agreement and the Fee Letter to BNVC Holdings, Inc., effective upon the consummation of the Acquisition, and BNVC Holdings, Inc. hereby assumes all the rights and obligations (including the Obligations) of Initial Holdings under this Agreement and the Fee Letter and agrees that thereafter it shall be "Holdings" under, and for all purposes of, this Agreement, the Fee Letter and the other Loan Documents and Initial Holdings shall no longer continue to be "Holdings" under this Agreement, the Fee Letter or the other Loan Documents (collectively, the "Closing Date Holdings Assumption"). From and after the Closing Date Holdings Assumption, Initial Holdings is hereby released from all the Obligations of "Holdings" under this Agreement, the Fee Letter and the other Loan Documents.

(b) Holdings shall have no rights or obligations hereunder until the consummation of the Acquisition and the Closing Date Holdings Assumption and any representations and warranties of Holdings (other than Initial Holdings) hereunder shall not become effective until such time. Upon consummation of the Acquisition and the Closing Date Holdings Assumption, BNVC Holdings, Inc. shall succeed to all the rights and obligations of Initial Holdings under this Agreement and the other Loan Documents to which it is a party and all representations and warranties of BNVC Holdings, Inc. in its capacity as Holdings shall become effective as of the date hereof, without any further action by any Person.

Section 9.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 9.26 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for hedging agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support"; and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Each Person set forth on Schedule I hereto (each such Person, a "**2023 Revolving Lender**") will be deemed to have irrevocably agreed and consented to the terms of this Agreement and will make available a commitment (a "**2023 Revolving Commitment**") under the Credit Agreement to the Borrower on the Seventh Amendment Closing Date in the amount set forth opposite such 2023 Revolving Lender's name on Schedule I hereto.

C. The 2023 Revolving Commitments (and any Revolving Loans incurred thereunder) will be used for working capital and general corporate purposes. Accordingly, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Definitions. Capitalized terms used but not defined in this Agreement have the meanings assigned thereto in the Credit Agreement. The provisions of Section 1.03 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*. This Agreement shall be a "Refinancing Amendment" and an "Incremental Facility Agreement" for all purposes of the Credit Agreement, and shall be a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents. Each 2023 Revolving Lender shall, upon the effectiveness of this Agreement in accordance with Section 5 hereof, be a party to the Credit Agreement, have the rights and obligations of a Lender thereunder, and shall be a "Revolving Lender" for all purposes of the Credit Agreement and the other Loan Documents.

SECTION 2. 2023 Revolving Lenders; Administrative Agent Authorization.

(a) On the terms set forth herein and in the Credit Agreement and subject to the conditions set forth herein, each 2023 Revolving Lender, by delivering its signature page to this Agreement, (i) irrevocably agrees to the terms of this Agreement and (ii) upon the Seventh Amendment Closing Date, irrevocably agrees to make available a 2023 Revolving Commitment to the Borrower in the amount set forth opposite its name on Schedule I hereto. The commitments and the undertakings of each 2023 Revolving Lender are several. Commitment Fees under Section 2.12(a) of the Credit Agreement will begin accruing with respect to the 2023 Revolving Commitments on the Seventh Amendment Closing Date.

(b) The 2023 Revolving Commitments shall have the same terms applicable to, and shall constitute, "Commitments", "Revolving Credit Commitments" and "Initial Revolving Credit Commitments" under the Credit Agreement. From and after the Seventh Amendment Closing Date, the 2023 Revolving Lenders shall constitute "Initial Revolving Lenders", "Revolving Lenders", "Additional Lenders" and "Lenders" for all purposes of the Credit Agreement and the other Loan Documents.

(c) The 2023 Revolving Facility shall have the same terms as the Existing Revolving Facility outstanding immediately prior to the Seventh Amendment Closing Date, other than to the extent expressly provided in this Agreement. Upon the Seventh Amendment Closing Date, (i) the Replacement Revolving Facility shall replace the Existing Revolving Facility for all purposes of the Credit Agreement and the other Loan Documents and (ii) the Incremental Revolving Commitments shall be added to (and form part of) the Replacement Revolving Commitments.

(d) Upon the effectiveness of this Agreement, the Revolving Credit Commitments under the Existing Revolving Facility outstanding immediately prior to the Seventh Amendment Closing Date shall terminate in full. Each Replacement Revolving Lender hereby waives the notice requirement set forth in Section 2.09 (c) of the Credit Agreement with respect to the termination of the Revolving Commitments under the Existing Revolving Facility on the Seventh Amendment Closing Date.

(e) Notwithstanding anything herein or in the Credit Agreement to the contrary, on the Seventh Amendment Closing Date, the Borrower shall pay all accrued and unpaid interest and Commitment Fees with respect to the Existing Revolving Facility outstanding, if any, immediately prior to such date.

(f) In accordance with Section 2.05(i)(i) of the Credit Agreement, each of Goldman Sachs Bank USA, Royal Bank of Canada and Bank of America, N.A. is hereby appointed by the Borrower as an Issuing Bank for all purposes under the Credit Agreement and each of Goldman Sachs Bank USA, Royal Bank of Canada and Bank of America, N.A. hereby accept such appointment (subject to, for the avoidance of doubt, the definition of "Letter of Credit Sublimit" after giving effect to the amendments contemplated by Section 3 hereof).

(g) After giving effect to clause (f) above, each 2023 Revolving Lender shall participate in Letters of Credit such that, on the Seventh Amendment Closing Date, participations in Letters of Credit shall be reallocated among the 2023 Revolving Lenders in accordance with Section 2.22(e) of the Credit Agreement so that, after giving effect thereto, participations in Letters of Credit outstanding on the Seventh Amendment Closing Date are held by the 2023 Revolving Lenders pro rata based on their Revolving Credit Commitments after giving effect to the 2023 Revolving Commitments on the Seventh Amendment Closing Date.

(h) Administrative Agent Authorization. The Borrower and each 2023 Revolving Lender hereby authorize the Administrative Agent to (i) determine all amounts, percentages and other information with respect to the Commitments and Loans of each Lender and (ii) enter and complete all such amounts, percentages and other information in the Register. The Administrative Agent's determination and entry and completion shall be conclusive evidence of the existence, amounts, percentages and other information with respect to the obligations of the Borrower under the Credit Agreement, in each case, absent manifest error.

SECTION 3. Amendments to the Credit Agreement. Immediately following the effectiveness of the 2023 Revolving Facility pursuant to Section 2 above, subject to the satisfaction or waiver of the conditions set forth in Section 5 hereof, the Credit Agreement is hereby amended by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and adding the underlined text (indicated textually in the same manner as the following example: underlined text) as set forth on Exhibit A attached hereto.

SECTION 4. Representations and Warranties. To induce the other parties hereto to enter into this Agreement, Holdings and the Borrower hereby jointly and severally represent and warrant to the Administrative Agent and each Lender that, as of the Seventh Amendment Closing Date:

(a) Holdings and the Borrower have the organizational power and authority, and the legal right, to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement, the Credit Agreement and the other Loan Documents;

(b) Holdings and the Borrower have taken all necessary organizational action to authorize the execution, delivery and performance of this Agreement;

(c) This Agreement has been duly executed and delivered on behalf of Holdings and the Borrower and constitutes the legal, valid and binding obligation of Holdings and the Borrower, enforceable against Holdings and the Borrower in accordance with its terms, except as enforceability may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditor's rights generally, by general equitable principles (whether enforcement is sought by proceedings in equity or at law) and by general principles of good faith and fair dealing; and

(d) Each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents are true and correct in all material respects on and as of the Seventh Amendment Closing Date as if made on and as of such date, except for representations and warranties expressly stated to relate to a specified date, in which case such representations and warranties are true and correct in all material respects as of such specified date (it being understood and agreed that the reference in Section 3.12 of the Credit Agreement to "the Closing Date, immediately after the consummation of the Transactions to occur on the Closing Date" shall be deemed to refer instead to "the Seventh Amendment Closing Date, immediately after giving effect to the transactions to be consummated on the Seventh Amendment Closing Date").

SECTION 5. Conditions Precedent to Effectiveness of this Agreement. This Agreement shall become effective on the first date (the " **Seventh Amendment Closing Date** ") on which the following conditions precedent are satisfied or waived:

(a) the Borrower shall pay all accrued and unpaid interest and Commitment Fees with respect to the Existing Revolving Facility outstanding immediately prior to such date;

3

(b) the Administrative Agent (or its counsel) shall have received counterparts of this Agreement that, when taken together, bear the signatures of (1) the Borrower, (2) Holdings, (3) the Reaffirming Loan Parties (as defined in Section 8 hereof), (4) the Administrative Agent and (5) the 2023 Revolving Lenders (who shall constitute, for the avoidance of doubt, the Required Revolving Lenders));

(c) all fees and expenses in connection with this Agreement or under any other Loan Document or other agreement with the Borrower relating to the transactions contemplated hereby (including reasonable and documented out-of-pocket legal fees and expenses required to be paid by the Borrower pursuant to Section 9.03(a) of the Credit Agreement) payable by the Borrower to the Administrative Agent or the 2023 Revolving Lenders on or before the Seventh Amendment Closing Date shall have been paid to the extent then due; provided that any such expenses shall be required to be paid, as a condition precedent to the Seventh Amendment Closing Date, only to the extent invoiced at least three (3) Business Days prior to the Seventh Amendment Closing Date;

(d) the Administrative Agent shall have received a duly executed officer's certificate of the Borrower certifying, as of the Seventh Amendment Closing Date, that (A) each of the representations and warranties set forth in Section 4 above is true and correct as of the Seventh Amendment Closing Date and (B) no Default or Event of Default has occurred and is continuing both before and immediately after giving effect to this Agreement and the transactions contemplated hereby;

(e) subject to Section 6, the Administrative Agent shall have received the following:

(i) a copy of a short form certificate of the Secretary of State or other applicable Governmental Authority of the jurisdiction in which each Loan Party is organized, dated reasonably near the Seventh Amendment Closing Date, certifying that such Loan Party is duly organized and in good standing or full force and effect under the laws of such jurisdiction; and

(ii) a certificate of the Secretary, Assistant Secretary or other appropriate Responsible Officer of each Loan Party, dated the Seventh Amendment Closing Date and certifying (1) (x) that attached thereto is a true and complete copy of the by-laws or operating agreement, as applicable, of such Loan Party as in effect on the Seventh Amendment Closing Date and at all times since a date prior to the date of the resolutions described in clause (2) below or (y) that the by-laws or operating agreement, as applicable, of such Loan Party in the certificate delivered on the Closing Date, the First Amendment Closing Date, the Second Amendment Closing Date, the Third Amendment Closing Date, the Fourth Amendment Closing Date or September 22, 2023, as applicable, are still in effect, (2) that attached thereto is a true and complete copy of resolutions duly adopted by the board of directors, board of managers, members or other governing body, as applicable, of such Loan Party authorizing the execution, delivery and performance of this Agreement and the borrowings hereunder, in the case of the Borrower, and any Loan Documents to which each such Loan Party is a party, and that such resolutions have not been modified, rescinded or amended and are in full force and effect and (3) (x) as to the incumbency and specimen signature of each officer executing this Agreement or any other Loan Document or any other document delivered in connection herewith on behalf of such Loan Party or (y) that the incumbency and specimen signature of each officer executing this Agreement provided on the Closing Date, the First Amendment Closing Date, the Second Amendment Closing Date, the Third Amendment Closing Date, the Fourth Amendment Closing Date or September 22, 2023, as applicable, has not changed;

(f) the Administrative Agent shall have received, on behalf of itself and the 2023 Revolving Lenders, an opinion of Simpson Thacher & Bartlett LLP, in its capacity as New York counsel to the Loan Parties dated as of the Seventh Amendment Closing Date and addressed to the Administrative Agent and the 2023 Revolving Lenders and in form and substance consistent with the opinion delivered by such counsel on the Fourth Amendment Closing Date (to the extent applicable), taking into account the nature of this Agreement and the transactions contemplated hereby; and

4

(g) the Administrative Agent and the 2023 Revolving Lenders shall have received, at least three (3) Business Days prior to the Seventh Amendment Closing Date, all documentation and other information about the Borrower and the Guarantors that shall have been reasonably requested by the Administrative Agent or the 2023 Revolving Lenders in writing at least 10 Business Days prior to the Seventh Amendment Closing Date and that the Administrative Agent and the 2023 Revolving Lenders reasonably determine is required by United States regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA PATRIOT Act, and, if (i) the Borrower qualifies as a "legal entity" customer under 31 C.F.R. § 1010.230 and (ii) the Administrative Agent has provided the Borrower the name of each requesting 2023 Revolving Lender and its electronic delivery requirements at least 10 Business Days prior to the Seventh Amendment Closing Date, a customary beneficial ownership certification.

SECTION 6. Effect of this Agreement. Except as expressly set forth herein, this Agreement shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Lenders or the Administrative Agent or Collateral Agent under, the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances. Nothing herein can or may be construed as a novation of the Credit Agreement or any other Loan Document. This Agreement shall apply and be effective only with respect to the provisions of the Credit Agreement specifically referred to herein. After the Seventh Amendment Closing Date, any reference to the Credit Agreement shall mean the Credit Agreement as modified hereby.

SECTION 7. Reaffirmation. Each of Holdings, the Borrower and each Guarantor identified on the signature pages hereto (collectively, Holdings, the Borrower and such Guarantors, the "**Reaffirming Loan Parties**") hereby acknowledges that it expects to receive substantial direct and indirect benefits as a result of this Agreement and the transactions contemplated hereby. Each Reaffirming Loan Party hereby consents to this Agreement and the transactions contemplated hereby, and hereby confirms its respective guarantees (including in respect of the 2023 Revolving Lenders), pledges and grants of security interests, as applicable, under each of the Loan Documents to which it is party, and agrees that, notwithstanding the effectiveness of this Agreement and the transactions contemplated hereby, such guarantees, pledges and grants of security interests shall continue to be in full force and effect and shall accrue to the benefit of the Secured Parties (including in respect of the 2023 Revolving Lenders). Each of the Reaffirming Loan Parties hereby reaffirms its obligations under each provision of each Loan Document to which it is party.

SECTION 8. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier (or other electronic transmission) of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 9. Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 10. Governing Law; Jurisdiction, etc. This Agreement shall be construed in accordance with and governed by the laws of the State of New York. The provisions of Sections 9.10 and 9.11 of the Credit Agreement shall apply to this Agreement, *mutatis mutandis*.

SECTION 11. UK Bail-In. Notwithstanding Section 9.25 of the Credit Agreement, the parties hereby agree that the following provisions shall apply solely with respect to the Revolving Credit Commitments and Revolving Loans in lieu of such Section 9.25 of the Credit Agreement:

(a) Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(ii) the effects of any Bail-In Action on any such liability, including, if applicable:

- (i) a reduction in full or in part or cancellation of any such liability;
- (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

(b) For the purposes of this Section 11 the following definitions shall apply:

(i) "Affected Financial Institution" means (a) any EEA Financial Institution or (b) any UK Financial Institution.

(ii) "Bail-In Legislation" means (a) with respect to any EEA Member Country which has implemented, or which at any time implements, Article 55 BRRD, the relevant implementing law or regulation as described in the EU Bail-In Legislation Schedule from time to time; and (b) with respect to the United Kingdom, Part I of the United Kingdom Banking Act 2009 (as amended from time to time) and any other law, regulation or rule applicable in the United Kingdom relating to the resolution of unsound or failing banks, investment firms or other financial institutions or their affiliates (other than through liquidation, administration or other insolvency proceedings).

(iii) "Resolution Authority" means an EEA Resolution Authority or, with respect to any UK Financial Institution, a UK Resolution Authority.

(iv) "UK Financial Institution" means any BRRD Undertaking (as such term is defined under the PRA Rulebook (as amended from time to time) promulgated by the United Kingdom Prudential Regulation Authority) or any Person falling within IFPRU 11.6 of the FCA Handbook (as amended from time to time) promulgated by the United Kingdom Financial Conduct Authority, which includes certain credit institutions and investment firms, and certain affiliates of such credit institutions or investment firms.
